Love And Revolution A Political Memoir

John Dittmer

Love And Revolution A Political Memoir:

Love and Revolution Signe Waller, 2002 *Love and Revolution A Political Memoir* is both memoir and people's history. It is a factually detailed and passionate account of events surrounding the Greensboro Massacre by a woman intimately connected with the events narrated. The author's husband, a pediatrician who abandoned medicine to work in a textile mill and organize low wage workers, was among the slain.

The Good Doctors John Dittmer, 2017-01-31 In the summer of 1964 medical professionals, mostly white and northern, organized the Medical Committee for Human Rights (MCHR) to provide care and support for civil rights activists organizing black voters in Mississippi. They left their lives and lucrative private practices to march beside and tend the wounds of demonstrators from Freedom Summer, the March on Selma, and the Chicago Democratic Convention of 1968. Galvanized and sometimes radicalized by their firsthand view of disenfranchised communities, the MCHR soon expanded its mission to encompass a range of causes from poverty to the war in Vietnam. They later took on the whole of the United States healthcare system. MCHR doctors soon realized fighting segregation would mean not just caring for white volunteers but also exposing and correcting shocking inequalities in segregated health care. They pioneered community health plans and brought medical care to underserved or unserved areas. Though education was the most famous battleground for integration, the appalling injustice of segregated health care levelled equally devastating consequences. Award-winning historian John Dittmer, author of the classic civil rights history *Local People: The Struggle for Civil Rights in Mississippi*, has written an insightful and moving account of a group of idealists who put their careers in the service of the motto: Health Care Is a Human Right.

In Search of Power Brenda Gayle Plummer, 2013 *In Search of Power* is a history of the era of civil rights decolonization and Black Power. In the critical period from 1956 to 1974, the emergence of newly independent states worldwide and the struggles of the civil rights movement in the United States exposed the limits of racial integration and political freedom. Dissident leaders and elites alike were linked in a struggle for power in a world where the rules of the game had changed. Brenda Gayle Plummer traces the detailed connections between African Americans' involvement in international affairs and how they shaped American foreign policy, integrating African American history, the history of the African Diaspora, and the history of United States foreign relations. These topics, usually treated separately, not only offer a unified view of the period but also reassess controversies and events that punctuated this colorful era of upheaval and change.

Truth and Revolution Michael Staudenmaier, 2012-05-15 A poignant, compelling history of one of the most important radical groups you've never heard of.

The New Transnational Activism Sidney Tarrow, 2005-08 *The New Transnational Activism* shows how even the most prosaic activities like immigrants bringing remittances back to their families can assume broader political meanings when they provide ordinary people with the experience of crossing transnational space. This means that we cannot be satisfied with defining transnational activists through the ways they think. The defining feature of transnationalism in this book is relational and not cognitive. This emphasis on activism's relational

structure means that even as they make transnational claims transnational activists draw on the resources the networks and the opportunities in which they are embedded and only then if at all on more distant transnational links *Political Violence in America* Lori Cox Han, Tomislav Han, 2022-03-29 This multivolume encyclopedia surveys America's long and troubled history of political violence from the colonial era to the present with a particular emphasis on factors driving political violence and intimidation in the United States in the 21st century Americans like to think of their nation as one grounded in high minded democratic ideals and peaceful transitions of power In reality though American politics has been heavily laced with expressions of violence and intimidation since the nation's very inception which saw a campaign of violent rebellion against British rule Since then America has endured the deaths of four presidents from assassination a four year civil war racist attacks on civil rights activists and ordinary citizens deadly clashes between protesting citizens and law enforcement sustained campaigns of violence against marginalized populations seeking greater political or economic equality politically motivated mass shootings and on January 6 2021 the shocking spectacle of a politically motivated mob attack on the U S Capitol How and why did these events transpire What were the root causes What factors are driving political violence and intimidation in America today And are there changes that we could make to our country's political discourse that would reduce such outbreaks of bloodshed This authoritative multivolume encyclopedia provides answers to all these questions and more

The War on Poverty Annelise Orleck, Lisa Gayle Hazirjian, 2011 Lyndon Johnson's War on Poverty has long been portrayed as the most potent symbol of all that is wrong with big government Conservatives deride the War on Poverty for corruption and the creation of poverty pimps and even liberals carefully distance themselves from it Examining the long War on Poverty from the 1960s onward this book makes a controversial argument that the programs were in many ways a success reducing poverty rates and weaving a social safety net that has proven as enduring as programs that came out of the New Deal The War on Poverty also transformed American politics from the grass roots up mobilizing poor people across the nation Blacks in crumbling cities rural whites in Appalachia Cherokees in Oklahoma Puerto Ricans in the Bronx migrant Mexican farmworkers and Chinese immigrants from New York to California built social programs based on Johnson's vision of a greater more just society Contributors to this volume chronicle these vibrant and largely unknown histories while not shying away from the flaws and failings of the movement including inadequate funding co optation by local political elites and blindness to the reality that mothers and their children made up most of the poor In the twenty first century when one in seven Americans receives food stamps and community health centers are the largest primary care system in the nation the War on Poverty is as relevant as ever This book helps us to understand the turbulent era out of which it emerged and why it remains so controversial to this day

The Black Revolution on Campus Martha Biondi, 2014-03-21 Winner of the Wesley Logan Prize in African Diaspora History from the American Historical Association and the Benjamin Hooks National Book Award for Outstanding Scholarly Work on the American Civil Rights Movement and Its Legacy *Remaking Transitional*

Justice in the United States James Edward Beitler III, 2012-11-09 Remaking Transitional Justice in the United States The Rhetoric of the Greensboro Truth and Reconciliation Commission explores rhetorical attempts to authorize the Greensboro Truth and Reconciliation Commission a grassroots U S based truth commission created in 2004 to redress past injustices in the city Through detailed rhetorical analyses the book demonstrates that the development of the field of transitional justice has given rise to a transnational rhetorical tradition that provides those working in the field with series of enabling constraints The book then shows how Greensboro stakeholders attempted to reaccentuate this rhetorical tradition in their rhetorical performances to construct authority and bring about justice even as the tradition shaped their discourse in ways that limited the scope of their responses Calling attention to the rhetorical interdependence among practitioners of transitional justice this study offers insights into the development of transitional justice in the United States and in grassroots contexts in other liberal democracies The volume is a relevant guide to scholars and practitioners of transitional justice as it brings into relief mechanisms of transitional justice that are frequently overlooked namely rhetorical mechanisms It also speaks to any readers who may be interested in the communicative strategies tactics that may be employed by grassroots transitional justice initiatives

Faith Communities and the Fight for Racial Justice Robert Wuthnow, 2023-11-14 The communities congregations and faith based coalitions that have been working for racial justice over the past fifty years Have progressive religious organizations been missing in action in recent struggles for racial justice In *Faith Communities and the Fight for Racial Justice* Robert Wuthnow shows that contrary to activists accusations of complacency Black and White faith leaders have fought steadily for racial and social justice since the end of the Civil Rights movement of the 1950s and 1960s Wuthnow introduces us to the communities congregations and faith based coalitions that have worked on fair housing school desegregation affirmative action criminal justice and other issues over many years Often overshadowed by the Religious Right these progressive faith based racial justice advocates kept up the fight even as media attention shifted elsewhere Wuthnow tells the stories of the faith based affordable housing project in St Louis that sparked controversy in the Nixon White House a pastor s lawsuit in North Carolina that launched the nation s first busing program for school desegregation the faith outreach initiative for Barack Obama s presidential campaign and church mobilized protests following the deaths of Trayvon Martin Freddie Gray and George Floyd Drawing on extensive materials from denominations journalists and social scientists Wuthnow offers a detailed and frank discussion of both the achievements and the limitations of faith leaders roles He focuses on different issues that emerged at different times tracing the efforts of Black and White faith leaders who sometimes worked cooperatively and more often tackled problems in complementary ways Taken together these stories provide lessons in what faith communities have done and how they can better advocate for racial justice in the years ahead

We are an African People Russell John Rickford, 2016 A history of black independent schools as the forge for black nationalism and a vanguard for black sovereignty in the 1960s and 70s

Postwar America James

Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history Postwar America An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes Love and Revolution in the Twentieth-Century Colonial and Postcolonial World

G. Arunima,Patricia Hayes,Premesh Lalu,2021-10-27 This book addresses emancipatory narratives from two main sites in the colonial world the Indian and southern African subcontinents Exploring how love and revolution interrelate this volume is unique in drawing on theories of affect to interrogate histories of the political thus linking love and revolution together The chapters engage with the affinities of those who live with their colonial pasts crises of expectations colonial national convulsions memories of anti colonial solidarity even shared radical libraries It calls attention to the specific and singular way in which notions of love of the world were born in a precise moment of anti colonial struggle a love of the world for which one would offer one s life and for which there had been little precedent in the history of earlier revolutions It thus offers new ways of understanding the shifts in global traditions of emancipation over two centuries **No Fascist**

USA! Hilary Moore,James Tracy,2020-02-27 The story of how a national grassroots network fought a resurgence of the KKK and other fascist groups during the Reagan years laying the groundwork for today s anti fascist anti racist movements Smash fascism Read this book Tom Morello songwriter and guitarist with Rage Against the Machine Studying the John Brown Anti Klan Committee will give readers an understanding of the complexity of deconstructing the weapon of white supremacy from the inside out Thank you Hilary and James for the precision of this analysis and the true north of this star adrienne maree brown author of Pleasure Activism and Emergent Strategy In June 1977 a group of white anti racist activists received an alarming letter from an inmate at a New York state prison calling for help to fight the Ku Klux Klan s efforts to recruit prison staff and influence the people incarcerated Their response was to form the first chapter of what would eventually become a powerful nationwide grassroots network the John Brown Anti Klan Committee dedicated to countering the rise of the KKK and other far right white nationalist groups No Fascist USA tells the story of that network whose efforts throughout the 1980s which included exposing white supremacists in public office confronting neo Nazis in street protests supporting movements for self determination and engagement with the underground punk scene laid the groundwork for many anti

racist efforts to emerge since Featuring original research interviews with former members and a trove of graphic materials their story offers battle tested lessons for those on the frontlines of social justice work today Praise for No Fascist USA Hilary Moore and James Tracy have written a magnificent book that not only corrects the record but helps explain the mercurial rise of white supremacist organizations in the 1970s how the Klan was temporarily defeated and why this period has been largely ignored No Fascist USA radically shifts our perspective challenging the prevailing wisdom that racist terrorism rises in response to economic downturns white downward mobility or in a vacuum created by progressive alternatives I love this book Robin D G Kelley from the foreword No Fascist USA is not only timely but also essential in the present period of accelerated white supremacist activity and anti racist organizing to combat it In telling the story of the John Brown Anti Klan Committee the authors without romanticizing or condemning draw important lessons from the fifteen year history of the group Roxanne Dunbar Ortiz author of Loaded A Disarming History of the Second Amendment With its savvy blend of youth culture and street confrontation the John Brown Anti Klan Committee tried to stop Trumpism before Trump They confronted the rise of white nationalism in prisons workplaces and music scenes when precious few paid attention to it Hilary Moore and James Tracy have gifted us with an urgent read Dan Berger author of Captive Nation Black Prison Organizing in the Civil Rights Era James Tracy and Hilary Moore deliver a searing bold new work that examines another painful and complicated chapter in American race relations In an eye opening account They are able to connect the dots of the John Brown Anti Klan Committee a band of contemporary predominantly white activists and its efforts to expose white supremacist organizations With a fresh eye and new research their book uncovers with stunning precision how these groups remain active and exposes some of their unlikely alliances Laurens Grant filmmaker The Black Panthers Vanguard of the Revolution and Freedom Riders We learned from history You can too Terry Bisson author of Fire on the Mountain and former member of the John Brown Anti Klan Committee This book is a must read for anyone wanting to understand the roots of what happened in Charlottesville and the burgeoning white nationalist membership lists in the U S today We cannot possibly take on the challenges we face without learning from the past This book is a necessary and long overdue contribution to inform the way forward Carla F Wallace co founder Showing Up for Racial Justice I ve waited thirty years for this book Our emergency hearts have always driven uprisings to stop white terrorism but it always takes more than black bloc tactics in the streets to stop fascists No Fascist USA firmly connects today s militant anti fascist street fighting movements with important living radical histories to disrupt the cycles that keep the spectre of fascism alive in the modern era The struggles faced by the John Brown Anti Klan Committee continue today in our difficult arc towards collective liberation scott crow author of Setting Sights Histories and Reflections on Community Armed Self Defense *Forthcoming Books* Rose Arny,2002

Eighteenth-Century Women's Writing and the 'Scandalous Memoir' Caroline Breashears,2017-02-06 This book contributes to the literary history of eighteenth century women s life writings particularly those labeled scandalous memoirs

It examines how the evolution of this subgenre was shaped partially by several innovative memoirs that have received only modest critical attention Breashears argues that Madame de La Touche's *Apologie* and her friend Lady Vane's *Memoirs* contributed to the crystallization of this sub genre at mid century and that Lady Vane's collaboration with Tobias Smollett in *The Adventures of Peregrine Pickle* resulted in a brilliant experiment in the relationship between gender and genre It demonstrates that the *Memoirs of Catherine Jemmat* incorporated influential new strategies for self justification in response to changing kinship priorities and that Margaret Coghlan's *Memoirs* introduced revolutionary themes that created a hybrid the political scandalous memoir This book will therefore appeal to scholars interested in life writing women's history genre theory and eighteenth century British literature **The Party** Barry Sheppard, 2005 **Poets of the Chinese Revolution** Gregor Benton, Feng Chongyi, 2019-07-16 How poetry and revolution meshed in Red China The Chinese Revolution which fought its way to power seventy years ago was a complex and protracted event in which groups and individuals with different hopes and expectations for the Revolution competed although in the end Mao came to rule over the others Its veterans included many poets four of whom feature in this anthology All wrote in the classical style but their poetry was no less diverse than their politics Chen Duxiu led China's early cultural awakening before founding the Communist Party in 1921 Mao led the Party to power in 1949 Zheng Chaolin Chen Duxiu's disciple and like him a convert to Trotskyism spent thirty four years in jail first under the Nationalists and then under their Maoist nemeses The guerrilla leader Chen Yi wrote flamboyant and descriptive poems in mountain bivouacs or the heat of battle Poetry has played a different role in China and in Chinese Revolution from in the West it is collective and collaborative But in life the four poets in this collection were entangled in opposition and even bitter hostility towards one another Together the four poets illustrate the complicated relationship between Communist revolution and Chinese cultural tradition The International Who's who, 1962

Revolution and Its Narratives Xiang Cai, 2016-02-04 Published in China in 2010 *Revolution and Its Narratives* is a historical literary and critical account of the cultural production of the narratives of China's socialist revolution Through theoretical empirical and textual analysis of major and minor novels dramas short stories and cinema Cai Xiang offers a complex study that exceeds the narrow confines of existing views of socialist aesthetics By engaging with the relationship among culture history and politics in the context of the revolutionary transformation of Chinese society and arts Cai illuminates the utopian promise as well as the ultimate impossibility of socialist cultural production Translated annotated and edited by Rebecca E Karl and Xueping Zhong this translation presents Cai's influential work to English language readers for the first time

Love And Revolution A Political Memoir: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Love And Revolution A Political Memoir : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Love And Revolution A Political Memoir : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
