Worthington, Jr.,2013-05-13 To be unforgiving is harmful The inability to come to terms with one's anger or strife often can lead to stress disorders mental health disorders and relationship problems Forgiveness is a personal decision Forgiveness and Reconciliation focuses on individual experiences with forgiveness aiming to create a theory of what forgiveness is and connect it to a clinical theory of how to promote forgiveness Dr Worthington creates an evidence based approach that is applicable for individuals and relationships and even for society He also describes an evidence based method of reconciliation restoring trust in damaged relationships Dr Worthington hopes that this theory will inform scientific research and improve intervention strategies Showing that forgiveness transforms personality Worthington describes ways a clinician can promote but not force forgiveness of others and self He provides research based theory and applications and discusses the role of emotion and specific personality traits as related to forgiveness Forgiveness and reconciliation might not be cures but as Worthington shows they are tools for transforming both the self and the world The Man You Always Wanted Is the One You Already Have Paula Friedrichsen,2009-01-21 Hubba Hubba Check Out Your Hubby He's predictable proverbial and prone to leaving his dirty clothes in a pile beside the laundry basket He's the big lug lying next to you every night and believe it or not he is your Prince Charming But what happens when a man other than your husband begins looking and sounding more appealing Transform your marriage with the realization that the man you always wanted is the one you already have Striking biblical insights combined with Paula Friedrichsen's candid revelations about the inappropriate relationship that nearly destroyed her marriage will help you see that no man compares to the one you already have Discover how to embrace the differences between you and your spouse revel in the freedom of forgiveness and draw near to the only Source of lasting fulfillment Story Behind the Book Twelve years ago I became romantically though thankfully not sexually involved with my then pastor This resulted in the church's devastation and a great deal of harm to both of our marriages But God used the difficult lessons I learned during that arduous time to reshape my thinking about marriage and to plainly show me that the man I always wanted was the one I already had By using my own story of failure and forgiveness as a backdrop this book illustrates how our heart's desire is often found no further then the big lug lying next to us in bed each night Paula Friedrichsen *7 Keys to Lifelong Sexual Vitality* Brian R.
