

*You shall **love the Lord** your God  
with all your heart,  
and with all your soul,  
and with all your strength,  
and with all your mind;  
and your neighbor as yourself.*

*Leviticus 10:27 (NASB95)*

# Love Commands In The New Testament

**James D. G. Dunn**

## **Love Commands In The New Testament:**

Love Commands in the New Testament Pheme Perkins,1982-01-01      A Theology of the New Testament George Eldon Ladd,1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

**The Love Command in the New Testament** Victor Paul Furnish,1972      *The New Testament and Bioethics* R. Dennis Macaleer,2014-01-01 Beauchamp and Childress's Principles of Biomedical Ethics is a well accepted approach to contemporary bioethics Those principles are based on what Beauchamp and Childress call the common morality This book employs New Testament theological themes to enhance the meaning of those principles of bioethics The primary New Testament text for this study is the twin commands from Jesus to love God and love one's neighbor The three theological themes developed from this study the image of God the covenant and the pursuit of healing are deeply embedded in the New Testament and in the ministry of Jesus Three contemporary bioethics principles are used for this dissertation based on The Belmont Report They are the principles of respect for persons justice and beneficence In each case the theological themes are shown to enhance the meaning of these bioethics principles Each of the three principles as understood through the three theological themes is applied to a current bioethics issue to demonstrate the efficacy of this approach The three current issues addressed are the withdrawal or withholding of life sustaining treatment the distribution of health care in the United States and the use of palliative care      *The New Testament and Ethics* Joel B. Green,2013-12-03 This convenient text utilizes material from the well received Dictionary of Scripture and Ethics to introduce students to the use of the New Testament for moral formation This handy and affordable book by book survey of the New Testament contains key articles written by leading scholars and targeted to the needs of the classroom It will serve as an excellent supplementary text in New Testament courses The stellar list of contributors includes Robert Brawley Bruce Chilton Charles Cosgrove David deSilva Victor Paul Furnish and Glen Harold Stassen      Mapping the New Testament Serge Ruzer,2007 This volume consists of eight chapters dealing with a selected topic in New Testament biblical interpretation its inherited elements and its relevance for better understanding of wider Jewish exegetical trends      Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall,1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels      *The Gospel of Mark* John R. Donahue, Daniel J. Harrington,2005 In The Gospel of Mark Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism intratextuality and intertextuality This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character its setting in life and its distinctive approaches to the Old Testament Jesus and early Christian theology Intratextuality means we read Mark as Mark and by Mark Such a reading expresses

interest in the final form of the Gospel not its source or literary history and in its words and images literary devices literary forms structures characterization and plot Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts e g archaeological data Intertextuality is used to note the links of the text of Mark s Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today

1 Peter Donald Senior, Daniel J. Harrington, 2003 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church s golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter s name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological Vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press

**Love and Christian Ethics** Frederick V. Simmons, 2016-12-15 At the heart of Christian ethics is the biblical commandment to love God

and to love one's neighbor as oneself. But what is the meaning of love? Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm. In *Love and Christian Ethics*, nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives. Chapters are organized into three areas: influential sources and exponents of Western Christian thought about the ethical significance of love; perennial theoretical questions attending that consideration and the implications of Christian love for important social realities; Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith. William Werpehowski provides an afterword on future trajectories for this research. *Love and Christian Ethics* is sure to become a benchmark resource in the field. Historical Dictionary of Jesus Daniel J. Harrington, SJ, 2010-08-06 Jesus of Nazareth is arguably the most famous and influential human being who has ever lived on earth. In the *Historical Dictionary of Jesus*, author Daniel J. Harrington delves into the ancient literary sources about Jesus, modern methods of approaching these sources, the major events in Jesus' life, persons and places associated with him, the form and content of his teachings, what can be said about his death and the claim that he was raised from the dead, and the contributions of major modern scholars to the quest of the historical Jesus. The book consists of three parts: an introduction to the major topics pertaining to Jesus as a historical figure; a cross-referenced dictionary containing 400 entries on a range of topics including things Jesus did and said; ancient sources of historical data and modern scholarship and interpretation; and a bibliography listing some of the most important books related to Jesus and the world in which he lived. This concise and objective reference work provides a clear and accurate introduction to the study of Jesus as a historical figure.

**Commentary on the New Testament Use of the Old Testament** G. K. Beale, D. A. Carson, 2007-11-01 Christianity Today 2008 Award of Merit Biblical Studies Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries. **Kingdom Ethics, 2nd ed.** David P. Gushee, Glen H. Stassen, 2016-07-06 *Kingdom Ethics* is arguably the most significant and comprehensive Christian ethics textbook of our time. Michelle A. Clifton Soderstrom, North Park Theological Seminary, Christian churches across the spectrum, and Christian ethics as an academic discipline are often guilty of evading what Jesus actually said about moral life, focusing instead on other biblical texts or traditions. This evasion of Jesus has seriously malformed Christian moral witness, which Jesus said is tested by whether we put his words into practice. David

Gushee and Glen Stassen's *Kingdom Ethics* is the leading Christian introductory ethics textbook for the twenty first century. Solidly rooted in Scripture and uniquely focusing on Jesus's teachings in the Sermon on the Mount, the book has offered students, pastors, and other readers a comprehensive and challenging framework for Christian ethical thought. Writing to recenter Christian ethics in Jesus Christ, Gushee and Stassen focus on the meaning of the Kingdom of God, perennial themes of moral authority and moral norms, and all the issues raised by the Sermon on the Mount, such as life and death, sexual and gender ethics, love and justice, truth telling, and politics. This second edition of *Kingdom Ethics* is substantially revised by Gushee and features enhanced and updated treatments of all major contemporary ethical issues, including updated data and examples, a more global perspective, gender inclusive language, a clearer focus on methodology, discussion questions for every chapter, and a detailed new glossary. *Kingdom Ethics* is for readers anywhere wanting a robust, comprehensive understanding of Christian ethics that is founded on the concrete teachings of Jesus and will equip them for further exploration into the field.

Global Voices Craig Keener, M. Daniel Carroll R, 2022-05-03. Ethically and nationally diverse scholars familiar with both non-western and Western hermeneutic traditions explore what it means to hear, heed, and appreciate biblical interpretations from the non-western world in this illuminating collection of writings. Ten voices emanate from across the globe, from Sri Lanka to Africa, Guatemala to Canada, and Hong Kong to the United States, including M. Daniel Carroll, Rodas David A. deSilva, Barbara M. Leung, Lai J. Ayodeji, Adewuya Grant, LeMarquand Nijay, Gupta Chloe, Sun K. K. Yeo, Daniel K. Darko, Oswaldo Padilla.

Four Portraits, One Jesus Mark L. Strauss, 2011-03-01. To Christians worldwide, the man Jesus of Nazareth is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. *Four Portraits, One Jesus* is a thorough yet accessible introduction to these documents and their subject: the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books, first addressing their nature, origin, methods for study, and historical, religious, and cultural backgrounds. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. *New Testament Ethics* Frank J. Matera, 1996-01-01. Neither Jesus nor Paul developed a formal ethical system, yet each left a moral legacy that forms the core of New Testament ethics. In this book, Frank Matera examines the ethic found in the teachings of Jesus and Paul. He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both.

**Pluriform Love** Thomas Jay Oord, 2022-02-25. A masterpiece from the preeminent theologian of love. A strong case can be made that love is the core of Christian faith. And yet, Christians often fail to give love center stage in

biblical studies and theology And most fail to explain what they mean by love Why is this Thomas Jay Oord explores this question and offers ground breaking answers Oord addresses leading Christian thinkers today and of yesteryear He explains biblical forms of love such as agape philia hesed and ahavah We should understand love s meaning as uniform he says but its expressions are pluriform Widely regarded as the world s foremost theologian of love Thomas Jay Oord tackles our biggest puzzles about the nature and meaning of love divine and creaturely His proposals are novel They align with love described in scripture and expressed in everyday experience Oord also provides radical and yet persuasive answers to questions about evil hell the Big Bang divine violence divine abandonment and more Pluriform Love changes the landscape of Christian love studies What they re saying Thomas Jay Oord is the first to systematically clarify a variety of types of love and show that all are characteristic of God This is an original contribution to theology Though a complex task Oord writes in an accessible and attractive way John B Cobb Jr Cobb Institute Author of Salvation Jesus s Mission and Ours Christian theology in the years to come will need a facelift a true restoration of the biblical witness to the centrality of God s love If we wish to help make the faith truly relatable to our world today Oord s clear compassionate and compelling voice is one we will be thankful for Peter Enns Eastern University and Co host of The Bible for Normal People Thomas Jay Oord adds to his proposals on open and relational theology developing a theology of love which is both uniform in meaning and pluriform according to situation and recipients The volume is indispensable for those researching the nature of love Paul Fiddes University of Oxford The glowing multiform forcefield of love embraces every sentence of Pluriform Love Free of sentimentality and pretense refusing to pit eros and agape against each other it unfolds a full scale theology This amorous vision will attract a wide readership Catherine Keller Drew University Author of Facing Apocalypse Thomas Oord is a global leader exploring the primacy of love within Christian thought and practice In this book he presents a theology of love in a loving way When he grapples with the Scriptures he shows an attitude of fairness His writing style combines scholarly depth with accessible simplicity In the end Oord makes a radical claim much of traditional Christian theology cannot take love as seriously as it must Love must revolutionize Christian theology and Oord explains how Brian D McLaren Author of Do I Stay Christian This is a rigorous provocative creative and very readable account of the meaning of love especially divine love It s a very important contribution to theological thought on this central topic Keith Ward University of Oxford

The Great Sermon Tradition as a Fiscal Framework in 1 Corinthians Christopher L. Carter, 2010-02-03 What is Paul s theology of material possessions and where did it come from Through demonstrating continuity in the broad fiscal thought of Jesus and Paul Carter suggests that Paul owes his financial thought to the great sermon tradition Carter establishes this by assessing Paul s historical environment and extant writings to display the plausibility that Paul knew the dominical tradition Carter goes on to assess the likelihood that Paul knew the pre synoptic sermon tradition because of its ubiquity in early church discipleship The study finishes with the conclusion that Jesus and Paul s financial thought displays remarkable symmetry which cannot be explained

merely by a common cultural environment Consequently it is deemed highly likely that Paul depends on the dominical tradition for the contours of his financial thought **Children of a Compassionate God** L. John Topel, 2001 Luke 1 6 16 forms the literary context for the Sermon on the Plain This context grounds Jesus teaching authority as the Son of God The beatitudes and woes 6 20 26 establish a revolutionary vision of the authentic human life The love commandment is grounded in two general ethical principles the Golden Rule 6 31 as a maxim of general altruism and the imitatio Dei 6 36 making human conduct respond to the deepest human desires intimated in the Rule Consequently Christian disciples are to avoid hostile judgment as their master did one can judge truly only by examining the fruits one produces These commands which carry human authenticity beyond its limits are the only way to avoid total destruction **Getting to Know the New Testament** Stephen H. Travis, 2003 Many people today are discovering in the Bible the message which brings them closer to Christ the giver of life in all its fullness But do they really understand what they are reading In writing this book Stephen Travis has tried to imagine people getting involved in Bible reading groups perhaps for the first time and sets out what he would want to share with them if they were generous enough to give him nine or ten weekly sessions to explain how the New Testament may be approached There are difficulties in understanding most books especially an ancient book such as the New Testament but rather than concentrate on the difficulties to be overcome before starting the author offers straightforward encouragement to those who want to learn directly by reading the New Testament itself He tackles such questions as understanding the Gospels and Epistles and the relevance of the New Testament to Christian belief spirituality and behaviour At the end of the book are suggestions about basic helps to Bible study STEPHEN H TRAVIS is Vice Principal of St John s College in Nottingham England His other books include Christ Will Come Again and The Bible in Time

## **Love Commands In The New Testament** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be much more evident than ever. They have the ability to inspire, provoke, and ignite change.
