conflicts meet in the production and reception of fiction She argues that Nigerian readers and writers form a reading class that unabashedly believes in progress rationality and the slow but inevitable rise of a reading culture But they do so within a society that does not support their assumptions and does not trust literature making them modernists in a country that is simultaneously premodern and postmodern Without privacy reliable electricity political freedom or even social toleration of bookworms these Nigerians write and read political satires formula romances war stories complex gender fiction blood and sex crime capers nostalgic portraits of village life and profound explorations of how decent people get by amid urban chaos Bearing Witness is an inventive and moving work of cultural sociology that may be the most comprehensive sociological analysis of a literary system ever written Choices of Love 3 Series Including 6 Novels Kelsey MacBride, 2022-10-01 Do you believe true love can overcome evil How about the powers of unconditional love to heal a wounded heart Can second chance love blossom during a life threatening crisis Can true love conquer all odds If you want a collection of touching and riveting Christian romance stories that will warm your soul you ll want to get your copy of this Clean Romance novel collection 6 Uplifting and Heartwarming Stories Under One Cover from Reader Favorite Kelsey MacBride The Inspiration Point Series Julie Petersen leaves her hometown and meets Mark a handsome man who touches her heart with his helpfulness and concern for her well being But before their relationship can blossom disaster strikes when her controlling fianc tracks her down and changes the course of her life Julie suddenly goes missing and now Mark must figure out a way to rescue her from her crazy fianc who has kidnapped her Can he rescue Julie in time and profess his love for her Glen Ellen Series Kevin Pierce is an ER doctor whose life crumbles when he fails to save Rachel a girl who resembles his late niece who also lost her life while he was behind the wheel He leaves LA for a small town by the ocean hoping to rebuild his life But a surprising twist develops when he meets Stephanie Rachel's mother in that town She proposes that they work together to help each other heal But will he accept her help and forge an unlikely relationship that may lead to true Christian romance Grand Bay Series Tracy Moore must endure one of her life s greatest challenges when participating with her ex fianc Paul at her sister's wedding But fate puts their relationship to the test when she and Paul are injured in a disastrous car accident and Paul must abandon Tracy with her critical injuries to find help Can Paul find lifesaving help for Tracy in time so they can have a second chance at love If you want to read hours of heartwarming Christian clean wholesome romance stories you ll want to get your copy of Choices of Love today **The Swahili Novel** Xavier Garnier, 2013 For more than fifty years a dynamic modern literature has been developing in the Kiswahili language The political weight that Kiswahili carries as the emerging national and pan national language of many East African countries places this literature much of it in the form of novels at the centre of heated literary debates on the social function of literature in the context of rapid global social change Garnier provides new insights into the Swahili novel form with all its vibrancy and capacity for experimentation Its obsession with social issues relates to larger all pervasive political debates running through East Africa in its press its streets its public

and private places The novels both record and provoke these debates Based on the study of more than 175 Swahili novels by almost 100 authors Garnier brings to light a body of work much neglected by African literary critics but which looks outwards to the wider world Xavier Garnier teaches African Literature at the Universit Paris 3 Sorbonne Nouvelle and is former director of the Centre d Etudes des Nouveaux Espaces Litt raires Universit Paris 13 Phenomenologies of the City Henriette Steiner, Maximilian Sternberg, 2016-03-09 Phenomenologies of the City Studies in the History and Philosophy of Architecture brings architecture and urbanism into dialogue with phenomenology Phenomenology has informed debate about the city from social sciences to cultural studies Within architecture however phenomenological inquiry has been neglecting the guestion of the city Addressing this lacuna this book suggests that the city presents not only the richest but also the politically most urgent horizon of reference for philosophical reflection on the cultural and ethical dimensions of architecture The contributors to this volume are architects and scholars of urbanism Some have backgrounds in literature history religious studies and art history The book features 16 chapters by younger scholars as well as established thinkers including Peter Carl David Leatherbarrow Alberto P rez Gomez Wendy Pullan and Dalibor Vesely Rather than developing a single theoretical statement the book addresses architecture s relationship with the city in a wide range of historical and contemporary contexts The chapters trace hidden genealogies and explore the ruptures as much as the persistence of recurrent cultural motifs Together these interconnected phenomenologies of the city raise simple but fundamental questions What is the city for how is it ordered and how can it be understood The book does not advocate a return to a naive sense of unity or order Rather it investigates how architecture can generate meaning and forge as well as contest social and cultural The Novel: An Alternative History Steven Moore, 2013-09-17 Encyclopedic in scope and heroically representations audacious The Novel An Alternative History is the first attempt in over a century to tell the complete story of our most popular literary form Contrary to conventional wisdom the novel did not originate in 18th century England nor even with Don Quixote but is coeval with civilization itself After a pugnacious introduction in which Moore defends innovative demanding novelists against their conservative critics the book relaxes into a world tour of the pre modern novel beginning in ancient Egypt and ending in 16th century China with many exotic ports of call Greek romances Roman satires medieval Sanskrit novels narrated by parrots Byzantine erotic thrillers 5000 page Arabian adventure novels Icelandic sagas delicate Persian novels in verse Japanese war stories even Mayan graphic novels Throughout Moore celebrates the innovators in fiction tracing a continuum between these pre modern experimentalists and their postmodern progeny Irreverent iconoclastic informative entertaining The Novel An Alternative History is a landmark in literary criticism that will encourage readers to Love & Passion Through The Ages (Historical Novels Boxed-Set) Charlotte Brontë, Anne rethink the novel Brontë, Emily Brontë, Henry James, Samuel Richardson, Jane Austen, Guy de Maupassant, Thomas Hardy, Bernardin de Saint-Pierre, Edith Wharton, Maria Edgeworth, Henry Fielding, Anthony Trollope, Alexandre Dumas, Mary Wollstonecraft, Louis
