Love In The Moon Magma:

A Beast's Love Is Like the Moon Guri Nojima, 2024-01-22 Tired of the fast paced city life Izumi has agreed to take care of his uncle's house in the mountains which are said to be visited by yokai Izumi dismissive of the superstition goes exploring only to be attacked by a yokai in the woods He is saved by a beautiful man named Haku who claims to be the incarnation of a komatani guardian dog He pledges himself to Izumi and begs him to be his master Izumi refuses at first wanting to return to the city as quickly as possible but is swayed by Haku's lonely eyes and brings him back to the house Gradually he falls into a comfortable rhythm with the pushy but devoted Haku while living under the same roof and Izumi wonders if he really wants to return to the city as he thought However Haku harbors a secret that could put Izumi's life at risk Will Izumi and Haku come together in the end or will Haku succumb to the loneliness that he is held at bay for centuries NOTE This book contains mature themes and explicit sexual content including situations involving dubious consent It is not intended for anyone under 18 years of age Our two leads understand what they're missing out on in life and finding it in each other was cute I also credit the narrative for how it wraps up the story threads by the end When we finally reached that point I was admittedly emotional MrAJCosplay Are you attracted to the idea of a man who you so enamored that he can't control himself A love interest who is more beast than man So strong and mysterious that he might even be dangerous That's what A Beast's Love Is Like the Moon has to offer a supernatural romance with Twilight vibes where the love interest is an ancient and unknowable creature who perplexingly wants nothing more than the first young ingenue to show up at his doorstep Lauren Orsini

Those who know quite a lot about Japan already will find their understanding enhanced by the way the book analyzes the nuances of Tokyo's history and Japanese society. The topics addressed range widely across various artists and art styles, media, methodology, and theory; reception of manga and anime in different cultural markets; and fan behavior. Specific subjects covered include sexually explicit manga drawn and read by women; the roots of manga in Japanese and world film; the complexity of fan activities including cosplay; fan-drawn manga; and fans' highly specific predilections: right-wing manga and manga about Hiroshima and despair following World War II. The book closes with an examination of the international appeal of manga and anime.
