Love Is An Open Door Reena Doss, Timi Jolaoso, 2020-05-17 Ever felt like no matter how much we love someone and try our best to please them we always seem inclined to mess or screw things up without meaning to Quite often we forget that love is expressed in many ways and not in the way we ourselves express it This leads to frequent misunderstanding arguments unnecessary pride and feelings of rejection Love in any relationship we learn through experience is not an easy road to maintain unless we give it free reign to manifest itself on a daily basis In this collaboration co authors Timi Jolaoso and Reena Doss explore love s true nature and how it is expressed within the dynamics of a relationship The act of surrender trust and patience in the face of past experiences can be a daunting and terrifying place to put yourself through For though the rewards can be incredibly high the loss can cut deeper than a knife if love is found to be misplaced However if love is found first in the nectar of God s grace love in a relationship transforms into a supernatural gift where fear no longer plays a dominant role Love gets refined and becomes purer in its ability to be more giving rather than self serving Find out what happens to this couple as they struggle to hold on to their independence yet learn to die to themselves in order to seal a deeper love granted to them by Heaven s open door Love

A Forbidden Love Reena Doss,Linda Lokhee ,2020-05-13 sn t it strange how difficult it is to acknowledge how real an office romance can be and how it can affect the most hardened of hearts For though it is studiously ignored this most commonplace romance finds a way to just be whether the ending is successful or not After all spending hours and hours working in proximity with people who share similar goals passions and dreams together can easily develop into healthy or toxic relationships Hate Lust or Love are often the unintentional consequences of such entanglements In this humorous duo collaboration A FORBIDDEN LOVE authors Linda Lokhee and Reena Doss explore the possibilities of an office romance They unmask the cool surface of dormant feelings that have built up over time between a boss and his secretary Behind those workaholic days and nights the couple find it hard to ignore their carefully sealed fates Will they make it through societal expectations as well as their own fears about the future Ink Gladiators Press is proud to present our first chapbook publication to you all A Forbidden Love A duo poetic collaboration exploring the stigma of an office romance
