## Love Life:

**Jesus Christ for Today's World** Jürgen Moltmann, Margaret Kohl, 1995-08-21 Jürgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the future in which God will restore everything and gather everything into his kingdom. Urging that acknowledgment of Christ and discipleship are two sides of the same coin, Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured and the resurrection of Christ as hope for the world, the cosmic Christ, Jesus in Jewish Christian dialogue, the future of God and others.

**A Better Side of Me** Miss T.L.C., 2017-02-10 I believe we all have had these thoughts once or twice in our life. Some of us may feel we are cursed and were just left on this earth as someone's cruel joke to manipulate and hurt. I'm sure that some of us may even be hurting due to circumstances from someone we love and trusted to care for us. Whatever your thoughts and questions are, there is an answer for it. We may not always understand at the time, but everything happens for a reason. Timing is everything, and remember, above all, some are sicker than others. We are not all with healthy thoughts or feelings; some people carry some pretty heavy stuff around with them as they try to get through their daily life. Some of us carry our parents' issues as well as our own. This allows us to be bullied and picked on. Some of us are desperate; some of us are just confused on what we should do. No matter what we say out loud or the actions we take, the mistakes we make or carry for another will never be hidden. We show all our feelings in our actions as well as expressions. We should never allow ourself to feel like we don't belong, we don't fit in, or we are not loved. This is our brain giving us false information because of a feeling or thought and sights we are producing. This, my friends, is an unhealthy STATE OF MIND. Having this will lead us to destruction, lead us to believing anything about us. We are no good; we don't deserve love; we are no good to anyone. I hate me, I hate my life; no one cares, no one will miss me. What difference will it make if I'm here or not?

**Climbing the Blue Mountain** Eknath Easwaran, 2022-01-04 Sixteen lively essays illuminate different aspects of the spiritual journey. The introduction presents the author as a travel agent on a journey to the spiritual world within us. The essays are metaphorical travel brochures, invitations to take the plunge into self-discovery through the adventure of meditation. Edited from his extemporaneous talks, this inspiring collection of essays gives the flavor of hearing this great spiritual teacher and storyteller in person. Easwaran successfully combines his Eastern and Western wisdom, which includes a thorough knowledge of English literature, into an eight-point program usable by followers of all religious traditions.

mean to his century Is he dramatist symbolist idealist optimist pessimist poet or realist Or is he a destructive a corroding force Has he constructive gifts aside from his technical genius He has been called an anarchic preacher He has been described as a debaser of the moral coin He has been ranged far from the angels and his very poetic gifts have been challenged Yet the surface pessimism of his plays conceals a mighty belief in the ultimate goodness of mankind Realist as he is his dramas are shot through with a highly imaginative symbolism A Pegasus was killed early under him as Georg Brandes says but there remains a rich remnant of poesy And may there not be deduced from his complete compositions a constructive philosophy that makes for the ennoblement of his fellow beings Ibsen is a reflective poet one to whom the idea presents itself before the picture with Shakespeare and Goethe the idea and form were simultaneously born His art is great and varied yet it is never exercised as a sheer play of form or colour or wit A Romantic originally he pays the tax to Beauty by his vivid symbolism and his rare formal perfections And a Romantic is always a revolutionist Embittered in youth proud self contained reticent he waged war with life for over a half century fought for his artistic ideals as did Richard Wagner and like Wagner he has swept the younger generation along with him He the greatest moral artist of his century Tolstoy not excepted was reviled for what he had not said or done so difficult was it to apprehend his new elusive method A polemist he is as were Byron and Shelley Tolstoy and Dickens Turgenev and Dosto evsky To be continue in this ebook
