**Opening Your Heart for Change** Tajuana Grandison-Henderson, 2012-06-04 We all go through different trials in this life but thank God this is not our final destination God wants us to open our hearts to the things of His Kingdom Once we open our hearts and allow God to do a new work in us we will become great in the Kingdom of God Once we open our hearts change will take place deliverance can take place sin can be overcome in our life and God's principles and His way of doing things will come forth out of our spirit That is when the Kingdom of God can be lifted up and we can begin to let go of sin and walk in our deliverance right into the KINGDOM OF GOD Open Your Heart to Nature and Beyond Dr. Linda N.

Cameron, 2021-09-09 Open Your Heart to Nature and Beyond maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God's presence Like a computer delete key the activity of forgiveness allows us to let go physically emotionally and mentally until we join Universal Being This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as defined in quantum physics The Zero Energy Field is defined as the activity of subatomic particles such as photons electrons and other quantum particles in space at temperatures of absolute zero Research indicates that humans can affect this field with pray which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons neutrons and protons forming something in the world and in our minds and thereby causing them to disorganize them and return to the Zero Energy Field The human activity of forgiving or letting things thoughts and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field 'The Riddle of the Sophia' and Other Essays John O'Meara, 2020-11-02 The following collection of essays could have had as a subtitle Towards a New Sophiology Apart from the final essay Valentin Tomberg and Dostoevski all the other essays appeared in this same order as articles in the Starlight Journal of the Sophia Foundation of North America over the years 2014 2019 The production of these articles took place during the period that immediately followed the publication of O Meara's book The Way of Novalis and should be seen as an outgrowth from the Sophianic direction of that book In these essays slightly expanded from the articles O Meara elaborates on the Sophianic mission of the Foundation with reference to the main Master Individualities to whom the Foundation has linked itself notably Rudolf Steiner Valentin Tomberg Novalis Friedrich von Hardenberg as well as the Master Peter Deunov However other well known individuals are also considered in some depth including Vladimir Solovyov Pavel Florensky Sergius Bulgakov Fyodor Dostoevski Carl Jung as well as some of the Master artists of the Renaissance most notably Michelangelo and da Vinci Estelle

Isaacson and Ita Wegman also assume a significant role in this collection      **The Ministry of Beauty** Stanton Davis Kirkham,1907 The Ministry of Beauty by Stanton Davis Kirkham first published in 1907 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it      **Twelve Doorways of Light: a Portal to Your God-Self** Sarah Jeane,2013-07-17 Twelve Doorways of Light conveys Divine messages awakening our Heart to embrace Love Unity Consciousness from Awareness and Peace Born from a personal spiritual journey these messages guide you through a portal of light the Stargate of your heart to an experience of your God Self inviting you to embrace with joy the sacredness in all of life From that place your true purpose is revealed and divine creativity flows boundlessly This book is for you if you are looking to develop your creative gifts in joy and sacredness listening to the voice of love in your heart inviting the love of God to lead your path to be of service This creative work is in furtherance of a journey in unity consciousness as a contribution to peace and harmony
