Love out of Control Kathleen Phillips,2025-02-25 As any parent will note raising a child

doesn't come with an instruction manual. The illusion is that after the hard work of guiding the first eighteen years of your child's life, you'll box up all concern and hand it off to the next batch of new parents. Your child, you believe, will have entered a successful carefree adulthood and you can kiss worry goodbye. That's rarely reality. What's more, you realize there's no instruction manual for transforming into the parent of a grown child either. Almost instantly, you have no control over your adult children. Yet you continue to worry, offer unsolicited advice, and/or wish to stay more connected than allowed. The relationship becomes more confusing than ever. Parenting is an ancient task for which few of the norms and expectations have changed throughout the centuries. In *Love Out of Control*, author Kathleen Phillips examines the lives of characters in the Gospels, then takes a step back to consider how gospel-era parents might have reacted to their grown child's actions and adventures. The narratives are told as if the gospel-era parent is discussing a situation with their spiritual director, seeking God amid their concern. You're invited to read the gospel parent's tale, then use three questions at the end to examine how it relates to your current situation. By relating to other parents' stories and considering one's own, may there be peace, comfort, and hope.

Love Out of Order Nicole Green, 2011-09-01 When Denise Rich shares her evidence book with John Archer, she makes her first in a long series of mistakes that might lead to the destruction of her carefully created life. She doesn't want confusion or a relationship or her silly high school crush on John. All of those things are too complicated for a second-year law student just trying to live a successful life free of the pain love brings. John isn't looking to fall in love either. He's already got the girlfriend he's supposed to have, and everybody wants him to have everybody but himself. That is, both of them are living unfulfilled lives glossed over with a veneer of fake smiles and forced happiness. But once they realize they can no longer deny their attraction to each other, the smiles and happiness become sincere. Until John's vengeful, now ex-girlfriend starts her campaign to ruin Denise's life.

Hard for Fierce Woman to Keep Love out Ruo Yousuoshi, 2020-01-16 Sitting upright on her highest throne, she gazed at the entire world. The one who follows the rules, the one who defends the rules, dies. In front of others, she was the Overlord of Martial Arts; she was bloodthirsty and cruel. Just hearing her name made Wen Feng tremble in fear. However, she was a gentle and gentle little woman behind him. Her graceful figure made all the men think of her elegantly. She was an existence of a rare treasure. She was always habitually and affectionately hooked up.

Love Out Loud Marissa Clarke, 2022-06-06 A deliciously fun, flirty rom-com where love doesn't happen by opening a door; it happens when you get stuck in one. Veterinarian Fiona Nichols does not do well in stressful social situations. A little babble here saying the absolutely wrong thing there. But that doesn't stop Fiona from checking out the delectably hot guy in her building from afar. Fate apparently has a nasty sense of humor, though. Somehow Fiona gets herself and Hot Guy stuck in the building's

revolving door all thanks to a certain squeaky dog toy that unfortunately looks decidedly uh penile Must be time to meet the neighbors Turns out that Jake Ward is Fiona s new public speaking coach A hot extrovert who always knows what to say Fiona should hate the man on sight Instead she s only finding him more attractive And now she s finally getting out of her comfort zone only to get in over her head Chicano Nations Marissa K. López,2011-10 This book argues that the transnationalism that is central to Chicano identity originated in the global postcolonial moment at the turn of the nineteenth century rather than as an effect of contemporary economic conditions which began in the mid nineteenth century and primarily affected the laboring classes The Spanish empire then began to implode and colonists in the new world debated the national contours of the viceroyalties This is where the author locates the origins of Chicano literature which is now and always has been postnational encompassing the wealthy the poor the white and the mestizo Decisions and Orders of the National Labor Relations Board United States.
