**Seeking Jordan** Matthew McKay, PhD, 2016-02-15 If you have lost someone you deeply love or have become strongly aware of your mortality it's hard to avoid wondering about life after death the existence of God notions of heaven and hell and why we are here in the first place The murder of Matthew McKay's son Jordan sent him on a journey in search of ways to communicate with his son despite fears and uncertainty Here he recounts his efforts including past life and between lives hypnotic regressions a technique called induced after death communication channeled writing and more McKay a psychologist and researcher

ultimately learned how to reach his son In this book he provides extraordinary revelations direct from Jordan about the soul s life after death how karma works why we incarnate why there is so much pain in the world the single force that connects us and our future as souls Unlike many books about after death communication near death experiences and past life memories this is a book for those who do not believe yet yearn to know what happens after death In addition to being riveting reading Seeking Jordan is a unique heart soul and mind stirring reflection on the issues each of us will ultimately face Tightrope Simon Mawer,2015-11-03 From the author of the best selling and Booker Prize shortlisted The Glass Room and Trapeze An historical thriller that brings back Marian Sutro ex Special Operations agent and traces her romantic and political exploits in post World War II London where the Cold War is about to reshape old loyalties As Allied forces close in on Berlin in spring 1945 a solitary figure emerges from the wreckage that is Germany It is Marian Sutro whose existence was last known to her British controllers in autumn 1943 in Paris One of a handful of surviving agents of the Special Operations Executive she has withstood arrest interrogation incarceration and the horrors of Ravensbr ck concentration camp but at what cost Returned to an England she barely knows and a postwar world she doesn t understand Marian searches for something on which to ground the rest of her life Family and friends surround her but she is haunted by her experiences and by the guilt of knowing that her contribution to the war effort helped lead to the monstrosities of Hiroshima and Nagasaki When the mysterious Major Fawley the man who hijacked her wartime mission to Paris emerges from the shadows to draw her into the ambiguities and uncertainties of the Cold War she sees a way to make amends for the past and at the same time to find the identity that has never been hers A novel of divided loyalties and mixed motives Tightrope is the complex and enigmatic story of a woman whose search for personal identity and fulfillment leads her to shocking choices Love's Final Victory Horatio,2022-09-16 In Love s Final Victory Horatio presents a compelling theological exploration articulating a vision of ultimate universal salvation predicated on the pillars of scripture and reason Crafted with impactful literary prowess the work wades into the depth of salvific discourse draped in a veneer of eloquent expression that is characteristic of Horatio s style It sits within the broader context of Christian eschatological literature yet distinct in its optimistic persistence that love s redemptive power extends universally Readers are greeted with a rationale embroidered with scriptural citations historical exegesis and philosophical inquiries making it an exemplar of religious discourse intertwined with literary elegance Horatio emerges not simply as an author but as a thinker wrestling with profound theological conundrums The underpinnings of Love s Final Victory may well stem from Horatio s personal meditations on the nature of divine grace and human destiny The amalgamation of diligent scriptural analysis and philosophical contemplation suggests an author deeply invested in the reconciliation between faith and intellect earnestly seeking to bridge the oft perceived chasm between the two His book acts as a testament to this quest offering a persuasive argument for the concept of universal salvation This scholarly work is recommended for theologians philosophers and lay readers alike who are pondering the breadth of divine love and
