How to Survive a Breakup Marco Cantoni, 2015-06-01 As long as there are romantic relationships in this world, there will be breakups. This book will teach you how to survive the painful experience of walking away from a person you have come to depend on and ending a relationship you have learned to love. Breaking up is hard to do, so goes a popular song, but for some people, surviving the parting of ways is even harder, and knowing how to handle this situation may spell the difference between getting back on track and not getting up at all. So if you're ready to pull yourself together and move on with your life in a positive direction, then let's get started.
