Love That Was And Is:

The Love That Was Meant to Be Pastor Darryl Riley, 2022-11-03 The author of this book come from very humble beginnings the seventh child of nine children He was raised to be a God fearing man to respect others and to be a help to all that he could The inspiration for his book actually came from the woman that he eventually married and later fathered two beautiful children with The wait has finally ended for him as he was unsure which direction to take while he was contemplating his next move on what to write about Then it dawned upon him that his story of love was a very unique story that should be shared with the whole world Not only is it a story of love and fidelity but a story of how God can match two people together in a very unique bond As you read the account open your heart and mind to the most wonderful steps it takes to find true romance to what it will take to have a meaningful relationship The author wished many times that he could find his lovely wife long before he did But as the saying goes better late than never This book is designed for each individual to do some soul searching while you seek to find your soul mate Hope you enjoy reading this book it will inspire you and motivate you to be with the one you were meant to be with in life The Dark Between Her Stars: A love that was never meant to be Sabrina M. Crosse, What if the dark was a person And what if that person was the one she was falling for In a world beyond human reach a world long abandoned rested five islands each bearing strange names Drystan Isles The Elysian Reef Vanilla Springs and Bellcove Bay encircled one lone island the mightiest of them all The Enclave Cheryl Cassidy an unusual fairy with her own set of peculiar traits charted her road to success She always kept her eyes forward blind to the adversities that tried to push her down She lived under the care of her aunt Maeve Heath and worked with a company that held the key to her dreams Everything in her life flowed seamlessly until the Grand Blowout when a mysterious blonde haired immortal arrived from Drystal Isles Ever since him disturbing things began cropping up behind her To worsen the situation rumours of the return of The Dark were rambling throughout The Enclave And there were secrets and lies lurking in every dreadful corner How would Cheryl Cassidy deal with her upturned life How would her sudden backward story end **To Save the Love that Was Lost** Lyman Allen, Sofia, 2008-03 When asked what led him to write To Save the Love That Was Lost Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion because I found out that I was guided and so the book is ours Sofia s and mine There was a lid on my passion I wanted to believe that life made more sense than what we experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it s in To Save the Love that Was Lost In fact it s in the title So I m offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It s about what was intended to work for the world how we must learn to live I found that Jesus lost teachings are supported by religious history of 20 even 26 centuries ago A

lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It s a mission statement about advancing the original Christianity of Jesus that s the love part and it relates directly to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first **It Was Love That Kept Me Going** IRENE GUTIERREZ,2012-10-24 Irene Gutierrez wants you to know that it is not impossible to come out of a difficult situation It may seem as if it is but setting your mind on changing things will make things easier It may also take some time because starting over sometimes means taking baby steps again She also wants you to know that baby steps aren't a bad thing Its showing you have the strength to want to go on **To Gain a Love that was Lost** Tyler Howell,2014-10-06 Adela was pregnant and now the guardian of her best friend s child when she ran away She was avoiding the father of her child and the father of her friend s child Soon though the man who had grown to love her would find her and return her to his estate Together they must learn to trust and love each other in a world where trust is not so black and white
