Major Criminal Justice Systems A Comparative Survey:

Major Criminal Justice Systems George F. Cole, Stanisław Frankowski, Marc G. Gertz, 1987 *World Criminal Justice Systems* Richard J. Terrill, 2023-10-24 The revised tenth edition of this core textbook provides an understanding of major world criminal justice systems by discussing and comparing the systems of six of the world's countries each representative of a different type of legal system England France Japan South Africa Russia and China are all covered in detail and an additional chapter on Islamic law uses three example nations to illustrate the range of practice within Sharia Political historical organizational procedural and critical issues confronting the justice systems are explained and analyzed Neatly organized with a parallel structure throughout the text each chapter contains material on government police judiciary law corrections juvenile justice and other critical issues A new feature of this text focuses on the nature of the political world order and the significant clash between some democratic and authoritarian governments Of particular concern are those authoritarian governments that have seen the rise of what has been popularly referred to as the strongman leader The countries covered in this text have seen the emergence of four such strongmen While the rise of each occurred in different contexts they were each facilitated in significant ways by the manner in which they asserted their control over the country's criminal justice system This book is suitable for undergraduate and graduate students in criminal justice prelaw and similar programs A comprehensive test bank is available online

Bargaining in the Criminal Justice Systems of the United States and Germany Susanne Kobor, 2008 The book compares the bargaining practice in the United States and Germany it displays differences and similarities also taking historical as well as legal and cultural aspects into consideration The author shows that bargaining in both countries is highly influenced by the respective legal systems common and civil law The study also pays attention to current developments changes and proposed legislation

Comparative Criminal Justice Systems Shahid M. Shahidullah, 2012 Written for students of criminal justice *Comparative Criminal Justice Systems Global and Local Perspectives* examines the nature of crime and justice in varying countries and cultures in North America Europe Asia Africa and Latin America Using a topical approach it compares different systems of crime and justice in terms of their differences from and similarities to the laws and institutions of modern criminal justice focusing on the United States as a standard of comparison By examining different criminal justice systems in terms of their local peculiarities and understanding their change and continuity readers will gain a well rounded international perspective of the world's varying systems of criminal justice Preview content today Find the preface and chapter two under the Samples tab below Explores the rise of modern criminology and the criminal justice system in the nineteenth century focusing on the United States as a standard of comparison Employs a topical approach to examine the criminal justice systems in varying countries in Europe Asia Africa and Latin America including comparative views on law enforcement judicial systems sentencing criminal law and due process of law Examines the nature of Islamic Criminal Justice and its practice in Saudi Arabia Iran and Pakistan Explores the
