Major Power Relations in Northeast Asia Robert A. Scalapino, 1987 **Major Power Relations in Northeast Asia; Win-Win or Zero-Sum Game** David M. Lampton, 2001-10 Three countries China Japan and the United States and relations among them are likely to have a disproportionate impact on prospects for peace and prosperity in Asia Pacific in the twenty first century If the differences among these major actors are managed successfully the prospects for the region are bright indeed Conversely if the three fail to manage their relationship successfully or if relations between any two of the parties are seen to threaten the third the risks for the region and beyond will increase dramatically *Major Power Relations in Northeast Asia; Win-Win or Zero-Sum Game* David M. Lampton, 2001-10 Three countries China Japan and the United States and relations among them are likely to have a disproportionate impact on prospects for peace and prosperity in Asia Pacific in the twenty first century If the differences among these major actors are managed successfully the prospects for the region are bright indeed Conversely if the three fail to manage their relationship successfully or if relations between any two of the parties are seen to threaten the third the risks for the region and beyond will increase dramatically **The Major Powers of Northeast Asia** Tae-Hwan Kwak, Edward A. Olsen, 1996 The remnants of Cold War politics stand in the way of Northeast Asia's adjustment to the post Cold War era This book examines the security policies of Japan China Russia the US and Australia in the Northeast Asia region with reference to attempts to reunify the two Koreas Security Cooperation in Northeast Asia T.J. Pempel, Chung-Min Lee, 2012-06-14 Defining and conceptualizing Northeast Asia's security complex poses unique quandaries The security architecture in Northeast Asia to date has been predominately US dominated bilateral alliances weak institutional structures and the current Six Party Talks dealing with the North Korean nuclear issue There has been a distinct lack of desire among regional countries as well as the US to follow in the footsteps of Europe with its robust set of multilateral institutions However since the late 1990s there has been burgeoning interest among regional states towards forming new multilateral institutions as well as reforming and revitalizing existing mechanisms Much of this effort has been in the economic and political arenas with the creation of bodies such as the East Asian Summit but there have also been important initiatives in the security sphere This book offers detailed examinations about how this potentially tense region of the world is redefining certain longstanding national interests and shows how this shift is the result of changing power relations the desire to protect hard won economic gains as well as growing trust in new processes designed to foster regional cooperation over regional conflict Presenting new and timely research on topics that are vital to the security future of one of the world's most important geographical regions this book will be of great value to students and scholars of Asian politics regionalism international politics and security studies Japan and the Sino-Russian Entente 山口, 山口, 山口, Michael B. Yahuda, 2017 Examines the shifting relations between Japan China and Russia and assesses how the emerging dynamics between these three countries could shape major power relations in Northeast Asia and beyond International Relations of

China's Belt And Road Initiatives And Its Neighboring Diplomacy Jie Zhang, 2016-12-15 This book studies China's Belt and Road Initiatives and the country's neighboring diplomacy The Belt and Road Initiatives proposed by Chinese President Xi Jinping in 2013 consist of two main components the land based Silk Road Economic Belt and ocean going Maritime Silk Road China has implemented the initiatives by establishing Asian Infrastructure Investment Bank and Silk Road Fund This book focuses on analysis of the initiatives and the responses from the major powers neighboring countries and regions The book consists of four parts the Overview The Belt and Road Initiatives and Big Powers The Belt and Road Initiative and Regions The Belt and Road Initiative and Hot Issues The Overview explicates the strategic orientations connotations and approaches of implementation of the initiatives from a theoretical perspective The second part analyzes the Asia Pacific strategies of four great powers namely the United States Russia Japan and India their relations with China and responses to the initiative The third part discusses the Belt and Road Initiatives and four regions namely Northeast Asia Southeast Asia South Asia and Central Asia It evaluates their attitudes and responses towards the Belt and Road Initiatives strategic docking and major challenges in this regard The fourth part touches upon the initiatives and current hot issues including non traditional security the South China Sea dispute and venture analysis on investment environment renovation

South Korea and the Socialist Countries Dan C. Sanford, 1990-06-18 A broad view of the many current trends in South Korea's expanding trade and diplomatic relations with China the Soviet Union and Eastern Europe It also assesses the potential impact of these developments on South Korea's relationship with North Korea

The Future of U.S.-Korea-Japan Relations T'ae-hyo Kim, Brad Glosserman, 2004 This book does not argue for stronger security ties among the three countries based solely on a shared understanding of the threats posed by North Korea Nor does it look toward containment of a rising China or resurgent Russia for its strategic rationale Rather the authors argue for broadening the foundation on which the three nations ties rest A better understanding of the complex weave of interests and values that binds the United States South Korea and Japan will stabilize the relationships and make them more resilient and adaptable to

The Asian Dilemma in United States Foreign Policy K.Holly Maze Carter,2016-07-22 Focuses on the problem through the identification of specific trends in foreign policy isolationism intervention containment detente and disengagement The conclusion of this analysis is that the US foreign policy process is reactive and lacking in any long term strategic planning mode Paper e

Middle Powers and Regional Influence Joshua B. Spero,2018-11-16 In the growing literature on middle powers this book contributes by expanding case study analysis and extending international relations theory in its application to foreign policy decisions Thus this book builds on prominent middle power literature and aims to advance our theoretical understanding for why crucial foreign policies were made by the pivotal middle powers this book examines Poland South Korea and Bolivia For this book s three case studies and their first term leadership s critical junctures from first term post communist Poland post authoritarian post ruling party South Korea and post colonial Bolivia we have the antecedents for contemporary middle powers essential for realizing the regional evolution for cooperative change with greater powers systemically we may then grasp today why those historical foreign policies albeit not so long ago give us crucial antecedents for adapting and trying yet again to resolve seemingly perennial power dilemmas regionally peacefully Here are why middle power impact matters not only regionally for stronger dominant greater power neighbours but also for transformative middle power leaderships which proved pivotal geopolitically for their region s challenges and changes

The China Reader David Shambaugh,2016-03-29 The rise of China is the most significant development in world affairs in this generation No nation in history has risen as quickly or modernized as rapidly as has China over the four decades This sixth edition of The China Reader chronicles the diverse aspects of this transition since the late 1990s It is comprehensive in scope and draws upon both primary Chinese sources and secondary Western analyses written by the world s leading experts on contemporary China Perfectly suited as both a textbook for students as well as for specialists and the public alike the volume covers the full range of China s internal and external developments During the past three decades China dramatically modernized its economy and taken a position as one of the two major powers in the world Its mega economy has skyrocketed to being the second largest in the world and will soon surpass the United States on aggregate The physical transformation of the country has been extraordinary to witness with infrastructure development unparalleled in human history Modern cities featuring futuristic architecture have literally risen from farmland across the country As China has developed domestically it has also taken its place as a major power on the world stage Whether in its relations with other powers the United States Russia and European Union with its neighbors

in Asia or other countries across the world China is now a major factor in international relations Its businesses are going global and its people are establishing their footprint from Antarctica to outer space For all its newfound prowess China s rise has not been a smooth process Domestically the nation s juggernaut economy has produced numerous negative social and environmental side effects Its political system remains anachronistic and authoritarian with substantial repression Externally Beijing s rapid military modernization and regional territorial claims have alarmed China s neighbors Its relationship with the United States is complex and increasingly strained And its soft power remains limited Still the rise of China is the story of the current era The China Reader is a perfect window into the complexities of this historic process *Southeast Asian Affairs*

2014 Daljit Singh,2014-11-07 e *Southeast Asian Affairs* is the only one of its kind a comprehensive annual review devoted to the international relations politics and economies of the region and its nation states The collected volumes of *Southeast Asian Affairs* have become a compendium documenting the dynamic evolution of regional and national developments in Southeast Asia from the end of the second Vietnam War to the alarms and struggles of today Over the years the editors have drawn on the talents and expertise not only of ISEAS own professional research staff and visiting fellows but have also reached out to tap leading scholars and analysts elsewhere in Southeast and East Asia Australia and New Zealand North America and Europe A full list of contributors over forty years reads like a kind of whos who in Southeast Asian Studies Regardless of specific events and outcomes in political economic and social developments in Southeast Asia s future we can expect future editions of *Southeast Asian Affairs* to continue to provide the expert analysis that has marked the publication since its founding It has become an important contributor to the knowledge base of contemporary Southeast Asia e Donald E Weatherbee Russell Distinguished Professor Emeritus University of South Carolina **North Korea and Northeast Asia**

Samuel S. Kim,Tai Hwan Lee,2002-10-09 A country of stark contradictions and puzzles North Korea exhibits uncanny resilience in the face of external shocks and internal woes raising important questions of theoretical and real world significance What has made it possible for North Korea to defy the classical realist axiom The strong do what they have the power to do and the weak accept what they have to accept What is the nature of the North Korean threat in post Cold War Northeast Asia What kind of bargaining leverage does Pyongyang exercise in system maintaining survival strategies What are North Korea s prospects for sustaining such survival strategies in the uncertain years ahead This volume offers a major reappraisal of the changing relationship between North Korea and its neighboring powers in the post Cold War era in both theoretical and practical terms The contributors examine the complex interplay of global regional and national forces that have influenced and shaped the changing patterns of conflict and cooperation in North Korea s relationships with China Russia and Japan and with the United States Within the context of Northeast Asian geopolitics the book tracks explains and assesses North Korea s survival strategies in both the security and economic domains as well as the prospects of these strategies in the coming years Great Power Strategies - The United States, China and Japan Quansheng Zhao,2022-09-05

This book provides a comparative study of the strategies of great powers in the Asia Pacific namely the United States China and Japan known as the Pacific Three It examines the evolution of each power s strategic thinking and analyzes the three powers respective foreign policies and internal debates in the policymaking process It analyzes the three countries conflict and cooperation from past to the present It stresses the importance of the interactions between internal and external factors in the policymaking process and emphasizes the great significance of these interactions for international relations theory For example it highlights the role of strategic advisers in think tanks and government agencies in the United States Japan s informal and balanced policymaking process and the impact of traditional culture in China especially Confucianism and the part played by Chinese think tanks
