optimum age for reproduction to recent decades when freedom from striving in the workplace and caretaking at home is often celebrated to the first female nominee for president American attitudes towards age have been a moving target Gail Collins gives women reason to expect the best of their golden years **Japanese Americans and the Racial Uniform** Dana Y. the very racial and cultural hierarchies it sought to challenge The United States and China Dong Wang, 2021-07-28 Now fully revised and updated The United States and China offers a comprehensive synthesis of US Chinese relations from initial contact to the present Balancing the modern 1784 1949 and contemporary 1949 present periods Dong Wang retraces centuries of interaction between two of the world s great powers from the perspective of both sides She examines state to state diplomacy as well as economic social military religious and cultural interplay within varying national and international contexts As China itself continues to grow in global importance so too does the US Chinese relationship and this book provides an essential grounding for understanding its past present and possible futures
