Major Truths From The Minor Prophets:

Major Truths from the Minor Prophets John Edward Hunter, 1977 Major Truths from the Minor Prophets Edna Ellison, Tricia Scribner, Kimberly Sowell, 2012-08-01 These were the ordinary voices God used to speak extraordinary truth to people. They were unpopular but they were extremely influential then and now. They are the Minor Prophets. In **Major Truths from the Minor Prophets**, ordinary women experience the power of God's extraordinary messages to live with the power, freedom, and hope God intends for us. Using simple language, these down-to-earth, endearing, wise, anointed authors and speakers unravel the mysteries of God's Old Testament passages for application today. Customized for individual and group use, 12 chapters give users an easy-to-use inductive study complete with reflective discussion questions, commentary, Use Your Imagination sections, and more. Use this transformative, unique look back through the Minor Prophets to gain insights for personal revival and influence the communities where God has placed you today. 12 Faith Journeys of the Minor Prophets: Prophecy Edition Nathan E. Jones, Steve Howell, 2023-09-18 When your faith is challenged, these twelve men have the answers. Gain a richer, deeper, and lasting faith in God as you travel along with the Minor Prophets on their own personal faith journeys. Join Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi as they explore the realities of a faith that can withstand loss, injustice, confusion, guilt, and so much more. These twelve messengers of God learned trust and obedience in the midst of great challenges. As a result, they discovered confidence, reliance, credibility, belief, and trust—discoveries that are still exciting and applicable to us today. Their lessons and their faith in God can be yours. Are you ready for a faith journey with the Minor Prophets? This new, updated second prophecy edition contains a complete list of prophecies found in the Minor Prophets and marks when they were or will be fulfilled. **Major Messages from Minor Prophets** Jeffrey A. Ingraham, 2021-08-06 During the early part of 2019, our Sunday school lessons centered on the Old Testament prophets, particularly the minor prophets. It was a great challenge to understand their messages and the messages' relevancy for our times. It seemed as if there really were no significant differences in these books of prophecy, as the minor prophets all seemed to be saying the same thing. Of course, there are differences in the messages and ministries of the minor prophets; hence, my attempt to show so. My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today. This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019. My goal was to make the teachings of the minor prophets understandable to every segment of our membership. The approach was more inspirational than overly scholarly. Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject. The intent was to reference something that the reader could relate to and see how the prophet addresses that matter. Of course, not every single detail of the prophet's message is included due to the constraints of time, etc. My hope is that the readers of this book will come to know God better and to have a relationship with him. They will see that, in spite of people's

imperfections our God is perfect and faithful toward us The minor prophets challenge us to live faithfully for God To the extent I have been able to evoke this kind of response from my readers I give all glory and honor to God *God's Plan for the Ages, 2nd Edition* David Reagan,2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don't have to guess The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God's plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you Preaching Values in the Bible Ph.
