Barnes,2008-05 Seventeen year old Jason Hilliard plays a dual role since his father's death and his mother's return to work Along with handling his own problems as a teenager he also must deal with the roller coaster emotions of his thirteen year old sister Tia Jason is attracted to Celia Miramontes a seventeen year old with close family ties in the Latin community With mixed feelings Jason sees Celia taking time she otherwise would spend with him to help his little sister through a series of problems Will it always be the two of us and Tia he wonders Couldn't she just get a little lost now and then But when Tia actually does get lost in the mountains while on a picnic with Celia's family Jason moans That wasn't what I meant when I said to get a little lost Tia This is a smoothly written entertaining novel of family life and the gentle blossoming of first love School Library Journal This is an easy to read school story which has sprightly up to the minute conversation carrying it briskly along With his widowed mother now working Jason has had to take on the additional responsibility of his thirteen year old sister Tia Problems with Tia erupt regularly as Jason tries to cope with her as well as with his own maturing and his first real girl friend Positive family relationships are portrayed      **Nothing Ventured , He's Been Faithful** Carol Cymbala,2011-01-04 Carol Cymbala's ministry in a tough inner city neighborhood in New York can be summed up in one word unlikely She is the director and songwriter for a Grammy Award winning choir yet she doesn't read music She is the pastor's wife in a 6 000 member congregation filled with people of color and she is white A shy girl who struggled to get through school she is the last person you'd expect to stand before a packed house at Radio City Music Hall confidently directing The Brooklyn Tabernacle Choir But Carol's God is the God of the unlikely *He's Been Faithful* tells

the story of the way God works despite or maybe because of our many inadequacies Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world famous choir she knows how crucial it is to remember our desperate need for God But Carol s faith hasn t always come easily There have been times of wavering and challenge like the time a man walked down the aisle of the church pointing a gun at her husband Jim Or like the time she was assaulted outside the church Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family He s Been Faithful is an honest story about the struggles we all face and the power of God to help us It is told through Carol s eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways Through them we learn that our longings for God will never be satisfied by worship that is showy or performance based Instead God we will meet us when we come to him simply seeking his glory rather than ours telling him and the world around us about the great things he has done Whether you are a pastor a choir director or someone who is seeking a deeper experience of God He s Been Faithful will renew your faith and increase your understanding that only Jesus can fill that deep deep longing we all have for something more in life **Popular Mechanics**
