Country Oscar Knight,2021-07-04 A harrowing story about a young man whose whole perception of reality is changed after being approached by a powerful member of the royal elite A book full of nightmares as the powerful people show their abilities and threatens his life Oscar must think on his feet to get out of some tricky situations As he uses all his brain power to remain one step ahead of the competition his is continuously reminded that one wrong move will end in his death As the elites continue to mentally and physically torture Oscar he starts losing his grasp on what is real and what is part of their twisted entertainment shown Questioning his sanity while his family and friends think he s slipped into a delusional schizophrenic mindset He knows it s real even if nobody else around him can comprehend it This is a true account from his perspective an ultimate underdog story To stay alive he must become more powerful than the people manipulating everything around him Miraculously he stumbles on an idea and executes it perfectly to become an ultimate force of power He takes it upon himself to use the forces of bad in the name in good The end result must be achieved no matter the cost Failure is not an option With mass murder global domination and a kamikaze mindset This book will lead you down the path of what is possible if the right man is pushed to his very limits You are going to have to believe that he is crazy the truth will be far too much to handle The only people who will believe this are the ones who can sense that there is more to this world than meets the eye Time travel may be a trending topic in the fiction category but what if they have cracked it Would they tell us straight away
