Life's Questions Lawrence Manu, 2024-09-12 Have you ever asked yourself Who am I? Why am I here? What is my worth and potential? Is there life after this one? Pastor Lawrence Manu examines from a biblical viewpoint these and other common questions that have weighed on people's minds throughout the ages. In today's constantly shifting society, many people, maybe you are one of them, are struggling to understand their identity, value, potential, and purpose, leaving them feeling hopeless and lost. But no one should feel this way. There is assurance, contentment, and comfort in knowing that these things are all found in God, who created each one of us in His likeness, and that this truth never changes.

In **Life's Questions: The Bible's Answers**, you will learn the importance of knowing, being, and developing yourself to become fulfilled, rather than trying to imitate and please others, understanding where you came from so that you can connect with your Maker and be strong, effective, and fruitful, recognizing what you are here for so that you have purpose, motivation, and meaning, realizing your value and capabilities so that you will be confident to use your gifts to touch lives and accomplish things, knowing where you are going from here so that you have hope and direction for living, are able to order your life accordingly, and can prepare yourself for the life to come in Heaven. If you have been wondering if there is significance to your existence, there is, and this book is a must-read to explain why.

He became a blessing to most people he came in contact with in trying to help them not make the same mistake he did. The information in this book is for the intent to help someone else help themselves. In the words of Brent Howard: Use your thinker first.
