

A detailed miniature fairy garden scene. In the upper center, there is a small white house with a triangular roof and a visible doorway. A path made of small, light-colored stones leads from the bottom center towards the house. To the left of the path, there is a tiny wooden bench. The garden is filled with various miniature plants, including purple flowers and green foliage. Several small, warm-toned lights are scattered throughout the scene, creating a magical glow. The overall composition is dense and intricate, typical of a well-crafted fairy garden.
