Effective Advertising Strategies for Your Business Cong Li, 2014-08-01 As the media landscape has evolved over the past few years especially with the emergence of interactive and social media the philosophy of advertising is significantly changing Most businesses realize that the days when they relied on three national networks ABC NBC and CBS and a few national newspapers to advertise are gone thus they begin to find alternatives to standardized advertising Many of

them begin to adopt more individualized advertising approaches empowered by Internet technologies This book outlines three fundamental strategies of advertising standardized targeted and individualized It describes each strategy in detail and discusses the pros and cons of each The importance of collecting consumer insights and incorporating those insights into advertising messages are also highlighted Although a few high technology companies such as Google Facebook and Amazon are showing success in delivering individualized advertising messages to consumers this approach including both personalization and customization is not suitable for all businesses No single strategy is absolutely more effective than the others however inside you are given a real strategy based on a scrutiny of the value proposition of the business and expectations of consumers

Summary of Sylvia Ann Hewlett's Executive Presence Everest Media, 2022-04-06T22:59:00Z Please note This is a companion version not the original book
Sample Book Insights
1 Executive presence is not a measure of performance but rather of image It is a combination of qualities that telegraphs that you have what it takes to be in charge or deserve to be
2 The importance of nonmusical factors is often overlooked by musicians The way a musician presents themselves onstage is as important as their musical skills
3 The world of music illustrates the importance of image in the workplace The best predictor of success on the competition

circuit was whether a pianist could communicate passion through body language and facial expression 4 The three pillars of EP are how you act how you speak and how you look They are not equally important but they are all important Gravitas is the core characteristic Signaling that you know your stuff cold is more important than either communication or appearance

Ideologies of Eastness in Central and Eastern Europe Tomasz Zarycki, 2014-03-21 This book explores how the countries of Eastern Europe which were formerly part of the Soviet bloc have since the end of communist rule developed a new ideology of their place in the world Drawing on post colonial theory and on identity discourses in the writings of local intelligentsia figures the book shows how people in these countries no longer think of themselves as part of the east and how they have invented new stereotypes of the countries to the east of them such as Ukraine and Belarus to which they see themselves as superior The book demonstrates how there are a whole range of ideologies of eastness how these have changed over time and how such ideologies impact in a practical way relations with countries further east
