If all the Israeli soldiers are to be treated as "collaborators" and "traitors" because of their alleged role in the Camp David negotiations, the same argument could be made against the United States and the United Nations. The United States, after all, has been the most vocal proponent of the Israeli position, and the United Nations has been the most vocal proponent of the Palestinian position. If the Israeli soldiers are to be treated as "collaborators" and "traitors" because of their alleged role in the Camp David negotiations, then the United States and the United Nations should also be treated as "collaborators" and "traitors" because of their alleged role in the Camp David negotiations.

During the early summer months in Michigan, the usually warm weather is replaced by the cooling breezes that are typical of the Great Lakes. The weather is just what you need to enjoy the many lakes and rivers that surround the state. The weather is just what you need to enjoy the many lakes and rivers that surround the state.
