Making A Wildflower Meadow:

Making a Wildflower Meadow Pam Lewis, 2015-02-01 Meadow making helps preserve our fragile environment from further decline but it requires knowledge and skill to create a successful meadow In this timely book Pam Lewis's passion for traditional pasture management and the preservation of our native species of plants and her extensive meadow making experience are translated into an easy to read informative and highly practical text on creating and preserving wildflower meadows from the smallest garden meadow to large scale field projects Sticky Wicket in Dorset has been a mecca for serious garden visitors for many years and photographs of its beautiful gardens regularly appear in the gardening press Created by Pam and Peter Lewis over the last fifteen years the five acres of land have always been regarded as a haven for wildlife and managed accordingly Passionate about the preservation of England's dwindling meadows Pam hopes to inspire others to create their own in this fascinating book a combination of ecological sustainability and hands on gardening Prefaced by the champion of meadow gardening Dame Miriam Rothschild it explains how these overgrown green oases support and sustain a fast vanishing population of essential wildlife insects mammals birds and flora Whether they are dry wet natural or created Pam explains how to manage and care for your meadow in sympathy with nature She teaches what to look for when first appraising a meadow when to mow when to sow when to weed when to plant This is also a history of Sticky Wicket and its horticultural developments the lessons learned the experience gained along with a frightening insight into how over cultivation by farmers and acquisition by property developers is slowly but surely destroying England's green and pleasant land Accompanied by the photographs of acclaimed garden photographer Steven Wooster the book shows what can be done by gardeners everywhere to halt this destruction and restore beauty to the countryside *O/P How to Make a Wildflower Meadow*

James Hewetson-Brown, 2016 Flowering meadows are appealing to gardeners and valuable for wildlife but they can be difficult to establish This book will change all that with its pragmatic yet eco friendly advice Gardeners and landscape professionals alike will relish James Hewetson Brown's common sense approach There is no need to be an expert on habitat planting or plant ecology just follow the step by step techniques Using seed plug plants bulbs and roll out turf you can establish meadow the same year you plant it The book includes 30 case studies that describe successful meadow plantings alongside paths utility areas and ponds and in mixed borders orchards green roofs sloping banks and containers Interviews offer a fascinating insight into the installation process and the pleasures of living with a wildflower meadow **Alan**
