Making America A History Of The United States Volume I To 1877 Instructors Annotated Edition:

The American Promise, Volume I: To 1877 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2012-01-09 The American Promise is more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable. The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students' geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American's Borders, representing a key part of our effort to increase attention paid to the global context of American history. *America's History, Volume 1: To 1877* James A. Henretta, Rebecca Edwards, Robert O. Self, 2011-01-05 America's History helps AP students grasp vital themes. The seventh edition emphasizes political culture and political economy to help students understand the ways in which society, culture, politics, and the economy inform one another. Understand periodization. America's History's unique seven-part structure, which organizes history into distinct eras, introduces students to periodization and helps them understand cause and effect. Identify historical continuities and track change over time. Develop the skills they need to succeed. America's History's hallmark analytical narrative and pedagogy help students synthesize what they've learned and interpret history for themselves. Back cover
