**Making Disciples** Mike Flynn, 1997-01-01      *The Meaning of "Make Disciples" in the Broader Context of the Gospel of Matthew* Lindsay D. Arthur, 2022-05-09 Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This problem is tackled herein by demonstrating that Matthew establishes a framework within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command      Alan Melton, Paul Dean, 2009-05-01 What others are saying about this book and ministry Alan Melton and Paul Dean have gotten it right If we are to see young men and women who look like Christ then we must disciple as Christ did Read DISCIPLE LIKE JESUS FOR PARENTS and prepare to have a paradigm shift Your children are depending on it Meeke Golden Addison American Family Association and Mother of Two DISCIPLE LIKE JESUS has the right idea Their emphasis on parental discipleship is much needed as we often seem to forget that one's own children provide the greatest opportunity and need for discipleship Dr Christopher Cone President Tyndale Theological Seminary The training up of children and youth has always been the God given responsibility of the parents and not the Church or government Because this is the stance and passion of DISCIPLE LIKE JESUS I am pleased to endorse its ministry Dr Kenny Rhodes President Scofield Seminary and Pastor Mable Ave Church DISCIPLE LIKE JESUS gets it The key to reaching the world tomorrow is discipling our children today Rick Osborne Best Selling Christian Parenting Author Front Cover Design Brian Byars Front Cover Photo Monkey Business Back Cover Photo ISTOCK www DiscipleLikeJesus com The church is losing over two million children every year and they are not returning What can parents do about this Jesus showed us the way Immediately following three years of making disciples Jesus commanded us to do the same Disciple Like Jesus For Parents offers practical creative ways to make disciples of your children Learn how His approach can transform your family into the image of Christ and allow you to enjoy the great blessings of children

*Making Disciples* Sylvia Wilkey Collinson,2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the

world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community

Disciples of Jesus Christ to Make Disciples For Jesus Christ Theodore Andoseh, The messages in this book were delivered at the Third World Convention of Christian Missionary Fellowship International at her headquarters in Koume Bertoua Cameroon from 8th to 17th December 2019 to brethren of the Community from 93 nations from the six continents We were gathered to give account to God thank and celebrate Him who blessed and enabled us to accomplish the Phase 2 goal of our work These messages serve as an orientation for the pursuit of the goal and directives for our work in the next five to seven years In pursuing these directives as a disciple making movement God being our Helper and by the blessings of the Lord we expect to be a community in which every member loves the Lord Jesus or returns to the first love for the Lord Jesus Our heart cry to the Lord is that these messages would help keep us on the rails and stir us to work hard at accomplishing the goal that we joyously accepted from and committed ourselves to before our blessed Lord and Master Jesus Christ

*The Disciple Maker's Handbook* Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a

church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts **Repairing the Missional Breach** Kevin Blackwell, 2024-04-02 Making disciples is the primary calling of the church however in the past decades of American evangelicalism there has been a breach of Christ's Great Commission as found in Matt 28 19 20 Much of this failure can be attributed to the doctrine and practice within three modern church movements The book offers a history and critique of modern American evangelical church movements including the Church Growth Emergent Church and Missional Church movements Each of these movements did not result in disciple making multiplication In this book you will find an analysis of disciple making in these movements as compared to the methods and model of Jesus Informed by these critiques formative ministry adjustments are presented as a faithful path for future missional approaches The Living Church, 1998

Broadhead, 2018-03-22 This book honors the extraordinary contribution of Elizabeth Struthers Malbon to biblical studies In the opening chapter Werner Kelber places Malbon's work within the larger context of critical reflection from antiquity to the modern era on the role and function of discourse Kelber locates Malbon's approach squarely within the framework of modernity and concludes that her supremely creative achievement has been the employment of modern narrative critical tools with a view toward uncovering the fecundity of the gospel of Mark Drawing from and conversing with Professor Malbon's extensive publications each of the five sections engages a theme from her works focusing particularly on the Gospel of Mark This tribute includes meaning as narrative issues in methodology studies in characterization narrative readings of specific texts and aesthetic and political readings Contributors include Werner H Kelber R Alan Culpepper Kelly R Iverson Mikeal C Parsons David Barr David J A Clines Robert C Tannehill J Cheryl Exum Heidi Hornik and Richard Walsh      **Follow Me** David Platt, 2013-02-05 2014 Christian Retailing's Best award finalist What did Jesus really mean when he said Follow Me In this new book David Platt author of the New York Times bestselling book Radical Taking Back Your Faith from the American Dream contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ Scores of men women and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words As a result churches today are filled with people who believe they are Christians but aren't We want to be disciples as long as doing so does not intrude on our lifestyles our preferences our comforts and even our religion Revealing a biblical picture of what it means to truly be a Christian Follow Me explores the gravity of what we must forsake in this world as well as the indescribable joy and deep satisfaction to be found when we live for Christ The call to follow Jesus is not simply an invitation to pray a prayer it's a summons to lose your life and to find new life in him This book will show you what such life actually looks like      **Conversion and Discipleship** Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can

profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion, answering the call to follow Jesus, and discipleship, living like the one we claim to follow. **Disciple Making Is . . .** Dave Earley, Rod Dempsey, 2013-08. Dozens of brief yet powerful chapters about what it really means to live out the Great Commission in practical terms, written by two men with more than sixty years of combined discipleship experience. *Every Believer a Disciple!* David E. Bjork, 2015-06-14. The growth of Christianity in recent decades has been remarkable, but has it been growth with depth? Are our communities of faith, our churches, creating and nurturing deeply committed followers of Jesus? This book was born out of the realization that churches throughout the world, despite their numerous evangelization and spiritual development activities, are struggling to produce true disciples of Jesus. How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act? What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication? And as Christians, what are we called to do? In answering these questions, the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples.
