

Making Life Worth While

Every soul that touches yours -
Be it the slightest contact -
Get there from some good;
Some little grace; one kindly thought;
One aspiration yet unfelt;
One bit of courage
For the darkening sky;
One gleam of faith
To brave the thickening ills of life;
One glimpse of brighter skies -
To make this life worthwhile
And heaven a surer heritage.

- George Eliot

and this book explains how to apply it to 21st century policies Authors Dave Arnott and Sergiy Saydometov hold up the mirror of the Bible and ask their fellow Christians Is this the way we re supposed to run a biblical economy What the book is not It is NOT a financial advice book It is NOT about how to apply business principles at work It is NOT about stewardship or giving It is NOT about how to run your business for the glory of God Biblical Economic Policy takes the macroeconomic view and analyzes how well America s economic policies align with biblical principles This book tackles difficult present day economic policies including taxes spending national debt interest rates and money supply Written with sound biblical grounding in accessible language Biblical Economic Policy will turn the common reader into a biblical economic analyst
