**Making Love the Way We Used To-- Or Better** Alan M. Altman, 2001      **Midlife Mamas on the Moon** Sunny Hersh, 2003 A fun inspirational guide to positive choices for women over 40 Packed with useful checklists honest personal stories and no nonsense resources this book has the latest information on health sex and hormones and shows how to transform relationships finances and careers      The Perfect Menopause Dr. Henry M. M. D. Hess, Henry M. Hess, 2008 Helps women thriving during the complex changes of menopause This book provides options for complete solutions to the difficulties of menopause by blending natural and traditional medicine It offers solutions that range from natural therapies to medical therapies to bioidentical hormones      **Part-Time Perverts** Lauren Rosewarne, 2011-04-19 This book offers an erudite yet highly accessible exploration of the presence of sexual perversion in popular culture and its manifestation in everyday life An interdisciplinary exploration of sexual perversion in everyday life Part Time Perverts Sex Pop Culture and Kink Management starts from the premise that for better or worse everyone is exposed to a continual barrage of representations of sexual perversion both subliminal and overt Our involvement Dr Lauren Rosewarne contends is universal but our management strategies cover a spectrum of behavioral possibilities from total repression to total immersion It is those strategies that she examines here Drawing on her own experience as well as on pop culture and a multidisciplinary mix of theory Rosewarne shifts the discussion of perversion away from the traditional psychological and psychiatric focus and instead explores it through a feminist lens as a social issue that affects everyone Her book examines representations of perversion from suppression to dabbling to full body immersion and proposes a classification for perversion management and charts the diverse strategies we use to manage and perhaps enjoy exposure      The Viagra Myth Abraham Morgentaler, 2003-09-24 In The Viagra Myth Dr Abraham Morgentaler a practicing urologist on the faculty of Harvard Medical School shows us that while Viagra has proved enormously helpful to many men it has also uncovered previously ignored aspects of identity and authenticity in sexuality and relationships Some men for example may fear telling their partner they are using Viagra yet still struggle with the hope of being loved for their true self Women who discover their partner has resorted to a secret sexual enhancer may complain I thought it was me who turned you on Viagra may improve a man s sexual abilities but there may also be a profound cost involved If you or your partner is using or considering Viagra or even if you are only wondered what it might be like to have a better sex life this book is essential reading It will provide insight and instruction about the reality of quick fix solutions sexuality personal growth and meaningful relationships

*Aging with HIV* Janice E. Nichols, 2002-08-13 In 1998 approximately 30 million people worldwide were living with HIV AIDS about 5 million of whom became infected that year The epidemic continues to expand with an estimated doubling time of 10 years making AIDS the leading infectious cause of death ahead of tuberculosis and malaria Even in the U S A where the death rate from AIDS is declining as a result of effective drug therapies HIV infection rates continue to climb in several

population groups The prevalence of AIDS among people over the age of 50 is steadily increasing and most older people are unprepared to address it for a number of reasons including the widespread discomfort with matters sexual and homosexual and the belief that elderly people are not sexually active and therefore not at risk This guide for care providers seeks to educate and inform readers about the difficulties and complications that accompany the disease in older people Thus while the appendix includes technical descriptions of methodology data and results the narratives in the chapters describing the findings and their practical implications are written in layman s language Topics covered include biomedical aspects demographics sexuality stressors mental health older women and patient care all of which are supported by case studies
