## **Making Love Work:**

**Making Love Work** Bruce Riley, 2016-09-12 There are frustrated couples everywhere looking for solutions to the struggles they're facing in getting their relationship on good footing. Too often it just slips away. The real problem is the inability to systematically build the relationship. Most relationships are rushed. Dr. Bruce is able to show you just how to move from a simple acquaintance to a lasting love. Each stage has an estimated length of time to establish a good knowledge of each other and to develop the qualities to build a great love. At the end of each chapter he challenges you to qualify your growth by specific measurements. If you don't pass then you have to stay on that level by reapplying the principles taught. If you pass then go to the next level and develop higher levels of trust, happiness, and consistency. Ultimately each stage will take you to the place of being willing and able to make a life of commitment to each other by way of your demonstrated behavior and interactions. This book is a tool to fulfill your desires for the kind of love you have always wanted. **This is How Love Works**, **LoveWork** Sophie Devonshire, Ben Renshaw, 2021-11-25 LoveWork offers a step by step framework for doing the work you love and loving the work you do. It is filled with illustrative scenario based examples to nurture the free expression of ideas and help you thrive. From the foreword by Amy C. Edmondson, Novartis Professor of Leadership and Management, Harvard Business School. Life provides a unique opportunity to do great things and help make the world a better place. Given that a staggering 90,000 hours of our lives on average will be spent working, how many of those precious hours will be meaningful or memorable? Authors Ben Renshaw and Sophie Devonshire believe it's possible to make the time you spend at work more rewarding and enjoyable. In LoveWork they share seven simple steps to help you find new ways to build a more positive relationship with your work. This book is for you if: You are moving up through your work or moving on to a new role. You'd like to move faster or go further. You want to find, rediscover or nurture your love of work. You'll learn how to unlock your thinking to trigger a renaissance in your work experience, to embrace dynamic working and to discover, develop and then deliver new ways to thrive at work. If you want to love life, you'll need to LoveWork. It's time to stop counting the hours and start making those hours count. Follow the LoveWork code to unlock your potential and exceed expectations at work. John Holland, Kaye, Chief Executive Officer, Heathrow. Don't chase a title or the money. Chase the work you love and let LoveWork show you how. Keith Barr, Chief Executive Officer, InterContinental Hotels Group. If you dread Mondays, if work is a chore, YOU MUST READ THIS BOOK. It doesn't have to be like that. Indeed, it shouldn't. The case studies alone are incredibly helpful, so many stories of people who have turned it around and you can too. And if you're a business leader, use LoveWork to create an organisation where people are happy and fulfilled. Greg Jackson, CEO, Octopus Energy. Loving your work provides fulfilment and meaning. Taking the steps in LoveWork will drive you in the right direction. Angela Brav, President, Hertz International. **Works.
