Defence Planning as Strategic Fact Henrik Breitenbauch, André Ken Jakobsson, 2020-06-04 Defence Planning as Strategic Fact provides and elaborates on an upstream focus on the variegated organizational political and conceptual practices of military civilian administrative and political leaderships involved in defence planning offering an important security and strategic studies supplement to the traditional downstream focus on the use of force The book enables the reader to engage with the role of ideas in defence planning of organizational processes and biases path dependencies and administrative dynamics under the pressures of continuously changing domestic and international constraints The chapters show how defence planning must be seen as a constitutive element of defence and strategic studies that it is a strategic fact of its own which merits particular practical and scholarly attention As defence planning creates the conditions behind every peace upheld or broken and every war won or lost Defence Planning as Strategic Fact will be of great use to scholars of defence studies strategic studies and military studies This book was originally published as a special issue of Defence Studies [Strategic Planning and Decision Making in State Departments of Transportation](#) Theodore H. Poister, 2004 TRB's National Cooperative Highway Research Program NCHRP Synthesis 326 Strategic Planning and Decision Making in State Departments of Transportation examines state and provincial transportation departments experience with strategic planning and synthesizes current approaches to linking strategic planning with other decision making processes including operational and tactical planning resource allocation performance management and performance measurement
