Making Of Casablanca Bogart Bergman And World War II:

Round Up the Usual Suspects Aljean Harmetz,1992 In late 1941 a play called Everybody Comes to Rick's went from being a standard World War II romantic suspense film to an exceptional movie earning Oscars for Best Picture Best Director and Best Screenplay Harmetz has written the inside story of the making of Casablanca [The Making of Casablanca](#) Aljean Harmetz,2002 [Round Up the Usual Suspects](#) Aljean Harmetz,1993 The inside story of the making of Casablanca Conveys the precise realities of working under the Hollywood studio system during World War II **World War II on Film** David Luhrssen,2020-11-09 World War II on Film examines the war through the lens of 12 films The movies selected include productions made during World War II and in each succeeding decade providing a sense of how different generations perceive the war World War II on Film provides a succinct yet well grounded appraisal of that war as seen through 12 representative films The book separates fact from fiction showing where the movies were accurate and where they departed from reality and places them in the larger context of historical and social events Each movie chosen represents a particular aspect of the conflict including the air war over Europe the condition of prisoners of war Nazi atrocities and the British evacuation at Dunkirk Unlike most histories of Hollywood during World War II or the genre of war movies World War II on Film examines in depth the relation between the depictions of events beliefs attitudes and ways of life as seen on film with reality as documented by historians or recorded by journalists or eyewitnesses to the war The volume will appeal to high school and college readers as well as general interest readers and film buffs **The Many Cinemas of Michael Curtiz** R. Barton Palmer,Murray Pomerance,2018-07-02 Hollywood Casablanca Yankee Doodle Dandy The Sea Hawk White Christmas and Mildred Pierce to name only a few The most prolific and consistently successful Hollywood generalist with an all embracing interest in different forms of narrative and spectacle Curtiz made around a hundred films in an astonishing range of genres action biopics melodramas film noir musicals and westerns But his important contributions to the history of American film have been overlooked because his broadly varied oeuvre does not present the unified vision of filmmaking that canonical criticism demands for the category of auteur Exploring his films and artistic practice from a variety of angles including politics gender and genre The Many Cinemas of Michael Curtiz sheds new light on this underappreciated cinematic genius Leading film studies scholars offer fresh appraisals of many of Curtiz's most popular films while also paying attention to neglected releases of substantial historical interest such as Noah's Ark Night and Day Virginia City Black Fury Mystery of the Wax Museum and Female Because Curtiz worked for so long and in so many genres this analysis of his work becomes more than an author study of a notable director Instead The Many Cinemas of Michael Curtiz effectively adds a major chapter to the history of Hollywood's studio era including its internationalism and the significant contributions of European migrants **Improvising the Score** Gretchen L. Carlson,2022-06-27 2023 Jazz Journalists Association JJA Jazz Awards for Books of the Year Honorable Mention Recipient On December 4 1957 Miles Davis revolutionized film soundtrack production

improvising the score for Louis Malle's *Ascenseur pour l'échafaud* A cinematic harbinger of the French New Wave *Ascenseur* challenged mainstream filmmaking conventions emphasizing experimentation and creative collaboration It was in this environment during the late 1950s to 1960s a brief golden age for jazz in film that many independent filmmakers valued improvisational techniques featuring soundtracks from such seminal figures as John Lewis Thelonious Monk and Duke Ellington But what of jazz in film today *Improvising the Score: Rethinking Modern Film Music through Jazz* provides an original vivid investigation of innovative collaborations between renowned contemporary jazz artists and prominent independent filmmakers The book explores how these integrative jazz film productions challenge us to rethink the possibilities of cinematic music production In depth case studies include collaborations between Terence Blanchard and Spike Lee *Malcolm X* When the Levees Broke Dick Hyman and Woody Allen *Hannah and Her Sisters* Antonio Sánchez and Alejandro González Iñárritu *Birdman* and Mark Isham and Alan Rudolph *Afterglow* The first book of its kind this study examines jazz artists work in film from a sociological perspective offering rich behind the scenes analyses of their unique collaborative relationships with filmmakers It investigates how jazz artists negotiate their own creative labor examining the tensions between improvisation and the conventionally highly regulated structures hierarchies and expectations of filmmaking Grounded in personal interviews and detailed film production analysis *Improvising the Score* illustrates the dynamic possibilities of integrative artistic collaborations between jazz film and other contemporary media exemplifying its ripeness for shaping and invigorating twenty first century arts media and culture

The Final Victim of the Blacklist Gerald Horne, 2006-09-19 Before he attained notoriety as Dean of the Hollywood Ten the blacklisted screenwriters and directors persecuted because of their varying ties to the Communist Party John Howard Lawson had become one of the most brilliant successful and intellectual screenwriters on the Hollywood scene in the 1930s and 1940s with several hits to his credit including *Blockade* *Sahara* and *Action in the North Atlantic* After his infamous almost violent 1947 hearing before the House Un American Activities Committee Lawson spent time in prison and his lucrative career was effectively over Studded with anecdotes and based on previously untapped archives this first biography of Lawson brings alive his era and features many of his prominent friends and associates including John Dos Passos Theodore Dreiser F Scott Fitzgerald Charles Chaplin Gene Kelly Edmund Wilson Ernest Hemingway Humphrey Bogart Dalton Trumbo Ring Lardner Jr and many others Lawson's life becomes a prism through which we gain a clearer perspective on the evolution and machinations of McCarthyism and anti-Semitism in the United States on the influence of the left on Hollywood and on a fascinating man whose radicalism served as a foil for launching the political careers of two Presidents Richard Nixon and Ronald Reagan In vivid marvelously detailed prose *Final Victim of the Blacklist* restores this major figure to his rightful place in history as it recounts one of the most captivating episodes in twentieth century cinema and politics

The Story in Fiction and Film of French Collaboration in the Occupation and Complicity in the Holocaust (1940-1944) Daniel R. Schwarz, 2025-07-09 This book examines fiction and film narratives that show the active collaboration of the Vichy government with the Nazis in the deportation and murder of the Jews of France It also explains how these fiction and film narratives affected the official and dominant historical narrative of the 1940-44 Occupation years More than anything what changed the dominant narrative of the Occupation years are documentaries and creative works which imaginatively selected and arranged the presentation of neglected and suppressed facts By stressing how documentaries novels and imaginative films changed the dominant narrative of 1940-1944 the author is also arguing how cultural production transformed history

The Lost One Stephen D. Youngkin, 2005-09-30 Often typecast as a menacing figure Peter Lorre achieved Hollywood fame first as a featured player and later as a character actor trademarking his screen performances with a delicately strung balance between good and evil His portrayal of the child murderer in Fritz Lang's masterpiece M 1931 catapulted him to international fame Lang said of Lorre He gave one of the best performances in film history and certainly the best in his life Today the Hungarian born actor is also recognized for his riveting performances in The Man Who Knew Too Much 1934 The Maltese Falcon 1941 and Casablanca 1942 Lorre arrived in America in 1934 expecting to shed his screen image as a villain He even tried to lose his signature accent but Hollywood repeatedly cast him as an outsider who hinted at things better left unknown Seeking greater control over his career Lorre established his own production company His unofficial graylisting by the House Committee on Un American Activities however left him with little work He returned to Germany where he co-authored directed and starred in the film Der Verlorene The Lost One in 1951 German audiences rejected Lorre's dark vision of their recent past and the actor returned to America wearily accepting roles that parodied his sinister movie personality The first biography of this major actor The Lost One A Life of Peter Lorre draws upon more than three hundred interviews including conversations with directors Fritz Lang Alfred Hitchcock Billy Wilder John Huston Frank Capra and Rouben Mamoulian who speak candidly about Lorre both the man and the actor Author

Stephen D Youngkin examines for the first time Lorre s pivotal relationship with German dramatist Bertolt Brecht his experience as an migr from Hitler s Germany his battle with drug addiction and his struggle with the choice between celebrity and intellectual respectability Separating the enigmatic person from the persona long associated with one of classic Hollywood s most recognizable faces *The Lost One* is the definitive account of a life triumphant and yet tragically riddled with many failed possibilities

Modern Love David Shumway,2003-08-01 My ideas of romance came from the movies said Woody Allen and it is to the movies as well as to novels advice columns and self help books that David Shumway turns for his history of modern love Modern Love argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire togetherness and loss Over the course of the twentieth century partly in response to this crisis a new language of love intimacy emerged not so much replacing but rather coexisting with the earlier language of romance Reading a wide range of texts from early twentieth century advice columns and their late twentieth century antecedent the relationship self help book to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages Shumway argues that the kinds of stories the culture has told itself have changed Part layperson s history of marriage and romance part meditation on intimacy itself Modern Love will be both amusing and interesting to almost anyone who thinks about relationships and who doesn t
