Making Progress C. Leigh Anderson,Janet W. Looney,2002-01-01 While a universal definition of progress has proved elusive measures of progress have been defined and grouped into the broad areas of material wealth social relations technical capacity and moral aesthetic and intellectual sensibilities However not until the Progress Project whose results are gathered here has the impact of progress on public policy in these realms been systematically explored In this volume noted scholars in economics government education technology literature culture and religion among other fields discuss the meaning and measurement of progress in their areas of specialty They assess particular policies that have either promoted or retarded progress and provide recommendations for policy processes or instruments that better reflect the nature of forward movement in the current era Making Progress is an important contribution to both the theoretical and practical literature on public policy it is a resource for scholars and students as well as a guide for policymakers analysts and advocates who help craft those policies in the name of progress   *Pietism and the Making of Eighteenth-Century Prussia* Richard L. Gawthrop,2006-11-02 This work describes the relationship between Pietism and the rise of the Prussian state

Documents Massachusetts. General Court. House of Representatives,1883   *The Making of Our United States* Ray Osgood Hughes,1927   Rise of the Red Engineers Joel Andreas,2009-03-10 Rise of the Red Engineers explains the tumultuous origins of the class of technocratic officials who rule China today In a fascinating account author Joel Andreas chronicles how two mutually hostile groups the poorly educated peasant revolutionaries who seized power in 1949 and China s old educated elite coalesced to form a new dominant class After dispossessing the country s propertied classes Mao and the Communist Party took radical measures to eliminate class distinctions based on education aggravating antagonisms between the new political and old cultural elites Ultimately however Mao s attacks on both groups during the Cultural Revolution spurred inter elite unity paving the way after his death for the consolidation of a new class that combined their political and cultural resources This story is told through a case study of Tsinghua University which as China s premier school of technology was at the epicenter of these conflicts and became the party s preferred training ground for technocrats including many of China s current leaders   **Making of the West, Volume II: Since 1500** Lynn Hunt,Thomas R. Martin,Barbara H. Rosenwein,Bonnie G. Smith,2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to The Making of the West The book s chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental
