Making Certain It Goes On The Collected Poems Of Richard Hugo

Michael Sarnowski

Making Certain It Goes On The Collected Poems Of Richard Hugo:

Making Certain It Goes On: The Collected Poems of Richard Hugo Richard Hugo, 1991-07-17 The definitive collection of a major American poet's work Richard Hugo was in James Wright's words a great poet true to our difficult life Making Certain It Goes On brings together as Hugo wished the poems published in book form during his lifetime together with the new poems he wrote in his last years **Making Certain it Goes on : the Collected Poems**, 1983 A Study Guide for Richard F. Hugo's "For Jennifer, 6, On The Teton" Gale, Cengage Learning, 2016 A Study Guide for Richard F Hugo's For Jennifer 6 On The Teton excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Poets on Paintings** Robert D. Denham, 2010-03-10 Ekphrasis the description of pictorial art in words is the subject of this bibliography More specifically some 2500 poems on paintings are catalogued by type of publication in which they appear and by poet Also included are 2000 entries on the secondary literature of ekphrasis including works on sculpture music photography film and mixed media

The Real West Marginal Way: A Poet's Autobiography Richard Hugo, 1992-06-17 Of Richard Hugo's Making Certain It Goes On David Wagoner has written Richard Hugo spared himself and us no pains or joys in making the wonderful vigorous original poems brought together in this single collection His was and is a very important voice in modern American poetry Hugo was also an editor of the Yale Younger Poets series and a distinguished teacher and master of the personal essay Now many of his essays have been assembled and arranged by Ripley Hugo the poet's widow and a writer and teacher and Lois and James Welch writers and close friends of the poet Together the essays constitute a compelling autobiographical narrative that takes Hugo from his lonely childhood through the war years and his working and creative life to an interview just before his death in 1982 William Matthews also a friend of Hugo's has written an introduction **The Portable Western Reader** Various, 1997-07-01 The American West is as varied in its inhabitants as in its landforms Yet what has come to stand for Western writing is the myth of the wagon train and the lone gunman In the Portable Western Reader William Kittredge has assembled stories poems essays and excerpts that transcend the Western myth and explore the vast range of Western experience With selections from more than seventy authors and an introduction and headnotes by William Kittredge The Portable Western Reader redefines the Western literary landscape *Poser* Claire Dederer, 2010-12-21 The studio was decorated in the style of Don't Be Afraid We're Not a Cult All was white and blond and clean as though the room had been designed for surgery or Swedish people The only spot of color came from the Tibetan prayer flags strung over the doorway into the studio In flagrant defiance of my longtime policy of never entering a structure adorned with Tibetan prayer flags I removed my shoes paid my ten bucks and walked in Ten years ago Claire Dederer threw her back out breastfeeding her baby daughter Told to try yoga by everyone from the woman behind the counter at the co-op to the homeless guy on the corner she

signed up for her first class She fell madly in love Over the next decade she would tackle triangle wheel and the dreaded crow becoming fast friends with some poses and developing long standing feuds with others At the same time she found herself confronting the forces that shaped her generation Daughters of women who ran away to find themselves and made a few messes along the way Dederer and her peers grew up determined to be good good good even if this meant feeling hemmed in by the smugness of their organic buying attachment parenting anxiously conscientious little world Yoga seemed to fit right into this virtuous program but to her surprise Dederer found that the deeper she went into the poses the more they tested her most basic ideas of what makes a good mother daughter friend wife and the more they made her want something a little less tidy a little more improvisational Less goodness more joy Poser is unlike any other book about yoga you will read because it is actually a book about life Witty and heartfelt sharp and irreverent Poser is for anyone who has ever tried to stand on their head while keeping both feet on the ground *Poems of Rome* Karl Kirchwey,2018-04-03 A beautiful hardcover Pocket Poets anthology of poems inspired by the art and architecture of the Eternal City Poems of Rome ranges across the centuries and contains the work of poets from many cultures and times from ancient Rome to contemporary America Designed to accompany readers visiting the city whether in person or in imagination the book is divided into sections by place Its pages lead the reader from the Roman Forum to the Colosseum from the Vatican to the Villa Sciarra from the Pantheon to the Palatine Hill all seen through the eyes of poets who have been dazzled by these glorious sites for centuries The poets range from Horace and Ovid to Pasolini and Pavese and from Byron and Keats and Rilke to James Merrill Adrienne Rich Derek Walcott and Jorie Graham in a collection of international talent as scintillating as the great city itself Another Place Andrew Elkins,2002 Contending that many good poets live and write in the American West Andrew Elkins suggests that the western landscape be it New Mexico desert or Alaskan wilderness shapes the work that is created there The place s essence and spirit inevitably become part of the work that flows from the poet s creativity Elkins examines the work of Peggy Pond Church John Haines Adrian C Louis Richard Hugo Jane Hirshfield and several cowboy poets Texas Christian University Press *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry A New Way of Seeing Michael Sarnowski,2025-06-04 A New Way of Seeing considers the poetry of five writers Louis Simpson Keith Douglas Richard Hugo Howard Nemerov and Randall Jarrell whose work draws on their activities as soldiers in World War II Basing his examination on extensive primary source research Michael Sarnowski identifies distance both literal and figurative and traumatic memory as two interconnected elements of how these poets internalized the war and made sense of the events they witnessed The book is structured on a gradient related to each poet s proximity to combat as the chapters in turn focus on an infantryman

Simpson a tank commander Douglas a bombardier Hugo a pilot Nemerov and a stateside flight instructor Jarrell Sarnowski relies on a wealth of archival material overlooked by previous scholarship including poem drafts correspondence flight logs and personal belongings The conclusion revisits notions of legacy and representation by assessing factors that contributed to the early labeling of World War II soldiers as a Silent Generation in contrast to the outpouring of poetry published during and following the First World War By exploring how poets processed their wartime experiences *A New Way of Seeing* offers a stark reminder of why it remains vital to recognize the physical mental and psychological consequences endured by veterans

Many Histories Deep Roger Bowen,1995 Fraser and the Greek exiles George Seferis and Elie Papadimitriou *The Real West Marginal Way* Richard Hugo,Ripley S. Hugo,Lois M. Welch,James Welch,1986 Of Richard Hugo s Making Certain It Goes On David Wagoner has written Richard Hugo spared himself and us no pains or joys in making the wonderful vigorous original poems brought together in this single collection His was and is a very important voice in modern American poetry **CRASH!** Randy Malamud,2024-12-12 CRASH explores the fascinating revealing and surprising cultural impact of plane crashes across art literature music media and creative nonfiction Plane crashes are covered extensively but they are not analyzed very deeply beyond rote media reports and forensic accident investigations This is despite the voluminous diverse and fascinating cultural materials poems and novels songs films art TV series and on and on that emerge in the wake of aviation disasters Randy Malamud reanimates these tragic events and identifies how they persist and resonate through our culture more than we might have imagined and in intricately far reaching ways A unique and extraordinarily wide ranging cultural examination CRASH takes the reader on a journey that includes reflections on flight phobia themes of crash survival with asides on *Lord of the Flies* *The Little Prince* and Ernest Hemingway s two day two crash adventure the existentialism of pilots last words the day the music died deep dives into modernist plane wreck paintings kamikaze pilots and their Zen death poems plane crashes before planes race crash and gender and the cultural aftermath of 9 11 Ultimately Malamud shows that crashes do not bring about complete and total destruction we accomplish some degree of restoration by shoring fragments against the ruins The plane is dead long live the plane *Holding Patterns* Daniel McGuinness,2001-03-29 Argues that if poems are to matter in American culture they must be read rather than theorized over **Hummers, Knucklers, and Slow**

Curves Don Johnson,1991 A charmer Some titles include *Late Innings* *Baseball Divine* *Comedy 4th Base* *Mantle* On the roster are poets like John Updike Gregory Corso Robert Penn Warren Donald Hall and Richard Eberhart The collection includes heroes villains and the high and low drama of sport There is also philosophical bite *The Christian Science Monitor*

Three Songs, Three Singers, Three Nations Greil Marcus,2015-10-07 Greil Marcus delves into three distinct episodes in the history of American commonplace song and shows how each one manages to convey the uncanny sense that it was written by no one In these seemingly anonymous productions we discover three different ways of talking about the United States and three separate nations within its borders *Monsters under Glass* Jane Desmarais,2018-08-15 *Monsters under*

Glass explores our enduring fascination with hothouses and exotic blooms from their rise in ancient times through the Victorian vogue for plant collecting to the vegetable monsters of twentieth century science fiction and the movies comics and video games of the present day Our interest in hothouses can be traced back to the Roman emperor Tiberius but it was only in the early nineteenth century that a boom in exotic plant collecting and new glasshouse technologies stimulated the imagination of novelists poets and artists and the hothouse entered the creative language in a highly charged way Decadent writers in England and Europe including Charles Baudelaire and Oscar Wilde transformed the hothouse from a functional object to a powerful metaphor of metropolitan life sexuality and being replete with a dark underside of decay and death and of consciousness itself nurtured and dissected under glass In a study as wide ranging vivid and beautiful as our beloved exotic blooms themselves Jane Desmarais charts the history and influence of these humid tropical worlds and their creations providing a steamy window onto our recent past

Learning Native Wisdom Gary Holthaus, 2008-05-30 Scientific evidence has made it abundantly clear that the world's population can no longer continue its present rate of consuming and despoiling the planet's limited natural resources Scholars activists politicians and citizens worldwide are promoting the idea of sustainability or systems and practices of living that allow a community to maintain itself indefinitely Despite increased interest in sustainability its popularity alone is insufficient to shift our culture and society toward more stable practices Gary Holthaus argues that sustainability is achievable but is less a set of practices than the result of a healthy worldview **Learning Native Wisdom** Reflections on Subsistence Sustainability and Spirituality examines several facets of societies cultural economic agricultural and political seeking insights into the ability of some societies to remain vibrant for thousands of years even in extremely adverse conditions and climates Holthaus looks to Eskimo and other Native American peoples of Alaska for the practical wisdom behind this way of living **Learning Native Wisdom** explains why achieving a sustainable culture is more important than any other challenge we face today Although there are many measures of a society's progress Holthaus warns that only a shift away from our current culture of short term abundance founded on a belief in infinite economic growth will represent true advancement In societies that value the longevity of people culture and the environment subsistence and spirituality soon become closely allied with sustainability Holthaus highlights the importance of language as a reflection of shared cultural values and he shows how our understanding of the very word subsistence illustrates his argument In a culture of abundance the term implies deprivation and insecurity However as Holthaus reminds us All cultures are subsistence cultures Our post Enlightenment consumer based societies obscure or even deny our absolute dependence on soil air sunlight and water for survival This book identifies spirituality as a key component of meaningful cultural change a concept that Holthaus defines as the recognition of the invisible connections between people their neighbors and their surroundings For generations native cultures celebrated and revered these connections fostering a respect for past present and future generations and for the earth itself Ultimately Holthaus illustrates how spirituality and the concept of subsistence

can act as powerful guiding forces on the path to global sustainability He examines the perceptions of cultures far more successful at long term survival than our own and describes how we might use their wisdom to overcome the sustainability crisis currently facing humanity

The Middle Passage James Hollis, 1993 Title 59 Why do so many go through so much disruption in their middle years Why then Why do we consider it to be a crisis What does the pattern mean and how can we survive it The Middle Passage shows how we may pass through midlife consciously rendering our lives more meaningful and the second half of life immeasurably richer

Decoding **Making Certain It Goes On The Collected Poems Of Richard Hugo**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
