**Abstract**

# **Making Europe In Nordic Contexts**

**Laura Siragusa, Jenanne K. Ferguson**

## **Making Europe In Nordic Contexts:**

*Making Europe in Nordic Contexts* Pertti Anttonen, Nordic Institute of Folklore, 1996      *Nordic Law in European Context* Pia Letto-Vanamo, Ditlev Tamm, Bent Ole Gram Mortensen, 2018-12-12 Nordic law is often referred to as something different from other legal systems At the same time it is a common belief that the Nordic countries share more or less the same legal tradition and are very similar in their approach to the law Considering both of these points of view the book tells a story of how Nordic law and Nordic legal thinking differ from other legal systems and how there are many particularities in the law of each of the Nordic countries making them different from each other The idea of Nordic law also conceals national features The basic premise of the book is that even if strictly speaking there is no such thing as a Nordic common law it still makes sense to speak of Nordic law and that acquiring a more than basic knowledge of this law is interesting not only for comparative lawyers but also helpful for those working with Nordic lawyers and dealing with questions involving law in the Nordic countries      **Iceland Imagined** Karen Oslund, 2011 This cultural and environmental history sweeps across the dramatic North Atlantic landscape exploring its unusual geology saga narratives language culture and politics and analyzing its emergence as a distinctive and symbolic part of Europe The book closes with a discussion of Iceland's modern whaling practices and its recent financial collapse      **Tradition through Modernity** Pertti J. Anttonen, 2005-02-06 In their study of social practices deemed traditional scholars tend to use the concept and idea of tradition as an element of meaning in the practices under investigation But just whose meaning is it Is it a meaning generated by those who study tradition or those whose traditions are being studied In both cases particular criteria for traditionality are employed whether these are explicated or not Individuals and groups will no doubt continue to uphold their traditional practices or refer to their practices as traditional While they are in no way obliged to explicate in analytical terms their criteria for traditionality the same cannot be said for those who make the study of traditions their profession In scholarly analysis traditions need to be explained instead of used as explanations for apparent repetitions and replications or symbolic linking in social practice values history and heritage politics This book takes a closer look at tradition and folklore in order to conceptualize them within discourses on modernity and modernism The first section discusses modern and traditional as modern concepts and the study of folklore as a modern trajectory The underlying tenet here is that non modernity cannot be represented without modern mediation which therefore makes the representations of non modernity epistemologically modern The second section focuses on the nation state of Finland and the nationalistic use of folk traditions in the discursive production of Finnish modernity and its Others The insights are applicable worldwide in discussions on cultural representation      Europe Péter Niedermüller, Bjarne Stoklund, 2001 At the beginning of a new millennium a new Europe is emerging but behind this imagination we have to face old problems and unsolved conflicts of our historical past The collapse of socialism in Eastern Europe led to decline and fall of the conceptual geography which was based on East vs West and has shown political social and cultural implications for

both parts of the continent Political borders and blocks have disappeared but national ethnic cultural and social differences are all still at work In this book a number of leading European ethnologist investigates the complex process of the social cultural and symbolic constructions of Europe s new geography and shows how old lines of demarcation are revitalised how different cultural imaginations of Europe are politically instrumentalised and how political conflicts are being culturalised

**Developing Earthly Attachments in the Anthropocene** Edward H. Huijbens,2021-04-26 This book explores the development and significance of an Earth oriented progressive approach to fostering global wellbeing and inclusive societies in an era of climate change and uncertainty Developing Earthly Attachments in the Anthropocene examines the ways in which the Earth has become a source of political social and cultural theory in times of global climate change The book explains how the Earth contributes to the creation of a regenerative culture drawing examples from the Netherlands and Iceland These examples offer understandings of how legacies of non respectful exploitative practices culminating in the rapid post war growth of global consumption have resulted in impacts on the ecosystem highlighting the challenges of living with planet Earth The book familiarizes readers with the implied agencies of the Earth which become evident in our reliance on the carbon economy a factor of modern day globalized capitalism responsible for global environmental change and emergency It also suggests ways to inspire and develop new ways of spatial sense making for those seeking earthly attachments Offering novel theoretical and practical insights for politically active people this book will appeal to those involved in local and national policy making processes It will also be of interest to academics and students of geography political science and environmental sciences *Creating Diversities* Anna-Leena Siikala,Barbro Klein,Stein R.

Mathisen,2007-07-07 The effects of globalization and the momentous changes to the political map of Europe have led to a world in which multiculturalism and ethnic differences have become issues of increasing importance In Nordic countries relationships between new immigrants local ethnic groups and majorities are created in ongoing and sometimes heated discussions In transforming multicultural societies folklore has taken on new manifestations and meanings How can folklore studies illuminate the present cultural political and historical changes Creating Diversities Folklore Religion and the Politics of Heritage edited by Anna Leena Siikala Barbro Klein and Stein R Mathisen seeks answers to this question It emphasizes two important factors in the cultural and political exchanges among historical minorities recent immigrants and the majority groups dictating the conditions of these exchanges The first factor is religion which is a powerful tool in the construction of ethnic selves and in the establishment of boundaries between groups The second factor is the role of national and regional folklore archives and ethnographic and cultural historical museums which create ideas and images of minorities These representations created in different political climates affect the general understanding of the people depicted Fifteen well known folklorists and ethnographers from Norway Sweden Finland Estonia and the United States offer insights and background material on these problems In addition to immigrants and ethnic minorities in the Nordic countries especially the

Some examples are sought from among the Finno-Ugrian minorities in Russia and the Nordic population in North America

**Responsibility and Language Practices in Place** Laura Siragusa, Jenanne K. Ferguson, 2020-08-28 This volume includes chapters by junior and senior scholars hailing from Europe, Asia, North America and Oceania, all of whom sought to understand the social and cultural implications surrounding how people take responsibility for the ways they speak or write in relation to a place, whether it is one they have long resided in, recently moved to, or left a long time ago. The contributors to the volume investigate responsibility in and through language practices as inspired by the roots of the English word itself: the ability to respond or mount a response to a situation at hand. It is thus a responsive kind of responsibility, one that focuses not only on demonstrating responsibility for language but highlighting the various ways we respond to situations discursively and metalinguistically. This sort of responsibility is both part of individual and collectively negotiated concerns that shift as people contend with processes related to globalization.

**A Companion to Folklore** Regina F. Bendix, Galit Hasan-Rokem, 2014-08-25 A Companion to Folklore contains an original and comprehensive set of essays from international experts in the field of folklore studies. This state-of-the-art collection uniquely displays the vitality of folklore research across the globe. The Companion covers four main areas: the first section engages with the practices and theoretical approaches developed to understand the phenomena of folklore; the second discusses the distinctive shapes that folklore studies have taken in different locations in time and space; the third examines the interaction of folklore with various media as well as folklore's commoditization. In the final section, on practice, essays offer insights into how folklorists work, what they do, and ways in which they have institutionalized their field. Throughout, contributors investigate the interplay of folklore and folkloristics in both academic and political arenas; they evaluate key issues in the folk life of communities from around the world, including China, post-communist Russia, post-colonial India, South America, Israel, and Japan. The result is a unique reflection and understanding of the profoundly different research histories and current perspectives on international research in the field.

**Folklore and Nation in Britain and Ireland** Matthew Cheeseman, Carina Hart, 2021-08-30 This collection explores folklore and folkloristics within the diverse and contested national discourses of Britain and Ireland, examining their role in shaping the islands' constituent nations from the eighteenth century to our contemporary moment of uncertainty and change. This book is concerned with understanding folklore particularly through its intersections with the narratives of nation entwined within art, literature, disciplinary practice, and lived experience. By following these ideas throughout history into the twenty-first century, the authors show how notions of the folk have inspired and informed varied points from the Brothers Grimm to Brexit. They also examine how folklore has been adapting to the real and imagined changes of recent political events, acquiring newfound global and local rhetorical power. This collection asks why, when, and how folklore has been deployed, enacted, and considered in the context of national ideologies and ideas of nationhood in Britain and Ireland. Editors Cheeseman and Hart have crafted a thoughtful and timely collection ideal for students and

scholars of folklore history literature anthropology sociology and media studies

**Cross-Border Governance in the European Union** Barbara Hooper, Olivier Kramsch, 2004-08-02 This volume attempts to draw debates on governance at both of these levels into spaces of cross border regionalism in Europe today Embodying both supra national and sub national dynamics of contemporary forms of governance cross border regions or euregions enable observation of the fitful progress and contradictions of the multilevel polity that is contemporary Europe Including case studies from throughout the EU as exemplars of specific border regimes the volume identifies the practical and theoretical importance of governing in Europe s new cross border territories as part of a newly reinvigorated regional question In Europe s euregions it is argued issues of democracy identity sovereignty citizenship and scale must be rethought when a border runs through it This book utilises a diversity of perspectives and a range of selected case studies to examine modes of governance emerging across the nation state borders of Europe It will interest students and researchers of European Union borders

**Haunting Futures** Marek Pawlak, 2024-12-01 The 2008 economic collapse in Iceland sent its residents into a destabilising crisis with far reaching temporal and affective consequences Haunting Futures explores how the complex relationships of this unstable past and the anticipatory modes of the ongoing present keep Icelanders and the Polish migrant community in their midst alert to looming futures in crisis It offers insights into timely crisis ridden impacts and imaginings migration processes and social understandings and practices Through its attention to how people engage with crisis temporally and affectively the book presents the crisis not simply as an isolated and distressing event but as a spectre embodied in time through ongoing anticipation

**Nordic Welfare States in the European Context** Johan Fritzell, Bjorn Hvinden, Mikko Kautto, Jon Kvist, Hannu Uusitalo, 2005-07-28 This important sequel to Nordic Social Policy Routledge 1999 compares welfare state development over the last twenty years in Denmark Finland Norway and Sweden with that of Germany the Netherlands the United Kingdom and other Western European countries Topics covered include income distribution health inequalities and gender equality gender policies health and social care services and policy reaction to family changes social security and employment policies financing of welfare states In the context of globalisation ageing populations changing employment patterns and rising inequalities Nordic Welfare States in the European Context offers an empirical analysis of welfare adaptations and a lively discussion of the historical development of European social policy It finds a greater ambiguity regarding variation and trends than is commonly suggested Contrary to expectation there is little evidence of the Europeanisation of Nordic welfare states rather the reverse The comparable and empirical data used in this study make it a unique contribution to understanding current trends in European social policy

**Saints and Their Cults in the Atlantic World** Margaret Jean Cormack, 2007 Saints and Their Cults in the Atlantic World traces the changing significance of a dozen saints and holy sites from the fourth century to the twentieth and from Africa Sicily Wales and Iceland to Canada Boston Mexico Brazil and the Caribbean Scholars representing the fields of history art history religious studies and communications contribute their perspectives in this

interdisciplinary collection also notable as the first English language study of many of the saints treated in the volume Several chapters chart the changing images and meanings of holy people as their veneration traveled from the Old World to the New others describe sites and devotions that developed in the Americas The ways that a group feels connected to the holy figure by ethnicity or regionalism proves to be a critical factor in a saint s reception and many contributors discuss the tensions that develop between ecclesiastical authorities and communities of devotees *Environment, Space, Place: Volume 7, Issue 2 (Fall 2015)* ,2016-05-16 Útrásarvíkingar! Alaric Hall,2020 As the global banking boom of the early twenty first century expanded towards implosion Icelandic media began calling the country s celebrity financiers tr sárvíkingar raiding vikings This new coinage encapsulated the macho medievalist nationalism which underwrote Iceland s exponential financialisation Yet within a few days in October 2008 Iceland saw all its main banks collapse beneath debts worth nearly ten times the country s GDP Hall charts how Icelandic novelists and poets grappled with the Crash over the ensuing decade As the first English language monograph devoted to twenty first century Icelandic literature it provides Anglophone readers with an introduction to one of the world s liveliest literary scenes It also contributes a key case study for understanding global artistic responses to the early twenty first century crisis of runaway unregulated capitalism exploring the struggles of writers to adapt realist forms of art to surreal times As Iceland s biggest crisis since their independence from Denmark in 1944 the effect of the Crash on the national self image was as seismic as its effects on the economy This study analyses the centrality of whiteness and the abjection of the developing world in Iceland s post colonial identity and shows how Crash writing explores the collisions of Iceland s traditional nationalist medievalism with a dystopian Orientalist medievalism associated with the Islamic world The Crash in Iceland was instantly recognised as offering important economic insights This book shows how Iceland also helps us to understand the cultural convulsions that have followed the Financial Crisis widely in the West **Global Comparative Management** Ralph B. Edfelt,2009-02-10 Taking an integrative interdisciplinary approach to the coverage of managerial issues functions practices and problems the text provides a view of international management beyond intercultural issues **Hidden rituals and public performances** Anna-Leena Siikala,Oleg Ulyashev,2011-08-22 Why are Khanty shamans still active What are the folklore collectives of Komi Why are the rituals of Udmurts performed at cultural festivals In their insightful ethnographic study Anna Leena Siikala and Oleg Ulyashev attempt to answer such questions by analysing the recreation of religious traditions myths and songs in public and private performances Their work is based on long term fieldwork undertaken during the 1990s and 2000s in three different places the Northern Ob region in North West Siberia and in the Komi and Udmurt Republics It sheds light on how different traditions are favoured and transformed in multicultural Russia today Siikala and Ulyashev examine rituals songs and festivals that emphasize specificity and create feelings of belonging between members of families kin groups villages ethnic groups and nations and interpret them from a perspective of area state and cultural policies A closer look at post Soviet

Khanty Komi and Udmurts shows that opportunities to perform ethnic culture vary significantly among Russian minorities with different histories and administrative organisation Within this variation the dialogue between local and administrative needs is decisive

*The Nordic Education Model in Context* Daniel Tröhler, Bernadette Hörmann, Sverre Tveit, Inga Bostad, 2022-08-15 Tracing historical and cultural factors which gave rise to the Nordic Education Model this volume explores why Northern European education policy has become an international benchmark for schooling The text explains the historical connection between a Nordic ideal of democracy and schooling and indicates how values of equality welfare justice and individualism might be successfully integrated in national school systems and curricula around the world The volume also highlights recent debates around the longevity of the Nordic model and explores the risks and challenges posed by international policy and assessment agendas Exploring how Nordic education policies successfully merge social equity with academic excellence the book combines cultural historical sociological and philosophical analysis with a deep exploration of curriculum and teaching This book will be of great interest to researchers scholars and postgraduates working across the fields of curriculum comparative education cultural studies and history and philosophy of education and education policy The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

*Light in the Dark* Björn Norðfjörð, 2025-02-24 Light in the Dark tells the dramatic history of Icelandic cinema from its modest origin in the early twentieth century to the heterogeneous and complex national cinema of today In tracing this wide ranging history author Björn Norðfjörð describes the constant tug between local and national cultural forces and the transnational and global pull of world cinema Norðfjörð starts by casting light on the earliest films made in the country expanding outward to survey Scandinavians adaptations of Icelandic literature filmed during the late silent period documentaries of the interwar period and the first narrative features following the end of World War II and national independence He traces the emergence of national cinema proper to the 1980s with the foundation of the Icelandic Film Fund explores the subsequent impact of first European art cinema and then Hollywood genre cinema and finally considers the remarkable international success of Icelandic cinema in the twentieth first century Along the way Norðfjörð draws attention to many additional issues and topics regarding Icelandic cinema including depictions of nature and animals the aesthetics of fire and ice the role of film adaptation the impact of Nordic noir and crime fiction Hollywood runaway productions and the question of women's cinema in Icelandic filmmaking Throughout the book films from all periods of Icelandic filmmaking are analysed in detail with equal emphasis on content and form including both lesser known titles and key films like *The Outlaw and His Wife* Victor Sjöström 1917 *Salka Valka* Arne Mattson 1954 *Land and Sons* Guðmundsson 1980 *When the Raven Flies* Hrafn Gunnlaugsson 1984 *Cold Fever* Friðrik Friðriksson 1995 101 Reykjavík Baltasar Kormákur Rams Grímur Hkonarson 2015 and *Godland* Hlynur Pálmason 2022

**Making Europe In Nordic Contexts: Bestsellers in 2023** The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year.

**The Must-Read :** Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

**Uncover the Best :** Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

**Discover the Magic :** Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

### **Making Europe In Nordic Contexts Introduction**

In today's digital age, the availability of Making Europe In Nordic Contexts books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Europe In Nordic Contexts books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Europe In Nordic Contexts books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if

you need to purchase several of them for educational or professional purposes. By accessing Making Europe In Nordic Contexts versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Europe In Nordic Contexts books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Europe In Nordic Contexts books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Europe In Nordic Contexts books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Europe In Nordic Contexts books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Europe In Nordic Contexts books and manuals for download and embark on your journey of knowledge?

## **FAQs About Making Europe In Nordic Contexts Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
