Hicks, 2021-06-28. A book that encourages, entertains, inspires and motivates church choir directors and their choirs. Forty engaging, oftentimes humorous stories drawn from the author's extensive multi-denomination church music career with supporting practical applications and images. Example stories include *The Soprano Fell Out of the Choir Loft* and *When the Choir Stole Our Toothbrushes*. The author also addresses the challenges faced by choirs and their directors during the COVID-19 pandemic that may also be applied to other situations. French, M.Ed., 2025-02-06. Something integral to our overall health is missing. Health care providers, educators, CEOs and others in leadership positions often discuss the concept of wellness in an effort to treat disorders of the mind and body. Businesses may often spend excessive amounts of money on wellness practices. Surveys are often conducted to determine how one is functioning, but very little time is spent sharing our stories, communicating and understanding each other in a deep and meaningful way. Engaging in meaningful discussions can address a deep longing in our souls. People must be properly armed with all the necessary information from physicians, professionals and research. People also need information rooted in sound Catholic Christian doctrine addressing the soul's needs. By reading scripture, developing habits of consistent daily prayer, going to Mass regularly and frequently receiving the sacraments and seeking the help and support of proper Catholic Christian counselors, people will likely be more empowered and able to discern God's will and make choices more pleasing to Him. *Follow God's Plan and Stop Making Sense* Lawrence Kinny, 2013-05.
