one's wealth, personal development and happiness. Successful people don't sit around waiting for everything to be 100% right or to be absolutely sure they will succeed. They don't need absolute assurance because they realize life doesn't provide any. To get what they want out of life, they set specific goals and put together a formal plan to achieve those goals one step at a time. Successful people know that the cost of failure is modest compared to that of inaction. Failure means they are smarter the next time. Inaction means there is no next time; there's only a lifetime of regret. In *The Pledge: Your Master Plan for an Abundant Life*, author Michael Masterson reveals how to become successful and not just financially but in every area of life. The book offers simple tips to making immediate changes and to establishing long-term goals. Details strategies on becoming more productive at the office and defeating depression. Explains why simplifying goals into four major ones makes them much easier to achieve. The Pledge teaches readers how to start and finish projects they have been dreaming about for years, boost confidence, strengthen skills, build wealth and enjoy life.

How to Make Money Teaching Online with Your Camcorder and Pc Anne Hart, 2002-03-11. What Can You Teach Online from Home Using Your Camcorder, Personal Computer and the Internet. Did you know that you can teach almost any subject online on the Web at Blackboard.com (<http://www.blackboard.com>) for a university, community college, continuing education department or in adult education or for yourself as an independent contractor in your own personal broadcasting network. Blackboard is where I teach. Founded to transform the Internet into a powerful environment for teaching and learning, Blackboard traces its technology roots to Cornell University. Today, thousands of institutions in 140 countries deliver education services through Blackboard's suite of enterprise systems. If you put up a course at Blackboard.com on the Web or for any similar type of teaching area on the Web, you can teach online independently without anyone hiring you as a teacher. You are an independent consultant, a trainer, an independent contractor or you can start your own school or one course online and teach. This book is about using your personal computer and your camcorder linked together to teach online from your home any subject you are able to teach, have expertise in or enjoy researching. This can be a hobby, what you have studied and are credentialed or licensed or any how-to subject. You can teach writing, using a camcorder, public speaking or any technology that you have worked with and have expert knowledge of in a home-based online office.
