Okay for Everyone to Relax Kevin Sweeney,2022-05-31 There is an increasing interest in the mystics contemplative faith and what it feels like in real life We have teachers who can explain the path and help us understand but we need guides who have experienced the path and who can show us how it unfolds This is what *The Making of a Mystic* is all about **The Making of a Mystic (Classic Reprint)** Aelfrida Tillyard,2017-11-24 Excerpt from *The Making of a Mystic* In the Lent terms of the years 1915 1916 and 1917 I delivered courses of Lectures at Cambridge on Spiritual Exercises and their Psychological Results The Development of the Religious Consciousness in East and West and The Practice of Mysticism These lectures which were given in the Psychological lecture room were purely academic They brought me into contact however with a number of people whose interest in mysticism and in the spiritual experience and methods of meditation of saints of all religions was not merely that of the scholar I found myself being constantly asked for advice by men and women who wished to become pilgrims on the mystic way and who felt the need for intense religious experience without having any opportunity for practising the austerities of the contemplative life I myself as I had better confess quite frankly am a mystic in so far as I find the world of spiritual experience more real than the material world and look on our union with God as the aim of

humanity And though I agree with Dr Rendel Harris that those people who talk of undertaking the guidance of souls are both dangerous and impertinent I could not avoid giving these seekers after truth such help as was within my power which was little enough of course About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
