

The background of the book cover is a detailed, multi-layered illustration. The top portion shows a dark, industrial scene with smoke rising from chimneys and large gears. The middle and bottom portions depict a crowded, historical scene with various figures. In the foreground, a Native American man in a feathered headdress and red tunic is shown in a dynamic pose, holding a bow. To his right, a man in a white tunic and brown belt is seated at a table. Other figures in historical attire are visible in the background, some standing and some seated. The overall style is that of a historical painting, with a focus on human activity and cultural interaction.

Smith, 2016-09-02 The Making of the West features a chronological narrative that offers a truly global context and tells the story of the cross cultural exchanges that have shaped western history This two color Value Edition includes the full narrative and all maps and select images from the comprehensive text LaunchPad available free when packaged with the book or discounted standalone features all of the contents of the comprehensive edition in full color plus a wealth of primary documents comparative analysis visual analysis and quantitative analysis in every chapter With the addition of LaunchPad the Value Edition offers more value and options than ever before [The Making of the West, Combined Volume](#) Lynn Hunt, 2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to The Making of the West The book s chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships Read the preface

American Politics and the African American Quest for Universal Freedom Hanes Walton, Jr, 2020-12-30 This dynamic and comprehensive text from nationally renowned scholars continues to demonstrate the profound influence African Americans have had and continue to have on American politics Using two interrelated themes the idea of universal freedom and the concept of minority majority coalitions the text demonstrates how the presence of Africans in the United States affected the founding of the Republic and its political institutions and processes The authors show that through the quest for their own freedom in the United States African Americans have universalized and expanded the freedoms of all Americans New to the Ninth Edition Updated sections on intersectionality dealing with issues of race and gender Updated section on African American music to include the role of Hip Hop Updated sections on mass media coverage of African Americans and the African American celebrity impact on politics adding new mention of the CROWN Act and the politics of Black hair Updated section on the Black Lives Matter movement adding a new section on the Me Too movement Updated sections on African Americans in Congress with a new mention of the Squad Updated voting behavior through the 2020 elections connecting the Obama years with the new administration A comparison of the 2016 and 2020 presidential elections A discussion of the way in which race contributes to the polarization of American politics in the 2020 presidential campaign An analysis of the racial attitudes of President Trump and the institutionally racist policies of his administrations Updated chapter on state and local politics including a new section on state executive offices and Black mayors Updated sections on material well being indicators adding a new section on the coronavirus pandemic and the Black community The first overall

assessment of the Obama administration in relation to domestic and foreign policy and racial politics American Politics and the African American Quest for Universal Freedom Hanes Walton, Robert C. Smith, 2015-10-16 This dynamic and comprehensive text from two nationally renowned scholars continues to demonstrate the profound influence African Americans have had and continue to have on American politics Through the use of two interrelated themes the idea of universal freedom and the concept of minority majority coalitions the text demonstrates how the presence of Africans in the United States affected the founding of the Republic and its political institutions and processes The authors show that through the quest for their own freedom in the United States African Americans have universalized and expanded the freedoms of all Americans

New Histories for Old Theodore Binnema, Susan Neylan, 2011-11-01 Scholarly depictions of the history of Aboriginal people in Canada have changed dramatically since the 1970s when Arthur J Skip Ray entered the field New Histories for Old examines this transformation while extending the scholarship on Canada's Aboriginal history in new directions The collection combines essays by prominent senior historians geographers and anthropologists with contributions by new voices in these fields The chapters reflect the core themes studied by Ray himself including Native struggles for land and resources under colonialism the fur trade Indian policy and treaties mobility and migration disease and well being and Native newcomer relations This book sheds new light on the history of scholarship on Canada's Aboriginal past and the leading role played by one of Canada's foremost historians It also provides a fascinating snapshot of the lines of inquiry pursued by emerging scholars in the field New Histories for Old is a major contribution to understanding Native newcomer relations Native struggles for land and resources under colonialism Indian policy and treaties mobility and migration disease and well being and questions about doing Native history It will appeal to scholars and students in history Native studies geography anthropology and related fields

Handbook of Medieval Culture. Volume 1 Albrecht Classen, 2015-08-31 A follow up publication to the Handbook of Medieval Studies this new reference work turns to a different focus medieval culture Medieval research has grown tremendously in depth and breadth over the last decades Particularly our understanding of medieval culture of the basic living conditions and the specific value system prevalent at that time has considerably expanded to a point where we are in danger of no longer seeing the proverbial forest for the trees The present innovative handbook offers compact articles on essential topics ideals specific knowledge and concepts defining the medieval world as comprehensively as possible The topics covered in this new handbook pertain to issues such as love and marriage belief in God hell and the devil education lordship and servitude Christianity versus Judaism and Islam health medicine the rural world the rise of the urban class travel roads and bridges entertainment games and sport activities numbers measuring the education system the papacy saints the senses death and money

Democracy in Crisis around the World Saliba Sarsar, Rekha Datta, 2020-11-05 In the twenty first century democracies across the globe are in crisis The strength of basic democratic institutions and core enduring political principles and values are eroding in key regions and countries

Authoritarian regimes are rising and populist leaders are emerging Democracy in Crisis across the World weaves threads of history and politics in two parts to analyze how long this trend may last and what the future may bring By first examining the state of democracy in Sub Saharan Africa Eastern Europe Western Europe Latin America and the Middle East and North Africa the second part of the collection highlights to democratic trajectory of India China Russia and the United States Ending with a look at how the world s governments have responded to the coronavirus pandemic contributors argue that unless democracy is defended with resolution and nurtured with resilience it will fall
