## **Making Peace In The Global Village:**

Making Peace in the Global Village ,1981-01-01 Advocates the role of a Christian approach to peacemaking in an age of increased militarism nuclear proliferation and an escalating international arms race      **Leader's Guide for Making Peace in the Global Village by Robert McAfee Brown** Katherine A. Gehris,Paul D. Gehris,198?      Peacemaking ,2021-10-25

Peacemaking includes a large array of activities from local to global attempts to attain peace It includes consideration of international interstate and intertribal conflict resolution communal personal and interpersonal social justice deterrence of the use of nuclear weapons design of international treaties that prevent war or other forms of international conflict disarmament international organizations that secure the order among nations and even from some points of view war As the 20th century drew to a close we have witnessed peacemakers trying to end ethnic cleansing reinstate justly elected political leaders and reach compromises in the ideological differences that perpetuate age old conflicts We also see peacemaking in our schools homes and workplaces Philosophers have long been interested in peacemaking in one form or another and philosophical accounts of peacemaking reflect the variety of perspectives methods and activities developed in pursuing peacemaking In some instances philosophers expand upon the situations activities and methods of the peacemaker in the field The essays in this volume propose some theoretical arguments for various aspects of peacemaking offer nonmilitary alternatives to war and discuss practical examples of peacemaking in daily life The contributors analyze power relations language social groupings and distribution of resources At times they draw insight from social and historical models of conflict and conflict resolution This collection of essays on peacemaking aims to enlighten contemporary social and political discussions and contribute to achieving the ever challenging goal of peace      *McLuhan's Global Village Today* Angela Krewani,2015-10-06 Marshall McLuhan was one of the leading media theorists of the twentieth century This collection of essays explores the many facets of McLuhan s work from a transatlantic perspective balancing applied case studies with theoretical discussions      Military Chaplains' Review ,1983      **Space and the Global Village: Tele-services for the 21st Century** G. Haskell,Michael J Rycroft,2012-12-06 Recent developments in telecommunications have led to new developments in tele services particularly tele health and tele education for the benefit of those living in either the developed world or the less developed world The benefits accrue to individuals and also to society at large An international and interdisciplinary Symposium was organized by the International Space University to bring together technical and non technical people to consider the future applications of space techniques to tele services The Proceedings of this Symposium are essential reading for all who need to appreciate the broad range of issues involved in this developing area      *From Tribal Village to Global Village* Alison Brysk,2000 This book examines the rise of human rights movements in five Latin American countries Ecuador Mexico Brazil Nicaragua and Bolivia among the hemisphere s most isolated and powerless people Latin American Indians It describes the impact of the Indian rights movement on world politics from reforming the United Nations to evicting foreign

oil companies and analyzes the impact of these human rights experiences for all of Latin America's indigenous citizens and native people throughout the world

*With Roots and Wings* Jay B. McDaniel, 2009-06-26 In *With Roots* to be open to the insights of people of other faiths as well as to share our own and to become centered on God McDaniel shows where the new universe story of Thomas Berry and Brian Swimme and the Christian story meet and differ where they complement and where they supplement one another *With Roots Wings* shows how to experience both green grace that comes from opening one's self to the rhythms of the cosmos and red grace symbolized in the crucifixion of Christ both of which are vital to a Christian ecological spirituality and praxis Most impressive is McDaniel's ability to absorb and reflect important lessons Christians can learn from Native Americans from Buddhists and Hindus from Muslims and Jews The complexity of the issues he addresses and his ability to explain them simply and clearly makes *With Roots and Wings* must reading for the general reader as well as ecological activists clergy and laity alike Nothing else comes near it in depth power and insight

**Gods in the Global Village** Lester R. Kurtz, 2012 In an era plagued by religious conflict the Third Edition of *Gods in the Global Village* directly responds to issues of social problems prevalent in the world today Using an engaging thought provoking style author Lester R Kurtz focuses on the relationship among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order This book focuses on a central aspect of that common crisis A major assumption of this book is that all knowledge is shaped by the social context of the knower therefore both religious traditions and our studies of them are shaped by the context in which we construct them The author argues that religious pluralism will be a necessary precondition of the global village for the foreseeable future The question that faces us as a human community is not Which religious tradition is true or even Is any religious tradition true but rather How can we enable the various religious and secular traditions to coexist peacefully on the planet The text supports the belief that the sociology of religion itself a pluralistic discipline can provide invaluable insight into the most pressing problems of our time

**Introduction to Christian Ethics** Roger H Crook, 2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues

**Mennonites in the Global Village** Leo Driedger, 2000-01-01 An exploration of the impact of professionalism and individualism on Mennonite culture families and religion Driedger contends that Mennonites are in a unique position in the global electronic age having entered modern society relatively recently

**The Fourth Wave** Herman Maynard, Susan E. Mehrtens, 1996-08-31 Applying the concept of historical waves originally propounded by Alvin Toffler in *The Third Wave* Herman Maynard and Susan Mehrtens look toward the next century and foresee a fourth wave an era of integration and responsibility far beyond Toffler's revolutionary description of third wave postindustrial society Whether we attain this stage of global well being however will depend on how well our business institutions adapt and change *The Fourth Wave* examines the ways business has changed in

the second and third waves and must continue to change in the fourth The changes concern the basics how an institution is organized how it defines wealth how it relates to surrounding communities how it responds to environmental needs and how it takes part in the political process Maynard and Mehrtens foresee a radically different future in which business principles concern for the environment personal integrity and spiritual values are integrated The authors also demonstrate the need for a new kind of leadership managers and CEOs who embrace an attitude of global stewardship who define their assets as ideas information creativity and vision and who strive for seamless boundaries between work and private lives for all employees

**Gospel in the Global Village** Katharine Jefferts Schori, 2009-08-01 In this second book by Presiding Bishop Jefferts Schori she explores issues and challenges of deep concern to the Episcopal Church the wider Body of Christ and the world at large Arranged thematically her essays reflect on the travel issues people and passions that have driven the first three years of her primacy She places particular emphasis on the Millennium Development Goals plus the turmoil within the Anglican Communion and the Episcopal Church in the United States **Joining the Army That Sheds No Blood** Susan Clemmer Steiner, 2009-09-01 Jesus wants YOU to join a great company of peacemakers an army that sheds no blood This book reviews what the Bible says about peacemaking and tells the stories of Christian peacemakers through the centuries Jesus is God's most important clue to peace so we spend a lot of time with him But we also explore how Jesus connects with God's purposes at creation with war in the Old Testament with our responsibility to government and with the realities of life in a nuclear age We discuss practical issues young peacemakers are facing career choices military service the nuclear arms race and war taxes Joel Kauffman's new cartoon strip Pontius Puddle featuring a pair of precocious frogs provides pungent perspectives on peacemaking throughout the book

**Christians and Nonviolence in the Nuclear Age** Gerard Vanderhaar, 2013-08-28 Christians and Nonviolence in the Nuclear Age presents a constructive personal response that individuals can make to the challenge posed by nuclear weapons It outlines a positive nonviolent alternative to war This alternative can be practiced in one's own personal life and extended into the arena of international relations The book assesses the terrible realities of the Nuclear Age and sophisticated weapons systems in light of the biblical teachings about idolatry Then it presents the life of Jesus as a model upon which women and men of good will can pattern a lifestyle of nonviolence Christians and Nonviolence in the Nuclear Age proposes a new vision of self country and the world that measures up to the demands of the times In light of that vision the book suggests specific actions individuals and groups can take to change the course of our world from self destruction to mutual understanding and cooperation

**Religion and Violence**, 1987-01-01 Robert McAfee Brown's Religion and Violence is a comprehensive introduction to the ethical and moral questions that abound at the intersection of violence and religion Brown discusses such important issues as nuclear war terrorism capital punishment and revolution

**Interfaith Just Peacemaking** S. Thistlethwaite, 2012-01-02 Interfaith Just Peacemaking is a collected work by 27 Jewish Muslim and Christian scholars and religious leaders on the ten practice norms of the peacemaking paradigm called Just

Peace Just Peace theory like the paradigm it most resembles Just War theory is a list of specific practices that are applied to concrete contexts **Peacemaking: Family Activities for Justice and Peace, Vol. 2** Jacqueline Haessly, 2011-10

Peacemaking Family Activities for Justice and Peace consists of two volumes Vol 1 Facing Challenges and Embracing Opportunities integrates theory and practical advice for families educators and community leaders on eight themes Vol 2 Examining Values Developing Skills and Acting for Peace in the Family the Community and the World includes a variety of family activities some light and lively some that foster personal discovery and some that encourage deeper reflection on each of these eight themes Each volume includes a section devoted to Interfaith Prayer Services as well as a Resource Guide and Bibliography The activities can be adapted for people of all ages Understanding Peace Michael Allen Fox, 2013-11-12

Understanding Peace A Comprehensive Introduction fills the need for an original contemporary examination of peace that is challenging informative and empowering This well researched fully documented and highly accessible textbook moves beyond fixation on war to highlight the human capacity for nonviolent cooperation in everyday life and in conflict situations After deconstructing numerous ideas about war and explaining its heavy costs to humans animals and the environment discussion turns to evidence for the existence of peaceful societies Further topics include the role of nonviolence in history the nature of violence and aggression and the theory and practice of nonviolence The book offers two new moral arguments against war and concludes by defining peace carefully from different angles and then describing conditions for creating a culture of peace Understanding Peace brings a fresh philosophical perspective to discussions of peace and also addresses down to earth issues about effecting constructive change in a complex world The particular strength of Understanding Peace lies in its commitment to reflecting on and integrating material from many fields of knowledge This approach will appeal to a diverse audience of students and scholars in peace studies philosophy and the social sciences as well as to general interest readers WORDS for Thinking AND THOUGHTS for Meditation Paul Krebill, 2004-05-13 WORDS for Thinking AND THOUGHTS for Meditation is a Christian resource for an ordered and effective spiritual devotional experience Life concerns as well as social and ethical issues are considered in the light of God s message through Jesus Christ Readers will find in this volume three hundred and sixty six daily devotional readings Each day s devotional has a suggested scripture reference as the basis for a brief comment provided for the day In addition each reading includes a short prayer These can be used in a family or small group setting as well as privately Since each day s devotional reading contains a separate and complete message one can begin using this volume at any time and continue on a daily inspired journey of faith for one s life In addressing personal and social issues I have drawn upon more than forty years of pastoral ministry as well as upon a life long study of Christian theology In this way I believe my sharing in the real struggles of persons facing life problems and my awareness of the accumulated insights of Christian thinkers come together in this book of devotions which is designed to give the reader thoughts upon which to meditate along life s way Paul Krebill
