Mao Philip Short, 1999 Philip Short's fascinating biography holds the key to a real understanding of Mao's motivations Mao was a colossal figure great within his century and in Chinese terms launching a new cycle of history Tracing his life from a peasant upbringing to his struggle for power through to his role beyond the grave the power struggle that followed his death in 1976 and his posthumous role as a secular deity Mao sheds new light on the dimensions and colour of his life and the immensity of his influence on world history **Mao Zedong** Jonathan D. Spence, 2006-08-29 Spence draws upon his extensive knowledge of Chinese politics and culture to create an illuminating picture of Mao Superb Chicago Tribune From humble origins in the provinces Mao Zedong rose to absolute power unifying with an iron fist a vast country torn apart by years of weak leadership colonialism and war This sharply drawn and insightful account brings to life this modern day emperor and the tumultuous era that he did so much to shape Jonathan Spence captures Mao in all his paradoxical grandeur and sheds light on the radical transformation he unleashed that still reverberates in China today **The Private Life of**

Chairman Mao Li Zhi-Sui, 1996-04-02 The most revealing book ever published on Mao perhaps on any dictator in history Professor Andrew J Nathan Columbia University From 1954 until Mao Zedong's death twenty two years later Dr Li Zhisui was the Chinese ruler's personal physician which put him in daily and increasingly intimate contact with Mao and his inner circle in The Private Life of Chairman Mao Dr Li vividly reconstructs his extraordinary experience at the center of Mao's decadent imperial court Dr Li clarifies numerous long standing puzzles such as the true nature of Mao's feelings toward the United States and the Soviet Union He describes Mao's deliberate rudeness toward Khrushchev and reveals the actual catalyst of Nixon's historic visit Here are also surprising details of Mao's personal depravity we see him dependent on barbiturates and refusing to wash dress or brush his teeth and the sexual politics of his court To millions of Chinese Mao was more god than man but for Dr Li he was all too human Dr Li's intimate account of this lecherous paranoid tyrant callously indifferent to the suffering of his people will forever alter our view of Chairman Mao and of China under his rule Praise for The Private Life of Chairman Mao From now on no one will be able to pretend to understand Chairman Mao's place in history without reference to this revealing account Professor Lucian Pye Massachusetts Institute of Technology Dr Li does for Mao what the physician Lord Moran's memoir did for Winston Churchill turns him into a human being Here is Mao unveiled eccentric demanding suspicious unregretful lascivious and unfailingly fascinating Our view of Mao will never be the same again Ross Terrill author of China in Our Time An extraordinarily intimate portrait of Mao Dr Li portrays Mao's imperial court as a place of boundless decadence licentiousness selfishness relentless toadying and cutthroat political intrigue Richard Bernstein The New York Times One of the most provocative books on Mao to appear since the publication of Edgar

Snow's Red Star Over China Paul G Pickowicz The Wall Street Journal **The Life of Mao** Ross Terrill, 2015-05-12

Indispensable to understanding the inseparable relationship between Mao and events in China over the last century What's more it's fascinating reading Chicago Sun Times Journalistic yet authoritative lively and readable insightful in unraveling Mao's contradictions The New York Times An illuminating full length portrait Los Angeles Times Ross Terrill probably this country's preeminent writer on China has given us a whole man to replace the two dimensional representation Boston Globe Everyone who came into close contact with Chinese dictator Mao Zedong was surprised at his personal habits He would stay up much of the night sleep during the day and would sometimes remain awake for thirty six hours or more until he finally collapsed Yet many who met Mao were impressed by his intellectual reach originality and kindness It would seem difficult to reconcile these two views of Mao But there was no divide between Mao the man and Mao the leader This insightful

biography by China scholar Ross Terrill provides a comprehensive account of this powerful and polarizing figure **Mao Zedong** Jonathan Clements, 2006 Accessible and affordable illustrated biography about a topical historical figure

Chairman Mao Charles River Charles River Editors, 2013-09-19 Includes pictures Includes excerpts of Mao's writings about politics and military strategy Includes a bibliography for further reading A revolution is not a dinner party or writing an essay or painting a picture or doing embroidery It cannot be so refined so leisurely and gentle so temperate kind courteous restrained and magnanimous A revolution is an insurrection an act of violence by which one class overthrows another Mao Zedong It's a sure sign of fame when a man is known simply by his first name and Mao Zedong often referred to simply as Mao or Chairman Mao was one of the most influential men of the 20th century He was also arguably the most controversial as the founder of the People's Republic of China Mao rose from being a communist revolutionary to successfully overthrowing a regime and transforming China into a communist powerhouse in Asia The ramifications of Mao's life and legacy are still very much felt today as China continues to transition into a superpower that may soon lay claim to the world's largest economy Mao's communist revolution is still controversial but it was his reign over China that has made him notorious and in the West he is often considered one of history's biggest tyrants Mao's revolution and his subsequent policies have been accused of causing millions of deaths possibly more than the likes of Hitler and Stalin It has been roughly estimated that Mao was responsible for the deaths of anywhere from 40 70 million but he has plenty of defenders as well who cite Mao's military and political leadership for inspiring similar revolutions across the world Chairman Mao The Life and Legacy of Mao Zedong chronicles the rise of Mao and analyzes his leadership of China and the lasting effects he has had on geopolitics today Along with pictures of important people places and events you will learn about Mao like you never have before in no time at all *Mao* Jung Chang, Jon Halliday, 2011-10-05 The most authoritative life of the Chinese leader ever written Mao The Unknown Story is based on a decade of research and on interviews with many of Mao's close circle in China who have never talked before and with virtually everyone outside China who had significant dealings with him It is full of

startling revelations exploding the myth of the Long March and showing a completely unknown Mao he was not driven by idealism or ideology his intimate and intricate relationship with Stalin went back to the 1920s ultimately bringing him to power he welcomed Japanese occupation of much of China and he schemed poisoned and blackmailed to get his way After Mao conquered China in 1949 his secret goal was to dominate the world In chasing this dream he caused the deaths of 38 million people in the greatest famine in history In all well over 70 million Chinese perished under Mao s rule in peacetime

The Life of Madame Mao Ross Terrill, 2014-08-05 A peculiar facet of China s history is that its greatest villains have often been women The evil Empress Wu lives on in legend as does another ogre the White Boned Demon Madame Mao Zedong On January 25 1981 Jiang Qing widow of Mao was sentenced to death Two years later that sentence was changed to life imprisonment The daughter of a concubine Jiang Qing grew up as an outcast in the homes of wealthy men In her early teens she joined a troupe of roving actors By the age of nineteen she had exhausted two marriages Reaching Shanghai she won theatrical success as Ibsen s Nora a role that gave expression to both her rage and ambition At twenty four Jiang Qing abandoned stardom at the height of a movie career to join Mao Zedong after his Long March across China She married the great revolutionary after his current wife was ousted and rose to be the inspiring and vengeful leader of the Cultural Revolution As Mao sank toward death Jiang Qing made her bid to be empress She failed and soldiers came to arrest her in the middle of the night Her downfall reverberated across the world Ross Terrill author of *The Life of Mao* one of the West s most eminent Sinologists is uniquely qualified to unearth Madame Mao s hidden story Terrill went to China and Taiwan to track down documents and living sources and discovered secret papers and photos that had escaped Madame Mao s confiscation In the author s words This book tells Jiang Qing s story through the eloquent unofficial voices of China oral histories eyewitness accounts from the grassroots testimony of those Chinese who watched knew hated or loved Jiang Qing The result is a portrait of a woman vivid flawed and human who fought her way to a place in
