Deconstructing Sacramental Theology and Reconstructing Catholic Ritual Joseph Martos, 2015-05-12 Catholic sacramental doctrine has lost much of its credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church s own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church s religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites

Christian Initiation J. D. C. Fisher, 2005 This book is a sequel to *Christian Initiation Baptism in the Medieval West* and the second in the Hillenbrand Books series of J D C Fisher s historical treatments of the sacraments of initiation This reissue of Fisher s classic study of the sacramental rite of confirmation examines what the early rite of confirmation consisted of and what grace it was believed to confer in the period when there is undisputed evidence of the rite s existence Like the earlier work *Christian Initiation Baptism in the Medieval West* Chicago Mundelein Hillenbrand Books 2004 *Christian Initiation Confirmation Then and Now* moves from early non biblical evidence through a survey of African European and Near Eastern regions in the third and fourth centuries before exploring the emergence of the ritual called confirmation in fourth and fifth century Gaul Book jacket
