Heroes to Hostages Firoozeh Kashani-Sabet, 2023-08-24 It is easy to forget given the oppositional dynamic between Iran and the United States of the last 50 years that these two countries once shared productive partnership Tracing US Iran relations over two turbulent centuries Firoozeh Kashani Sabet considers when and how this relationship went awry With careful attention to social and cultural as well as diplomatic developments Kashani Sabet shows that the rift did not originate in flashpoints of crisis like the 1953 coup or the 1979 Islamic Revolution but was instead long in the making Drawing from a wealth of English and Persian language sources many of which were previously unavailable or unacknowledged this book considers the relationship from the vantage point of Iranian society and the experiences of an evolving Iran that strived to accommodate American and great power politics Following these two nations through wars decolonization and revolution Kashani Sabet presents an invaluable history of a diplomatic rivalry that informs geopolitics to this day

Apocalyptic Islam and Iranian Shi'ism Abbas Amanat, 2009-02-19 Interest in Shi i Islam is running at unprecedented levels International tensions over Iran where the largest number of Shi i Muslims live as well as the political resurgence of the Shi i in Iraq and Lebanon have created an urgent need to understand the background beliefs and motivations of this dynamic vision of Islam Abbas Amanat is one of the leading scholars of Shi ism And in this powerful book a showcase for some of his most influential writing in the field he addresses the colourful and diverse history of Shi Islam in both premodern and contemporary times Focusing specifically on the importance of apocalypticism in the development of modern Shi i theology he shows how an immersion in messianic ideas

has shaped the conservative character of much Shi'i thinking and has prevented it from taking a more progressive course. Tracing the continuity of apocalyptic trends from the Middle Ages to the present, Amanat addresses such topics as the early influence on Shi'ism of Zoroastrianism, manifestations of apocalyptic ideology during the Iranian Revolution of 1979 and the rise of the Shi'i clerical establishment during the 19th and 20th centuries. His book will be an essential resource for students and scholars of both religious studies and Middle Eastern history.

Letters to Lydia: 'Beloved Persis' Barbara Eaton, 2007-07-01. Fact and Fiction: the 19th Century love affair between Henry Hartyn, a chaplain of the East India Company and his beloved Persis in Cornwall, Lydia Grenfell, based on their letters and diaries.

The Western Christian Presence in the Russias and Qājār Persia, c.1760-c.1870 Thomas O'Flynn, 2017-08-28. Winner of The 2018 Saidi Sirjani Book Award. In *The Western Christian Presence in the Russias and Qājār Persia, c.1760-c.1870*, Thomas O'Flynn vividly paints the life and times of missionary enterprises in early nineteenth century Russia and Persia at a moment of immense change when Tsarist Russia embarked on an expansionist campaign reaching to the Caucasus. Simultaneously, he charts the relationship between the new Persian dynasty of the Qājārs and missionary activity on the part of European and American missionaries. This book reconstructs that world from a predominantly religious perspective. It recounts the sustaining ideals as well as the everyday struggles of the western missionaries: Protestant, Scottish, Basel, and American Congregationalist and Catholic, Jesuit and Vincentian. It looks at the reactions of diverse tribal peoples: the Tatars of the North Caucasus, the Kabardians and Circassians. Persia was the ultimate goal of these missionaries, which they eventually reached in the 1820s. Altogether, this study throws light on the troubled course of history in West Asia and provides the background to politico-religious conflicts in Chechnya and Persia that persist to the present day.

In Season and Out of Season David Gitari, 2011-05-26. A challenging collection of 25 prophetic sermons preached between 1975 and 1994 by Bishop David Gitari. Throughout these sermons, Gitari is at pains to apply the biblical message to the complex contemporary scene in Kenya, influenced by the example of such preachers as Martin Luther King and John Stott, unafraid to speak out on social and political issues and against corruption and injustice. Where appropriate, the setting and background to the preaching of the sermon is provided, as well as events which followed the preaching.

Religion and Society in Qajar Iran Robert Gleave, 2004-11-23. E. G. Browne relates this story in his *A Year amongst the Persians* in order to demonstrate the gross ignorance which sometimes characterises amull's decisions. The episode was related to Browne by one of his Bbassociates in Kerman, and the question was designed to expose this ignorance of the clergy. As it is related here, however, the jibe is unwarranted. A hole half a yard in each direction is not half a yard square; it is half a yard cubed. The mull, in the absence of a specification of depth, assumes that the hole is dug to the same depth as the original request. This assumption is.

Tucker, 2011-01-04 This is history at its best From Jerusalem to Irian Jaya is readable informative gripping and above all honest From Jerusalem to Irian Jaya helps readers understand the life and role of a missionary through real life examples of missionaries throughout history We see these men and women as fallible and human in their failures as well as their successes These great leaders of missions are presented as real people and not super saints This second edition covers all 2 000 years of mission history with a special emphasis on the modern era including chapters focused on the Muslim world Third World missions and a comparison of

missions in Korea and Japan It also contains both a general and an illustration index where readers can easily locate particular missionaries stories or incidents New design graphics photographs and maps help make this a compelling book From Jerusalem to Irian Jaya is as informative and intriguing as it is inspiring an invaluable resource for missionaries mission agencies students and all who are concerned about the spreading of the gospel throughout the world **Majority World Perspectives on Christian Mission** Nico A. Botha, Eugene Baron, 2022-05-12 It affords us real pleasure to present this editorial on behalf of the Majority World Christian Leaders Conversation MWCLC The MWCLC started slowly but surely since 2016 following a groundbreaking conversation among eleven mission practitioners from the Majority World who met in the United Kingdom somewhere between London and Oxford At the meeting several themes emerged under the banner of missionary questions and impulses of the Majority World from the perspective of the reign of God These themes and more find reflection in the book However before proceeding to the content of the anthology a note on the concept Majority World seems necessary The time where terms like Third World gained strong currency is long since gone The term Majority World is a new kid on the block and requires some clarification The use of the term is a strategy of avoiding concepts like Developing or Third World or even Global South which are pejorative in a real sense To speak of the Majority World is geographically accurate in that Africa Asia and Latin America are included **Today's Tentmakers** J. Christy Wilson, 2002-02-25 One million American Christians live and work abroad They are not missionaries These people are students administrators engineers teachers and doctors in other countries They could be called tentmakers Just as the Apostle Paul used his vocation tentmaking to finance his witness to the churches so today s tentmakers support themselves with their own hands and minds shining the light of Christ around them We err suggests author J Christy Wilson Jr when we assign personal evangelism at home to the lay Christian but missions work abroad only to the specialist Tentmaking is available to everyone Today s Tentmakers is a handbook which is of value not only to the prospective tentmaker but also to the Christian planning to travel overseas You ll discover here information about foreign travel and employment support organizations language training moving cultural adjustment and politics Whether you are a student or teacher housewife or doctor Today s Tentmakers is an opportunity of adventure and service in God s work **Connecting** Paul D. Stanley, J. Robert Clinton, 2024-09-24 We are all interdependent on each other which is why connecting with others plays such an indispensable role in healthy development Having access to the wisdom experience vision and direction of others can put you years ahead of where you d be on your own Mentoring relationships can be key to effective discipleship and evangelism This book shows you how to do it effectively **They Were Pilgrims** Marcus L. Loane, 2006 They Were Pilgrims is the story of four remarkable men who shared a common spiritual aim and ideal They were David Brainerd Henry Martyn Robert Murray M Cheyne and Ion Keith Falconer Their average life span was only thirty years but they left a spiritual impact on their generation which was altogether out of the ordinary Their lives covered the period of history from 1718 to 1887 A clear line

of spiritual descent can be traced from David Brainerd to Henry Martyn from Brainerd and Martyn to Robert Murray M Cheyne and from Martyn to Ion Keith Falconer They were all linked to the missionary movement which had its birth in the great spiritual awakening of the eighteenth century They were pioneers in this missionary movement Brainerd with the Native North Americans M Cheyne with the Jews of Palestine and Central Europe Martyn and Keith Falconer in the Muslim world of Persia and Arabia Their contribution to missionary work would be enough in itself to invest their lives with outstanding interest But the greatest single feature in their lives was their unqualified self surrender to the claims of God This book tries to pull up the blinds so that readers can see through the window and can trace the inner spiritual development of these exemplary Christians It is the freshness and clarity of this record of personal devotion which makes the story of their pilgrimage so relevant for the whole hearted disciple of Christ today **Planting, Watering, Growing** Daniel R. Hyde, Shane Lems, 2011-01-04 As a response to the unique challenges facing the twenty first century American church church planting has become a popular topic But at a time when churches that spread the seed of the Word through preaching the sacraments and prayer are greatly needed much of the focus has been on planting churches that adapt pop culture to meet consumer demand In *Planting Watering Growing* the authors of this collection of essays weave together theological wisdom personal experiences and practical suggestions guiding readers through the foundations and methods of planting confessional churches that uphold the Word of God *A History of Christian-Muslim Relations* Hugh Goddard, 2000-09-05 Hugh Goddard investigates the history of the relationships between Christians and Muslims over the centuries *Contemporary Authors* Julie Mellors, 2005-09 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers *Religious Book Review* , 1976
