On Sunset Boulevard The Life And Times Of Billy Wilder:

On Sunset Boulevard Ed Sikov, 2017-06-14 *On Sunset Boulevard* originally published in 1998 describes the life of acclaimed filmmaker Billy Wilder 1906 2002 director of such classics as *Sunset Boulevard* *The Lost Weekend* *The Seven Year Itch* and *Sabrina* This definitive biography takes the reader on a fast paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna where he grew up to Berlin where he moved as a young man while establishing himself as a journalist and screenwriter and triumphantly to Hollywood where he became as successful a director as there ever was *Double Indemnity* *Sunset Boulevard* *Some Like It Hot* and *The Apartment* Wilder's cinematic legacy is unparalleled Not only did he direct these classics and twenty one other films he co wrote all of his own screenplays Volatile cynical hilarious and driven Wilder arrived in Hollywood an all but penniless refugee who spoke no English Ten years later he was calling his own shots and he stayed on top of the game for the next three decades Wilder battled with Humphrey Bogart Marilyn Monroe Bing Crosby and Peter Sellers kept close friendships with William Holden Audrey Hepburn Jack Lemmon and Walter Matthau amassed a personal fortune by way of blockbuster films and shrewd investments in art including Picassos Klees and Miris and won Oscars yet Wilder ever conscious of his thick accent always felt the sting of being an outsider *On Sunset Boulevard* traces the course of a turbulent but fabulous life both behind the scenes and on the scene from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on location shoots of the fifties and sixties Crammed with Wilder's own caustic wit *On Sunset Boulevard* reels out the story of one of cinema's most brilliant and prolific talents

Billy Wilder Glenn Hopp, 2003 This biography of director Billy Wilder *Sunset Boulevard* *Some Like it Hot* contains movie posters a bibliography and a complete filmography

Billy Wilder Joseph McBride, 2021-10-26 The director and cowriter of some of the world's most iconic films including *Double Indemnity* *Sunset Blvd* *Some Like It Hot* and *The Apartment* Billy Wilder earned acclaim as American cinema's greatest social satirist Though an influential fixture in Hollywood Wilder always saw himself as an outsider His worldview was shaped by his background in the Austro Hungarian Empire and work as a journalist in Berlin during Hitler's rise to power and his perspective as a Jewish refugee from Nazism lent his films a sense of the peril that could engulf any society In this critical study Joseph McBride offers new ways to understand Wilder's work stretching from his days as a reporter and screenwriter in Europe to his distinguished as well as forgotten films as a Hollywood writer and his celebrated work as a writer director In contrast to the widespread view of Wilder as a hardened cynic McBride reveals him to be a disappointed romantic Wilder's experiences as an exile led him to mask his sensitivity beneath a veneer of wisecracking that made him a celebrated caustic wit Amid the satirical barbs and exposure of social hypocrisies Wilder's films are marked by intense compassion and a profound understanding of the human condition Mixing biographical insight with in depth analysis of films from throughout Wilder's career as a screenwriter and director of comedy and drama and drawing on McBride's interviews with the director and his collaborators this book casts

new light on the full range of Wilder's rich complex and distinctive vision *Billy Wilder, Movie-Maker* Karen McNally, 2014-01-10 Billy Wilder's work remains a masterful combination of incisive social commentary skilled writing and directing and unashamed entertainment value One of Hollywood's foremost emigre filmmakers Wilder holds a key position in film history via films that represent a complex reflection of his European roots and American cultural influences This wide ranging collection of essays by an international group of scholars examines the significance of Wilder's filmmaking from a variety of original perspectives Engaging with issues of genre industry representation and national culture the volume provides fresh insights into Wilder's films and opens up his work to further exploration **Ray Milland** James McKay, 2020-02-21 With no formal training as an actor Welsh born Ray Milland 1907 1986 a former trooper in the British Army's Household Cavalry enjoyed a half century career working alongside some of the great directors and stars from the Golden Age of cinema He won the Academy Award for Best Actor for his performance as the alcoholic writer in *The Lost Weekend* 1945 a defining moment that enabled him to break free from romantic leads and explore darker shades of his debonair demeanor such as the veiled menace of his scheming husband in Hitchcock's *Dial M For Murder* 1954 A consummate professional with wide range Milland took the directorial reins in several of his starring vehicles in the 1950s most notably in the intelligent Western *A Man Alone* 1955 He comfortably slipped into most genres from romantic comedy to adventure to film noir Later he turned to science fiction and horror movies including two with cult filmmaker Roger Corman This first complete filmography covers the actor's screen career with a concise introductory biography and an appendix listing his extensive radio and television credits **A Hidden History of Film Style** Christopher Beach, 2015-05 The image that appears on the movie screen is the direct and tangible result of the joint efforts of the director and the cinematographer *A Hidden History of Film Style* is the first study to focus on the collaborations between directors and cinematographers a partnership that has played a crucial role in American cinema since the early years of the silent era Christopher Beach argues that an understanding of the complex director cinematographer collaboration offers an important model that challenges the pervasive conventional concept of director as auteur Drawing upon oral histories early industry trade journals and other primary materials Beach examines key innovations like deep focus color and digital cinematography and in doing so produces an exceptionally clear history of the craft Through analysis of several key collaborations in American cinema from the silent era to the late twentieth century such as those of D W Griffith and Billy Bitzer William Wyler and Gregg Toland and Alfred Hitchcock and Robert Burks this pivotal book underlines the importance of cinematographers to both the development of cinematic technique and the expression of visual style in film *The DVD Revolution* Aaron Barlow, 2004-12-30 The introduction of the DVD marked the beginning of one of history's most successful technological innovations and capped a 75 year development of home viewing possibilities Never before have film fans had access in their living rooms to something so remarkably close to the theatrical experience In addition because a DVD can hold much more

than a single movie it has allowed films to be marketed with a variety of extras sparking both a new packaging industry and greater interest on the part of home viewers This book provides an examination of the DVD s impact both on home viewing and on film study From film fan culture through filmmaker commentaries from special editions to a look at where the format will go from here author Aaron Barlow offers the first ever exploration of this explosive new entertainment phenomenon As the DVD becomes the popular vehicle of record for films it is also becoming a unique and unprecedented way for the interested viewer to learn more about filmmaking than has ever been possible before Because of its ability to reproduce the dimensions and quality of the celluloid image film fans and scholars can have practically perfect reproductions of classic and contemporary films at their disposal Not only will this book be of interest to the burgeoning population of DVD fans and collectors but it will provide insights that should be of interest to both students of popular culture and of film *Franz Waxman's Rebecca* David Neumeyer,Nathan Platte,2011-12-06 Upon his arrival in Hollywood Alfred Hitchcock began work on his first American film an adaptation of Daphne du Maurier s best selling novel Produced by David O Selznick and featuring compelling performances by Laurence Olivier Joan Fontaine and Judith Anderson Rebecca became one of Hitchcock s most successful films It was nominated for eleven Academy Awards and received the Oscar for Best Picture the only Hitchcock work to be so honored Without question one of the reasons for the film s success is its ninety minutes of dramatic musical underscoring by Franz Waxman In *Franz Waxman s Rebecca A Film Score Guide* David Neumeyer and Nathan Platte situate the score for this classic work within the context of the composer s life and career Beginning with Waxman s early training and professional experience as a jazz musician and film music arranger orchestrator in Berlin the authors also recount the composer s work in the music department at MGM between 1936 and 1942 During this period Waxman was loaned out to Selznick International Pictures and wrote the music for Rebecca Through manuscript and archival research Neumeyer and Platte untangle the threads of the film s complicated music production process which was strongly influenced by Selznick s habit of micromanaging music choices and placement This volume concludes with a thematic analysis and reading of the score that incorporates commentary on scenes and cues The first book devoted to the music of a single film by this great composer from Hollywood s golden age *Franz Waxman s Rebecca A Film Score Guide* will be of interest to musicologists and film scholars as well as fans of Alfred Hitchcock and Franz Waxman William Holden Michelangelo Capua,2016-03-22 William Holden was a Hollywood star whose career spanned four decades more than 70 films and three Academy Award nominations Golden Holden won an Oscar for his role in *Stalag 17* and after films like *Sunset Blvd* he became one of Hollywood s most powerful stars in the late 1950s His personal life included international adventures and romances with such stars as Audrey Hepburn and Grace Kelly yet he suffered from alcoholism and clinical depression This biography covers his entire life and career from boyhood through his greatest successes short decline re emergence in *The Wild Bunch* and his legacy of support for African wildlife **Fifth Avenue, 5 A.M.** Sam Wasson,2011-09-25 Before

Breakfast at Tiffany's Audrey Hepburn was still a little known actress with few film roles to speak of after it indeed because of it she was one of the world's most famous fashion style and screen icons It was this film that matched her with Hubert de Givenchy's little black dress Meanwhile Truman Capote's original novel is itself a modern classic selling huge numbers every year and its high living author of perennial interest Now this little book tells the story of how it all happened how Audrey got the role for which at first she wasn't considered and which she at first didn't want how long it took to get the script right how it made Blake Edwards name as a director after too many trashy films had failed to and how Henry Mancini's soundtrack with its memorable signature tune Moon River completed the irresistible package This is the story of how one shy uncertain inexperienced young actress was persuaded to take on a role she at first thought too hard edged and amoral and how it made Audrey Hepburn into gamine elusive Holly Golightly in the little black dress and a star for the rest of her life
