On The Road Reluctantly:

The Reluctant Spy John H. Goodwin, 2016-06-02 The Reluctant Spy Revolution is the first half of the timely story of Calvin Evan a smart but flawed CIA agent beginning with the 1979 Iranian revolution Cal develops a critical Iranian operative and becomes embroiled in the audacious yet little honored effort to liberate the American embassy hostages Romantically hes caught between his love for a rescued refugee and the aggressive intentions of his boss's manipulative daughter Ensnaring him the savvy daughter navigates his career away from the political fallout of the mission's failure and directs him to the battleground of the 1980s the Nicaraguan Contra War where Cal runs an illegal funding operation Morally conflicted and victimized by his erratic behavior he slips into a burned out funk posted to Switzerland There amidst the rise of Middle Eastern terrorism his past pulls him into conflict with his former Iranian asset possibly a double agent and reunites him with his long ago betrayed love now a death squad target

The Reluctant Land Cole Harris, 2009-01-01 The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s It shows how a deeply indigenous land was reconstituted in European terms and at the same time how European ways were recalibrated in this non European space It also shows how an archipelago of scattered settlement emerged out of an encounter with a parsimonious territory and suggests how deeply this encounter differed from an American relationship with abundance The book begins with a description of land and life in northern North America in 1500 and ends by considering the relationship between the pattern of early Canada and the country as we know it today Intended to illuminate the background of modern Canada The Reluctant Land is an intelligent discussion of people and place that will be welcomed by scholars and lay readers alike
