On Turning Eighty:

On Turning Eighty Henry Miller, 1973-01-01 **On Turning Eighty** Henry Miller, 1972 The Hypertext of HerMe(s) Judy Freya Sibayan, 2014-12-19 In this ebook Judy Freya Sibayan reflects on 39 years of her work as an artist curator writer editor of Ctrl P and teacher Inspired by Hélène Cixous the figure of HerMe s is invoked for a new kind of artistic autobiography hyperlinked to the internet and a practice evident in major works like Scapular Gallery and Museum of Mental Objects which developed from her development of a distinctive form of institutional critique **The Pain Mothers Must Never Expose:** Michelann Parr, 2024-07-04 In this collection contributors reject the narrative that suggests that the pain of mothers must never be exposed They allow their pain to wander outside the frame of the requisite pathos individual pieces reveal pain to be a complex and intersectional practice that encompasses denial and disenfranchisement where pain is birthed and named disorientation leading to a search for stable ground destabilization that inspires non normative mothering and discovery as an active stance that transforms intergenerational pain As contributors take up the challenge of unravelling their stories they reach for a life sustaining and hopeful shift in consciousness that allows them to listen to what pain has to offer without judgment to imagine and create a different future for themselves their children and the world and to let go of maternal pain and suffering as a way of being Readers will be inspired by raw honesty authenticity and willingness to embrace story as a gift to self The Beggar's Pawn John L'Heureux, 2020-08-04 The final book by the noted novelist short story writer and teacher John L'Heureux the story of an affable stranger whose appeals for money gradually upend the lives of an academic's family After a decades long career as a critically acclaimed writer including several novels with Viking and Penguin in the late 80s and early 90s John L'Heureux had a late flowering in his career In the year before his death in April of 2019 The New Yorker published three of his stories and a collection of his short stories will be published by A Public Space in December 2019 His final novel The Beggar's Pawn is the story of a family whose chance meeting with a stranger while dog walking slowly becomes an ominous invasion of their domestic lives David and Maggie Holliss are an ordinary married couple about to ease into a comfortable well earned retirement while tending to three middle aged children with whom they share an edgy relationship of love and resentment Reginald Parker enters their lives when he saves their dog from being run over by a truck and when asked how they can possibly thank him he replies with a request for the loan of two hundred dollars They lend it to him gladly and thus begins what will become for them and their family a nightmare that moves from comic resignation to stark tragedy In The Beggar's Pawn John L'Heureux explores the strains of marriage the nature of trust the limits of love and the inevitability of fate Life Abundant Paul R. Dekar, 2025-08-26 In Life Abundant Paul R Dekar celebrates God's gift of abundance in his life and in the lives of his family and others with whom he has journeyed **On the Way to Here** Phil Small, 2017-10-14 This book covers a great deal of ground spiritually philosophically and emotionally The subject matter is often weighty yet it doesn't feel like that at all no small feat when discussing the origins and cycles of life

birth and death and everything in between Moving from the particular to the universal to that place where we are all one the author uses moments from his life experience to help us better understand and appreciate our own journey Often in an understated manner he points out that just below the surface of the ordinary lies this other world where the truly meaningful and abiding realities of our lives frequently go unnoticed He gently turns over the stones on our paths looking for the meaning hidden underneath often finding real gems You will meet yourself more than once in these pages **Twentieth Century American Literature** Warren French,1980-11-01 *On Henry Miller* John Burnside,2018-03-27 An engaging invitation to rediscover Henry Miller and to learn how his anarchist sensibility can help us escape the air conditioned nightmare of the modern world The American writer Henry Miller s critical reputation if not his popular readership has been in eclipse at least since Kate Millett s blistering critique in *Sexual Politics* her landmark 1970 study of misogyny in literature and art Even a Miller fan like the acclaimed Scottish writer John Burnside finds Miller s sex books including *The Rosy Crucifixion* *Tropic of Cancer* and *Tropic of Capricorn* boring and embarrassing But Burnside says that Miller s notorious image as a pornographer and woman hater has hidden his vital true importance his anarchist sensibility and the way it shows us how by fleeing from conformity of all kinds we may be able to save ourselves from the air conditioned nightmare of the modern world Miller wrote that there is no salvation in becoming adapted to a world which is crazy and in this short engaging and personal book Burnside shows how Miller teaches us to become less adapted to the world to resist a life sentence to the prison of social intellectual emotional and material conditioning Exploring the full range of Miller s work and giving special attention to *The Air Conditioned Nightmare* and *The Colossus of Maroussi* Burnside shows how with humor and wisdom Miller illuminates the misunderstood tradition of anarchist thought Along the way Burnside reflects on Rimbaud s enormous influence on Miller as well as on how Rimbaud and Miller have influenced his own writing An unconventional and appealing account of an unjustly neglected writer *On Henry Miller* restores to us a figure whose searing criticism of the modern world has never been more relevant **Henry Miller** David Stephen Calonne,2014-08-15 As an author Henry Miller 1891 1980 was infamous for his explicit descriptions of sex and many of his novels from *The Tropic of Cancer* to *Black Spring* were banned in the United States on grounds of obscenity But his books frequently smuggled into his native country became a major influence on the Beat Generation of American writers and would eventually lead to a groundbreaking series of obscenity trials that would change American laws on pornography in literary works In this new critical biography David Stephen Calonne goes beyond Miller s notoriety to take an innovative look at the way in which the author s writings and lifestyle were influenced by his spiritual quests Charting Miller s cultivation of his esoteric ideas from boyhood and adolescence to later in his career Calonne examines how Miller remained deeply engaged with a variety of philosophies from astrology and Gnosticism to Eastern thinkers Calonne describes not only the effects this had on Miller s work but also to his complex and volatile life his marriages and love affairs with Beatrice Wickens June Mansfield and Ana s Nin his years in Paris

and the journey to Greece that resulted in the travelogue *The Colossus of Maroussi* the book Miller considered to be his greatest work After discussing Miller's final residences in Big Sur and the Pacific Palisades in California Calonne considers the author's involvement in the arts love of painting and music and friendships with a number of classical musicians Miller Calonne reveals was a quirky charismatic man of genius who continues to influence popular culture today Highlighting many areas of the author's life that have previously been neglected Henry Miller takes a fascinating revisionary approach to the work of one of America's most controversial and iconic writers

Raymond Carver Carol Sklenicka, 2009-11-24 The first biography of America's best known short story writer of the late twentieth century The London Times called Raymond Carver the American Chekhov The beloved mischievous but more modest short story writer and poet thought of himself as a lucky man whose renunciation of alcohol allowed him to live ten years longer than I or anyone expected In that last decade Carver became the leading figure in a resurgence of the short story Readers embraced his precise sad often funny and poignant tales of ordinary people and their troubles poverty drunkenness embittered marriages difficulties brought on by neglect rather than intent Since Carver died in 1988 at age fifty his legacy has been mythologized by admirers and tainted by controversy over a zealous editor's shaping of his first two story collections Carol Sklenicka penetrates the myths and controversies Her decade long search of archives across the United States and her extensive interviews with Carver's relatives friends and colleagues have enabled her to write the definitive story of the iconic literary figure Laced with the voices of people who knew Carver intimately her biography offers a fresh appreciation of his work and an unbiased vivid portrait of the writer

Memory and Movies John Seamon, 2024-10-29 How popular films from *Memento* to *Slumdog Millionaire* can help us understand how memory works In the movie *Slumdog Millionaire* the childhood memories of a young game show contestant trigger his correct answers In *Memento* the amnesiac hero uses tattoos as memory aids In *Away from Her* an older woman

suffering from dementia no longer remembers who her husband is These are compelling films that tell affecting stories about the human condition But what can these movies teach us about memory In this book John Seamon shows how examining the treatment of memory in popular movies can shed new light on how human memory works After explaining that memory is actually a diverse collection of independent systems Seamon uses examples from movies to offer an accessible nontechnical description of what science knows about memory function and dysfunction In a series of lively encounters with numerous popular films he draws on *Life of Pi* and *Avatar* for example to explain working memory used for short term retention He describes the process of long term memory with examples from such films as *Cast Away* and *Groundhog Day* The Return of Martin Guerre among other movies informs his account of how we recognize people the effect of emotion on autobiographical memory is illustrated by *The Kite Runner* *Titanic* and other films movies including *Born on the Fourth of July* and *Rachel Getting Married* illustrate the complex pain of traumatic memories Seamon shows us that movies rarely get amnesia right often using strategically timed blows to the protagonist's head as a way to turn memory off and then on again as in *Desperately Seeking Susan* Finally he uses movies including *On Golden Pond* and *Amour* to describe the memory loss that often accompanies aging while highlighting effective ways to maintain memory function
