## **One With God A Spiritual Revelation:**

One with God Roberta M. Heck, 2005-05-02 ONE WITH GOD These poems are my revelation of how through spiritual intervention change and growth overcame my life as I became One With God There were those who prayed for me and with me Through those prayers and my faith I grew in my personal relationship with the Father I became one with Him through the Holy Spirit and His divine intervention As you read these poems should some circumstance bring back a recollection or you feel that you have been in similar situations it is my hope that you too will come to agree that He is truly a way maker but mostly that You cant beat Gods giving I pray that you will find the inspiration and come to the same conclusion in reading these poems as I felt when I wrote them and that is Nobody can love me like Jesus for His goodness endureth forever I present you now with a spiritual revelation of His goodness through poetry God bless Mrs Roberta M Heck **Scripture Revelations. An Introduction to the Word of God, Rendered According to Its Spirit, Etc. [A Collection of Tracts.]**, 1848 **Spiritual Revelations of the Bible** Brown Landone, 1996-09 **The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed. Translated Into English from a Latin Posthumous Work of ... Emanuel Swedenborg [by William Hill] and Revised by the Translator of the Arcana Cœlestia [i.e. John Clowes]. (To which is Subjoined a Summary Exposition of the Internal Sense of the Prophetical Books of the Word of the Old Testament, and of the Psalms of David.) [With the Text.]**, 1815 **Role of the Holy Spirit in Protestant Systematic Theology** Wilson Varkey, 2011-08 This volume is a meticulously researched text on pneumatology that puts the major pneumatological issues together without confining to the traditional way of dealing with the doctrine of the Holy Spirit Although pneumatology has been a neglected field in theological discussions of the past there is a renewal of interest among theologians on pneumatology today This renewal of interest has led to the formation of this work on the role of the Holy Spirit in the Protestant Systematic Theology Through highlighting the role and significance of the Holy Spirit in the whole divine action this volume contends that pneumatology is not a dull theological locus but rather an essential theological disposition relevant for today The detailed arguments found within challenge and inspire the contemporary pneumatological discussions as it relates to all the facets of theological reflection and action **Life-study of Second Corinthians** Witness Lee, 2023-09-26 In this life study Witness Lee opens up Paul s second Epistle to the Corinthians a book on the new covenant ministry and its ministers The first Epistle to the Corinthians was the apostle s argument an argument that defeated and subdued the distracted and confused Corinthians Now the second Epistle brought them back into the experience of Christ who was the subject of his argument in the first Epistle Hence the second Epistle is more experiential more subjective and deeper than the first In the first Christ the Spirit with our spirit the church and the gifts are covered as the major subjects In the second Christ the Spirit with our spirit and the church are developed further but the gifts are not even mentioned The

gifts are replaced in this book by the ministry which is constituted with and produced and formed by the experiences of the riches of Christ gained through sufferings consuming pressures and the killing work of the cross This Epistle gives us a pattern an example of how the killing of the cross works how Christ is wrought into our being and how we become the expression of Christ These processes constitute the ministers of Christ and produce the ministry for God s new covenant

Madeleine Turgeon Fiorino,2007-07-27 A few years ago as I was praying and meditating I had a vision It was a traumatic and terrifying experience for me In the vision I was told that God wanted me to write this book When the contents were revealed to me it was extremely upsetting and shocking because most of what I was told was absolutely contrary to all I

had ever believed about religion and my faith The more I tried to put it out of my mind the more I had a constant gnawing feeling that I was turning my back on God by not obeying what I had been asked to do Some time later the identical vision came to me except that this time I saw the hand of God over Churches Mosques Temples etc all of a sudden Gods hand descended and everything crumbled and was destroyed For the first time I saw the future of religions and I knew I would have to write what had been revealed to me It is my hope and prayer that my book will be a bridge and a source of strength and enlightenment for many on their spiritual journey My revelations are intertwined with American Indian spirituality I wish to emphasize that this is my truth as it was revealed to me     *The ^ARevelations of St. Birgitta of Sweden, Volume 3* Bridget Morris, 2011-12-28 St Birgitta of Sweden 1303 1373 canonized 1391 was one of the most charismatic and influential female visionaries of the later Middle Ages Altogether she received some 700 revelations dealing with subjects ranging from meditations on the human condition domestic affairs in Sweden and ecclesiastical matters in Rome to revelations in praise of the Incarnation and devotion to the Virgin This is the third and penultimate volume of the translation of the Revelations of St Birgitta of Sweden comprising the last part of the central canon Books VI and VII     The four Gospels explained by their writers.
