Star Trek Online: The Needs of the Many Michael A. Martin, 2010-03-30 Prior to the terror filled times of the Long War the seemingly endless struggle against the Undine a paranoid shape shifting race once known only as Species 8472 enemy sleeper agents quietly penetrated every echelon of Federation society as well as other starfaring civilizations throughout the Alpha and Beta quadrants The ensuing conflict shook humanity to its very core often placing its highest ideals against a pure survival instinct All too frequently the Undine War demanded the harshest of sacrifices and exacted the steepest of personal costs from the countless millions whose lives the great interdimensional clash forever altered Drawn from his exhaustive research and interviews The Needs of the Many delivers a glimpse of Betar Prize winning author Jake Sisko s comprehensive living history of this tumultuous era With collaborator Michael A Martin Sisko illuminates an often poorly understood time an age marked indelibly by both fear and courage not to mention the willingness of multitudes of unsung heroes who became the living embodiment of the ancient Vulcan philosopher Surak s famous axiom The needs of the many outweigh the needs of the few Self-regulation and privacy online a report to Congress , Therapeutic and Nutritional Uses of Algae Leonel Pereira, 2018-01-29 Algae have been used since ancient times as food fodder fertilizer and as source of medicine Nowadays seaweeds represent an unlimited source of the raw materials used in pharmaceutical food industries medicine and cosmetics They are nutritionally valuable as fresh or dried vegetables or as ingredients in a wide variety of prepared foods In particular seaweeds contain significant quantities of protein lipids minerals and vitamins There is limited information about the role of algae and algal metabolites in medicine Only a few taxa have been studied for their use in medicine Many traditional cultures report curative powers from selected alga in particular tropical and subtropical marine forms This is especially true in the maritime areas of Asia where the sea plays a significant role in daily activities Nonetheless at present only a few genera and species of algae are involved in aspects of medicine and therapy Beneficial uses of algae or algal products include those that may mimic specific manifestations of human diseases production of antibiotic compounds or improvement of human nutrition in obstetrics dental research thalassotherapy and forensic medicine **The Everything Guide to Online Genealogy** Kimberly Powell, 2014-01-08 Trace your roots share your history and create a family tree **The Columbia Guide to Online Style** Janice R. Online Activism in the Middle East Jon Nordenson, 2017-03-17 Does the internet facilitate social and political change

or even democratization in the Middle East Despite existing research on this subject there is still no consensus on the importance of social media and online platforms or on how we are to understand their influence This book provides empirical analysis of the day to day use of online platforms by activists in Egypt and Kuwait The research evaluates the importance of online platforms for effecting change and establishes a specific framework for doing so Egypt and Kuwait were chosen because since the mid 2000s they have been the most prominent Arab countries in terms of online and offline activism In the context of Kuwait Jon Nordenson examines the oppositional youth groups who fought for a constitutional democratic monarchy in the emirate In Egypt focus surrounds the groups and organizations working against sexual violence and sexual harassment Online Activism in the Middle East shows how and why online platforms are used by activists and identifies the crucial features of successful online campaigns Egypt and Kuwait are revealed to be authoritarian contexts but where the challenges and possibilities faced by activists are quite different The comparative nature of this research therefore exposes the context specific usage of online platforms separating this from the more general features of online activism Nordenson demonstrates the power of online activism to create an essential counterpublic that can challenge an authoritarian state and enable excluded groups to fight in ways that are far more difficult to suppress than a demonstration
