Or Else Robert Penn Warren, 1974 Or Else--poem/poems 1968-1974 Robert Penn Warren, 1974 **The Language of Vision** Joseph R. Millichap, 2016-06-06 The Language of Vision celebrates and interprets the complementary expressions of photography and literature in the South Southern imagery and text affect one another explains Joseph R Millichap as intertextual languages and influential visions Focusing on the 1930s and including significant works both before and after this preeminent decade Millichap uncovers fascinating convergences between mediums particularly in the interplay of documentary realism and subjective modernism Millichap s subjects range from William Faulkner s fiction perhaps the best representation of literary and graphic tensions of the period and the work of other major figures like Robert Penn Warren and Eudora Welty to specific novels including Ralph Ellison s Invisible Man and James Agee s Let Us Now Praise Famous Men Fleshing out historical and cultural background as well as critical and theoretical context Millichap shows how these texts echo and inform the visual medium to reveal personal insights and cultural meanings Warren s fictions and poems Millichap argues redefine literary and graphic tensions throughout the late twentieth century Welty s narratives and photographs reinterpret gender race and class and Ellison s analysis of race in segregated America draws from contemporary photography Millichap also traces these themes and visions in Natasha Trethewey s contemporary poetry and prose revealing how the resonances of these artistic and historical developments extend into the new century This groundbreaking study reads southern literature across time through the prism of photography offering a brilliant formulation of the dialectic art forms **The International Who's who 1983-84** Who's who, 1983 Rese as biografías de personajes masculinos y femeninos contemporáneos de todo el mundo que son relevantes en campos como el comercio internacional la política la administración la diplomacia la ciencia la medicina el derecho las finanzas los negocios la educación la religión la literatura la música el arte los espectáculos y el deporte Se proporcionan los datos esenciales fecha de nacimiento nacionalidad estudios cargo que ocupa actualmente su actual dirección entre otros **Then and Now** Floyd C. Watkins, 2014-07-15 Taking a new approach to the study of Robert Penn Warren s imposing and still growing poetic canon Floyd C Watkins has found in the poems what he describes as a poetic autobiography unparalleled in American letters Drawing on interviews with Warren members of his family and contemporaries from his hometown but keeping the poetry itself constantly at the center of his vision Watkins shows how the poetry has grown from the experience of the boy and man and from his contemplation of his family s and his country s history He traces through the poems a family chronicle moving from the frontier to the late twentieth century and set in a landscape that is clearly derived from the Kentucky of Warren s boyhood The little town of Guthrie divided by railroad tracks with its two burial grounds for whites and blacks becomes in the poems a town of both memory and imagination peopled by characters many of whom are recognizable to Warren s contemporaries The images of a black man fleeing through swampy woods outside the town of a grayfaced man who led a

lynch mob of a mad druggist making a list of people to poison all have counterparts in Guthrie's history. *Then and Now* is a revealing and provocative study of the poetic process in a poet who is thought of as the originator of the biographical fallacy.

Robert Penn Warren, *Shadowy Autobiography, and Other Makers of American Literature* Joseph R.

Millichap, 2023-08-18 Toward the end of his career Robert Penn Warren wrote "It may be said that our lives are our own supreme fiction." Although lauded for his writing in multiple genres, Warren never wrote an autobiography. Instead, he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction. As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South, Joseph Millichap builds on the accepted idea that Warren's poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren's literary criticism. This meticulously researched study reexamines in particular Warren's later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry*. Millichap reveals the interrelated literary genres of autobiography, criticism, and poetry as psychological modes encompassing the interplay of Warren's life and work in his later nonfiction. He also shows how Warren's critical engagement with major American authors often centered on the ways their creative work intersected with their lives, thus generating both autobiographical criticism and the working out of Warren's own autobiography under these influences. Millichap's latest book focuses on Warren's critical responses to William Faulkner, John Crowe Ransom, Herman Melville, Nathaniel Hawthorne, John Greenleaf Whittier, and Theodore Dreiser. In addition, the author carefully considers the black and female writers Warren assessed more briefly in *American Literature: The Makers and the Making*. Robert Penn Warren's *Shadowy Autobiography and Other Makers of American Literature* presents the breadth of Millichap's scholarship, the depth of his insight, and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American.

The Fugitive Poets William Pratt, 1991-12-03 The indispensable anthology of poetry from the Fugitive group, this collection chronicles the impact of literary modernism on these Southern poets as their region took a backward glance before coming to terms with the modern world. [Antique Trader Book Collector's Price Guide](#) Richard Russell, 2009-11-13 This new edition of *Antique Trader Book Collector's Price Guide* provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's *Emma* and J. Robert Penn Warren After Audubon Joseph R. Millichap, 2009-12 Robert Penn Warren after Audubon embraces research on developmental psychology, gerontology, and end of life studies to offer provocative new readings of Warren's later poems, seeing in them an autobiographical epic focused on the process of aging, the inevitability of death, and

the possibility of transcendence Among the autobiographical elements the author identifies are Warren's loneliness during his later years his alternating feelings of personal satisfaction and emptiness toward his literary achievements and at times the impotence of memory The author concludes that the finest of all of Warren's literary efforts can be found in his later works after Audubon A Vision [Writers Directory NA](#) NA,2016-03-05 [Catullus 68](#) John Sarkissian,2018-08-14 Preliminary Material John Sarkissian Introduction John Sarkissian Catullus 68 John Sarkissian Conclusion John Sarkissian The Laodamia Myth John Sarkissian Notes John Sarkissian Appendix Notes John Sarkissian Texts and commentaries John Sarkissian Books and articles John Sarkissian [The New York Times Book Review](#) ,1974-10 **Robert Penn Warren's Modernist Spirituality** Robert Steven Koppelman,1995 Beginning with an overview of Warren's career as a Fugitive at Vanderbilt and then later as a formidable New Critic Koppelman argues that Warren's regard for the spiritual aesthetic of both literary language and form can be traced to his early study of poetic metaphor To illustrate Warren's mature vision Koppelman centers his study on two novels and two poetry collections All the King's Men A Place to Come To Promises Poems 1954 1956 and Now and Then Poems 1976 1978 He also examines the critical studies that concentrate on Warren's vision of time history and spiritual fulfillment as well as those essays by Warren that complement his poems and novels in such a way as to elicit the reader's participation in the redemption of their narrators *Robert Penn Warren* Neil Nakadate,2021-09-15 Long recognized as one of America's foremost men of letters Robert Penn Warren continues to dazzle us with his many sided genius In the haunting images of his poetry the narrative power of his fiction the revealing insights of his essays we find literary achievement of the highest order Warren's writing has merited the close attention of literary critics In this book Neil Nakadate brings together the most important critical essays including a new essay written for this volume to give a comprehensive view of the range of Warren's work A list of Warren's published works 1929 1980 and a useful checklist of critical works on Warren's writing supplement this rich and balanced collection of essays Contributors A L Clements Chester E Eisinger Norton R Girault Robert B Heilman H P Heseltine James H Justus Richard Law Frederick P W McDowell Neil Nakadate Ladell Payne M Bernetta Quinn John Crowe Ransom Victor Strandberg Walter Sullivan William Tjenos Simone Vauthier and Robert Penn Warren **The Ohio Review** ,1977 [The Library Journal Book Review](#) ,1974 [International Who's Who in Poetry 2004](#) Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets [Afterlives of the Roman Poets](#) Nora Goldschmidt,2019-12-05 This innovative book reconceptualises Roman poetry and its reception through the lens of fictional biography biofiction [The Braided Dream](#) Randolph Paul Runyon,2014-07-15 Robert Penn Warren's reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America's first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren's recent rise to eminence and the first to consider his final collection Altitudes and Extensions In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar

Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren s last four sequences Now and Then Being Here Rumor Verified and Altitudes and Extensions is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud s concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren s poems assume additional meanings by the poet s very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect Books in Print ,1982
