## **Orange Journalism Voices From Florida Newspapers:**

Orange Journalism Julian M. Pleasants, 2003 Orange Journalism delivers the inside scoop on Florida's newspaper business by the people who through their commitment to this demanding profession continue to influence the development of the Sunshine State Jacket     A Most Disorderly Court Martin A. Dyckman, 2008-03-30 In the 1970s justices on the Florida Supreme Court were popularly elected But a number of scandals threatened to topple the court until public outrage led to profound reforms and fundamental changes in the way justices were seated One justice abruptly retired after being filmed on a high roller junket to Las Vegas Two others tried to fix cases in lower courts on behalf of campaign supporters A fourth destroyed evidence by shredding his copy of a document into seventeen equal strips of paper that he then flushed down a toilet As the journalist who wrote most of the stories that exposed these events Martin Dyckman played a key role in revealing the corruption favoritism and cronyism then rampant in the court A Most Disorderly Court recounts this dark period in Florida politics when stunning revelations regularly came to light He also traces the reform efforts that ultimately led to a constitutional amendment providing for the appointment of all Florida's appellate judges and emphasizes the absolute importance of confidential sources for journalists     *Vivian Castleberry* Kimberly Wilmot Voss, 2023-03-06 Considered by some as the most important woman in Dallas in the latter half of the 20th century Vivian Castleberry was a force for women nationally and internationally In shining a light on her career more becomes known about her fights and her victories Through this book historians can better understand that the relationship of the women's pages to the women's movement between the 1950s and 70s was more complex than previously explored Known as the godmother of the Dallas women's movement Vivian was a trailblazer Yet she was also a mother of five daughters at a time when working outside the home was still being challenged and that was an experience many middle class women struggled with Her role in the public sphere meant she often told the stories of others This book is her story     **Come to My Sunland** Julia Winifred Moseley, Betty Powers Crislip, 2020-10-14 Like so many midwesterners since Julia Daniels and Charles Scott Moseley moved to Florida in the 1880s seeking a warmer climate This collection of Julia's letters mainly to her husband who made frequent business trips north and to her close friend Eliza Slade reveals the struggle of a cultured urban woman adjusting to the hardship and isolation of life in pioneer Florida And then coming to love it Tramping through the unsullied land surrounding the Limona community near Tampa where they settled she gloried in her neglected corner in the Garden of Eden where she could look up fifty feet and see air plants growing on the branches of great oaks and hundreds of ferns nodding in the sunlight and gray moss moving through the trees like mist Think of me gazing up among crane's nests with redbirds in my own oaks she wrote Even in the nighttime a mocking bird often sings to me of all the beautiful things I love Julia herself a published writer selected these unedited letters and copied them for her family into a thick leather book Like characters in a novel the friends and relatives she describes crackle with personality a flamboyant Russian proclaims his version of

communism a New England spinster counters with Utopian visions and a university professor retreats from the ivory tower to agricultural experimentation Readers observe Julia s flair for making daily life cheerful and they meet the couple s two adored sons and Scott s children by an earlier marriage as well as Cracker settlers cattle runners and assorted seekers of health or wealth An artist Julia created a distinctive home designed and decorated in the manner of the pre Raphaelites Her palmetto fiber wall covering was exhibited at the Chicago World s Fair in 1893 and survives today The Florida house named The Nest is on the National Register of Historic Places Accompanied by 71 photographs of Julia s home and family these letters transcend the life of one woman to capture the experience and spirit of 19th century Florida

*Key West on the Edge* Kerstein Robert,2012-04-01 Discusses the history of Key West from its first one hundred years to the present day also discusses the effects of tourism on the Key West community

**Re-Evaluating Women's Page Journalism in the Post-World War II Era** Kimberly Wilmot Voss,2018-09-05 Re Evaluating Women s Page Journalism in the Post World War II Era tells the stories of significant women s page journalists who contributed to the women s liberation movement and the journalism community Previous versions of journalism history had reduced the role these women played at their newspapers and in their communities if they were mentioned at all For decades the only place for women in newspapers was the women s pages While often dismissed as fluff by management these sections in fact documented social changes in communities These women were smart feisty and ahead of their times They left a great legacy for today s women journalists This book brings these individual women together and allows for a broader understanding of women s page journalism in the 1950s and 1960s It details the significant roles they played in the post World War II years laying the foundation for a changing role for women

*A Journey into Florida Railroad History* Gregg M. Turner,2012-03-25 It is safe to say that without railroads Florida wouldn t be what it is today Railroads connected the state s important cities and towns conquered the peninsula s vast and seemingly impenetrable interior ushered in untold numbers of settlers and tourists and conveyed to market faster than any previous means of transportation the myriad products of Florida s mines forests factories farms and groves Gregg Turner traces the long slow development of Florida railroads from the first tentative lines in the 1830s through the boom of the 1880s to the maturity of the railroad system in the 1920s At the end of that decade nearly 6 000 miles of labyrinthine track covered the state Turner also examines the decline of the industry as the automobile rose to prominence in American culture and lines were abandoned or sold for hiking trails and green spaces Meticulously researched and richly illustrated including many never before published images *A Journey into Florida Railroad History* is a comprehensive authoritative history of the subject Written by one of the nation s foremost authorities on Florida railroads it explores all the key players and companies and every significant period of development This engaging and lively story will be savored and enjoyed by generations to come

Hitler's Soldiers in the Sunshine State Robert D. Billinger,2020-11-10 They were Uncle Sam s smiling workers and they looked like all American boys There were at least 10 000 of them deployed in 25 Florida camps between 1942 and 1946

They were also members of the Wehrmacht Hitler's armed forces. Forum Most Americans were unaware their government was housing Hitler's soldiers on its shores. Billinger weaves interviews with former prisoners, American soldiers who worked in the camps, newspaper accounts and government documents into a stunning historical narrative. Kansas City Star A tropical paradise that for some became a tropical hell. Sarasota Herald Tribune First came crewmen of destroyed U boats then thousands of Afrika Korps veterans who swamped the system in 1943. Pro Nazi arrogant and tough they defied U S authorities terrorized anti Nazi inmates and rioted. Choice Filled with colorful personal accounts this historical book packs the punch of fiction. St Petersburg Times Billinger's first rate history of this little known chapter in American history teaches us that in spite of wartime propaganda our enemies are human too. Atlantic City Press Hard to put down. Daytona Beach News Journal In the first book length treatment of the German prisoner of war experience in Florida during World War II Robert D Billinger Jr tells the story of the 10 000 men who were guests of Uncle Sam in a tropical paradise that for some became a tropical hell. Having been captured while serving on U boats off the Carolinas with the Afrika Korps in Tunisia with the paratroops in Italy or with labor battalions in France the POWs were among the 378 000 Germans held as prisoners in 45 states. Except for the servicemen who guarded them the civilian pulp cutters citrus growers and sugarcane foremen who worked them and the FBI and local police who tracked the escapees among them most people were and still are unaware of the German POWs who inhabited the 27 camps that dotted the Sunshine State. Billinger describes the experiences of the Germans and their captors as both sides came to the realization that while the Germans worst enemies were often their own comrades in arms wartime enemies might also become life long friends. Concentrating especially on the story of Camp Blanding in North Florida Billinger based his research on both American and German archives. His account mixes rare photos with interviews with former prisoners reports by the International Red Cross the YMCA and the U S military and local newspaper articles. This book will be of great value to scholars and historians as well as all readers with an interest in World War II. Those with an interest in Florida history will also find much to admire in this engaging account of a barely known wartime episode. A volume in The Florida History and Culture Series edited by Raymond Arsenault and Gary R Mormino.

**Oh, Florida!** Craig Pittman, 2016-07-05 A New York Times Bestseller Oh Florida That name That combination of sounds Three simple syllables and yet packing so many mixed messages To some people it's a paradise To others it's a punch line As Oh Florida shows it's both of these and more important it's a Petri dish producing trends that end up influencing the rest of the country Without Florida there would be no NASCAR no Bettie Page pinups no Glenn Beck radio rants no USA Today no Stand Your Ground you get the idea To outsiders Florida seems baffling It's a state where the voters went for Barack Obama twice yet elected a Tea Party candidate as governor Florida is touted as a carefree paradise yet it's also known for its perils alligators sinkholes pythons hurricanes and sharks to name a few It attracts 90 million visitors a year some drawn by its impressive natural beauty others bewitched by its manmade fantasies Oh Florida explores those contradictions and shows

how they fit together to make this the most interesting state It is the first book to explore the reasons why Florida is so wild and weird and why that s okay Florida couldn t be Florida without that sense of the unpredictable unexpected and unusual lurking behind every palm tree But there is far more to Florida than its sideshow freakiness Oh Florida explains how Florida secretly subtly influences all the other states in the Union both for good and for ill *Al Burt's Florida* Al Burt,2025-06-24 This book takes readers on a tour of Florida through the writing of Al Burt longtime reporter for the Miami Herald exploring the charm substance and fantasy of a complex and fascinating state The Making of Nova Southeastern University Julian M. Pleasants,2013-10-29 Nova Southeastern University is a flourishing university with a fascinating past Arising from the shared dream of local community businessmen in Broward County Florida the university was chartered in 1964 At the time it had no buildings to its name just an empty plot of land and a dedicated group of visionary advocates On the fiftieth anniversary of NSU s founding this book tells the amazing story of what is now one of the largest not for profit universities in the United States Today Nova Southeastern University serves more than 27 000 students and has produced more than 150 000 alumni Its main campus in Fort Lauderdale is beautifully landscaped with modern classroom buildings an array of student housing options state of the art athletic facilities and a unique joint use library the largest library building in the state of Florida Through distance learning and travel study programs NSU s presence extends throughout the United States and around the world Using interviews with present and past NSU presidents faculty administrators staff students and even NSU s original founders award winning historian Dr Julian Pleasants provides an insider s view of the story behind the school He re creates the scene of a meeting one night in the 1960s when local businessman Jack Hines pounded on a dining room table and said We ve just got to have a university Against all odds they succeeded Dr Pleasants describes the arrival of NSU s very first graduate students reveals the internal conflicts that challenged the school s program development and related the frightening brush with bankruptcy that threatened to close the doors of the young university forever The personal testimonies are backed by a wealth of primary sources including board of trustees minutes unpublished manuscripts administrative documents and presidential papers from the NSU archives Rare photographs offer a glimpse into the early history culture and architecture of the university The Making of Nova Southeastern University shows how this unique school overcame tremendous odds in just five decades to become an innovative leader in higher education and ushers in NSU s next fifty years of growth and creativity Jacksonville James B. Crooks,2019-07-09 In the 1950s and 60s Jacksonville faced daunting problems Critics described city government as boss ridden expensive and corrupt African Americans challenged racial segregation and public high schools were discredited The St Johns River and its tributaries were heavily polluted Downtown development had succumbed to suburban sprawl Consolidation endorsed by an almost two to one majority in 1967 became the catalyst for change The city s decision to consolidate with surrounding Duval County began the transformation of this conservative Deep South backwater city into a prosperous mainstream metropolis James B Crooks introduces readers to

preconsolidation Jacksonville and then focuses on three major issues that confronted the expanded city racial relations environmental pollution and the revitalization of downtown He shows the successes and setbacks of four mayors Hans G Tanzler Jake Godbold Tommy Hazouri and Ed Austin in responding to these issues He also compares Jacksonville s experience with that of another Florida metropolis Tampa which in 1967 decided against consolidation with surrounding Hillsborough County Consolidation has not been a panacea for all the city s ills Crooks concludes Yet the city emerges in the 21st century with increased support for art and education new economic initiatives substantial achievements in downtown renewal and laudable efforts to improve race relations and address environmental problems Readers familiar with Jacksonville over the last 40 years will recognize events like the St Johns River cleanup the building of the Jacksonville Landing the ending of odor pollution and the arrival of the Jaguars NFL franchise During the administration of Mayor Hazouri from 1987 to 1991 Crooks was Jacksonville historian in residence at City Hall Combining observations from this period with extensive interviews and documents including a cache of files from the mezzanine of the old City Hall parking garage that contained 44 cabinets of letters memos and reports he has written an urban history that will fascinate scholars of politics and governmental reform as well as residents of the First Coast city A volume in the Florida History and Culture Series edited by Raymond Arsenault and Gary R Mormino

**Backcountry Lawman** Bob H. Lee, 2013-03-12 With thirty years of backcountry patrol experience in Florida Bob Lee has lived through incidents of legend including one of the biggest environmental busts in Florida history His fascinating memoir reveals the danger and the humor in the unsung exploits of game wardens

*Losing It All to Sprawl* Bill Belleville, 2006-03-27 *Losing It All to Sprawl* is the poignant chronicle of award winning nature writer Bill Belleville and how he came to understand and love his historic Cracker farmhouse and relic neighborhood in central Florida even as it was all wiped out from under him Belleville s narrative is eloquent informed and impassioned a saga in which tractors and backhoes trample through the woods next to his home in order to build the backbone of Florida sprawl the mall As heavy machinery encircles Belleville and his community the noise growing louder and closer displacing everything Belleville has called home for the past fifteen years he tells a story that is much older 10 000 years older The story stretches back to the Timucua and the Mayaca living in harmony with Florida s environment the conquistadors who expected much from but also feared this land of flowers the turn of the century tourists modernizing and climatizing the state the original Cracker families who lived in Belleville s farmhouse In stark contrast to this millennia long transformation is the whiplash of unbridled growth and development that threatens the nearby wilderness of the Wekiva River system consuming Belleville s home and ultimately his very sense of place In Florida one of the nation s fastest growing states and where local and state governments encourage growth balancing use with preservation is an uphill battle Sprawl spreads into the countryside consuming not just natural lands but Old Florida neighborhoods and their unique history In *Losing It All to Sprawl* Belleville accounts for the impacts social political natural personal that a community in the crosshairs

of unsustainable growth ultimately must bear but he also offers Floridians and anyone facing the blight of urban confusion the hope that can be found in the rediscovery and appreciation of the natural landscape     Seasons of Real Florida Jeff Klinkenberg, 2009-09-20 No wonder Jeff Klinkenberg loves Florida At any time of year he can find a place in the state that is ripe to enjoy or a person whose story has aged to perfection Arranged by season the book opens in the fall which Klinkenberg says is like spring in the north a time of celebration Having survived our harshest season we feel renewed Fair weather good food and the joys of nature lie ahead described here in essays that are like time capsules of old Florida values Preserving the past they reveal Klinkenberg's waggish appreciation of the state's history folkways and landscape not to mention its barbecued ribs smoked mullet stone crab claws and fresh lemonade Many pieces focus off the beaten path and on modern rogues who seem to turn their backsides to the subdivisions and shopping malls that pave the state Miss Ruby whose fruit stand features rutabagas boiled peanuts and her own brightly colored plywood paintings an 85 year old resident of the remote island of Cayo Costa who hums Beethoven while she hunts for shells the scientists who test mosquito repellent in Everglades National Park and the unofficial caretaker of Lilly Spring on the Santa Fe River who greets canoeists wearing glasses a necklace and on occasion a synthetic fur loincloth Other pieces pay homage to Klinkenberg's literary heroes who've written in and about Florida such as Pulitzer Prize winner Marjorie Kinnan Rawlings Rawlings's companion and memoirist Idella Parker Everglades crusader Marjory Stoneman Douglas and novelist Ernest Hemingway Klinkenberg also revisits an old St Johns River campsite of 19th century botanist William Bartram whose encounters with alligators there were as alarming as Klinkenberg's with beer cans and soda bottles For anyone who has a stake in the real Florida resident tourist naturalist or newcomer this tour of the seasons will linger in memory like the aroma of orange blossoms on a clear winter night     Gladesmen Glen Simmons, Laura Ogden, 2010-09-05 Few people today can claim a living memory of Florida's frontier Everglades Glen Simmons who has hunted alligators camped on hammock covered islands and poled his skiff through the mangrove swamps of the glades since the 1920s is one who can Together with Laura Ogden he tells the story of backcountry life in the southern Everglades from his youth until the establishment of the Everglades National Park in 1947 During the economic bust of the late 20s when many natives turned to the land to survive Simmons began accompanying older local men into Everglades backcountry the inhospitable prairie of soft muck and mosquitoes of outlaws and moonshiners that rings the southern part of the state As Simmons recalls life in this community with humor and nostalgia he also documents the forgotten lifestyles of south Florida gladesmen By necessity they understood the natural features of the Everglades ecosystem They observed the seasonal fluctuations of wildlife fire and water levels Their knowledge of the mostly unmapped labyrinth of grassy water enabled them to serve as guides for visiting naturalists and scientists Simmons reconstructs this world providing not only fascinating stories of individual personalities places and events but an account that is accurate both scientifically and historically of one of the least known and longest surviving portions of the American

frontier     **Pilgrim in the Land of Alligators** Jeff Klinkenberg, 2011-04-03 Pilgrim in the Land of Alligators provides a welcome opportunity for readers to discover the character and characters of real Florida In this compilation drawn in part from his award winning columns Klinkenberg celebrates some of the Sunshine State s most distinctive personalities including the original Coppertone girl and the actor who played the Creature from the Black Lagoon Along the way he travels to swamps rickety piers and Florida s only cook your own pancake restaurant Ranging from light and comical to wistful and nostalgic Klinkenberg roams the state from panhandle to the keys looking to answer the question What makes Florida Florida Pilgrim in the Land of Alligators will be a welcome addition to the bookshelves of longtime fans or readers new to his work

*Florida's Space Coast* William B. Faherty, 2024-03-05 An important interesting study of the relations between the Kennedy Space Center and the communities of Brevard County Florida Roger D Launius chief historian NASA Washington D C This outstanding book provides readers of Florida history our first insight into the impact that high technology has had on the state Brevard County is a veritable laboratory for understanding what happens when space science and engineering put down roots in a wilderness setting Faherty s writing is direct simple even folksy at times I devoured it Michael Gannon author of Pearl Harbor Betrayed and A Short History of Florida Florida s Space Coast tells the compelling story of America s half century in space exploration from the successful launch of the first two stage rocket in 1950 through the latest space shuttle missions of 2000 Told from the unique viewpoint of the people who built the Spaceport this book shows how the space program transformed the east central Florida coast from a traditional citrus production and tourist area to one of the most influential high tech centers in the nation Cape Canaveral was chosen as a missile launch site because of its many geographical advantages However in the early years of the space program the area was far from an ideal place for NASA employees to raise their families NASA brought in thousands of space related workers who besides sending machines and men into space had to meet the challenge of moving their families from urban environs to a rural southern county This book engagingly recounts the parallel stories of the establishment of America s space program and its impact on the development of Brevard County William Barnaby Faherty is professor emeritus of history at St Louis University and director of the Museum of the Western Jesuit Missions in Hazelwood Missouri     The Tropic of Cracker Al Burt, 2009-03-01 Miami Herald columnist Al Burt s tribute to Crackers or lovers of the real Florida Zora Neale Hurston Marjorie Kinnan Rawlings Virgil Hawkins John DeGrove Harry Crews and lots of everyday folks who have in common their memory of Florida as a wild rare place     The Scent of Scandal Craig Pittman, 2012-03-18 After its Peruvian discovery in 2002 *Phragmipedium kovachii* became the rarest and most sought after orchid in the world Prices soared to 10 000 on the black market Then one showed up at Marie Selby Botanical Gardens where every year more than 100 000 people visit They come for the lush landscape on Sarasota Bay and for Selby s vast orchid collection one of the most magnificent in the world The collision between Selby s scientists and the smugglers of *Phrag Kovachii* a rare ladyslipper orchid hailed as the most significant and beautiful new

species discovered in a century led to search warrants a grand jury investigation and criminal charges It made headlines around the country cost the gardens hundreds of thousands of dollars in donations and led to tremendous internal turmoil Investigative journalist Craig Pittman unravels this tangled web to shine a spotlight on flaws in the international treaties governing trade in endangered wildlife which may protect individual plants and animals in shipping but do little to halt the destruction of whole colonies in the wild The Scent of Scandal unspools like a riveting mystery novel stranger than anything in Susan Orlean s The Orchid Thief or the film Adaptation Pittman shows how some people can become so obsessed with beauty with profit with fame that they will ignore everything even the law

### **Orange Journalism Voices From Florida Newspapers Introduction**

In today's digital age, the availability of Orange Journalism Voices From Florida Newspapers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Orange Journalism Voices From Florida Newspapers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Orange Journalism Voices From Florida Newspapers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Orange Journalism Voices From Florida Newspapers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Orange Journalism Voices From Florida Newspapers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Orange Journalism Voices From Florida Newspapers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Orange Journalism Voices From Florida Newspapers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Orange Journalism Voices From Florida Newspapers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Orange Journalism Voices From Florida Newspapers books and manuals for download and embark on your journey of knowledge?

### **FAQs About Orange Journalism Voices From Florida Newspapers Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Orange Journalism Voices From Florida Newspapers is one of the best book in our library for free trial. We provide copy of Orange Journalism Voices From Florida Newspapers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Orange Journalism Voices From Florida Newspapers. Where to download Orange Journalism Voices From Florida Newspapers online for free? Are you looking for Orange Journalism Voices From Florida Newspapers PDF? This is definitely going to save you time and cash in something you should think about.
