Oregon Historical Quarterly Summer 1990:

Oregon Historical Quarterly ,2019 **Annals of Astoria** Robert Francis Jones,1999 Thus his log is the most accurate account of the daily activity of the trading post Jacket **Journal of Women's History Guide to Periodical Literature** ,1992 Gayle V Fischer has produced a terrifically useful volume that no research library should be without The Journal of American History an indispensable resource to finding material on women s history throughout the world Journal of World History the work is recommended for its currency depth of coverage and scope Ethnic Forum As part of its mission to disseminate feminist scholarship and serve as the journal of record for the new area of women s history the Journal of Women s History began a compilation of periodical literature dealing with women s history This volume is drawn from more than 750 journals and includes material published from 1980 through 1990 There are forty subject categories and numerous subcategories The guide lists more than 5 500 articles all are extensively cross listed *The Pacific Northwest* Carlos A. Schwantes,1996-01-01 Carlos Arnaldo Schwantes has revised and expanded the entire work which is still the most comprehensive and balanced history of the region This edition contains significant additional material on early mining in the Pacific Northwest sea routes to Oregon in the early discovery and contact period the environment of the region the impact of the Klondike gold rush and politics since 1945 Recent environmental controversies such as endangered salmon runs and the spotted owl dispute have been addressed as has the effect of the Cold War on the region s economy The author has also expanded discussion of the roles of women and minorities and updated statistical information Remembering the Modoc War Boyd Cothran,2014-09-15 On October 3 1873 the U S Army hanged four Modoc headmen at Oregon s Fort Klamath The condemned had supposedly murdered the only U S Army general to die during the Indian wars of the nineteenth century Their much anticipated execution marked the end of the Modoc War of 1872 73 But as Boyd Cothran demonstrates the conflict s close marked the beginning of a new struggle over the memory of the war Examining representations of the Modoc War in the context of rapidly expanding cultural and commercial marketplaces Cothran shows how settlers created and sold narratives of the conflict that blamed the Modocs These stories portrayed Indigenous people as the instigators of violence and white Americans as innocent victims Cothran examines the production and circulation of these narratives from sensationalized published histories and staged lectures featuring Modoc survivors of the war to commemorations and promotional efforts to sell newly opened Indian lands to settlers As Cothran argues these narratives of American innocence justified not only violence against Indians in the settlement of the West but also the broader process of U S territorial and imperial expansion Sweet Freedom's Plains Shirley Ann Wilson Moore,2016-10-20 The westward migration of nearly half a million Americans in the mid nineteenth century looms large in U S history Classic images of rugged Euro Americans traversing the plains in their prairie schooners still stir the popular imagination But this traditional narrative no matter how alluring falls short of the actual and far more complex reality of the overland trails Among the diverse peoples who converged

on the western frontier were African American pioneers men women and children Whether enslaved or free they too were involved in this transformative movement **Sweet Freedom s Plains** is a powerful retelling of the migration story from their perspective Tracing the journeys of black overlanders who traveled the Mormon California Oregon and other trails Shirley Ann Wilson Moore describes in vivid detail what they left behind what they encountered along the way and what they expected to find in their new western homes She argues that African Americans understood advancement and prosperity in ways unique to their situation as an enslaved and racially persecuted people even as they shared many of the same hopes and dreams held by their white contemporaries For African Americans the journey westward marked the beginning of liberation and transformation At the same time black emigrants aspirations often came into sharp conflict with real world conditions in the West Although many scholars have focused on African Americans who settled in the urban West their early trailblazing voyages into the Oregon Country Utah Territory New Mexico Territory and California deserve greater attention Having combed censuses maps government documents and white overlanders diaries along with the few accounts written by black overlanders or passed down orally to their living descendants Moore gives voice to the countless mostly anonymous black men and women who trekked the plains and mountains **Sweet Freedom s Plains** places African American overlanders where they belong at the center of the western migration narrative Their experiences and perspectives enhance our understanding of this formative period in American history

Montana Justice Keith Edgerton,2011-10-01 Since the days of the wild West Montanans have struggled to be tough on crime with limited resources During Montana s early territorial years criminal justice was almost nonexistent a few towns had inadequate and chronically overcrowded jails occasional prisoners were sent east to the federal penitentiary in Detroit and vigilantes summarily dealt with others suspected of crimes In 1871 the federal government funded a penitentiary in Deer Lodge that was turned over to Montana when it achieved statehood in 1889 In this absorbing book Keith Edgerton provides a social history of the Montana Penitentiary with a primary focus on its early formative years After statehood Montana leased its penitentiary to contractors who utilized cheap inmate labor to turn a profit for themselves and for the state Warden Frank Conley became a regional political boss and amassed a personal fortune using inmates for road construction and a variety of public and private projects Eventually charges of corruption led to his ouster by Governor Joseph M Dixon and sparked a trial and heated controversy that resulted in Dixon s political downfall After 1921 the prison system came under full control of the state government Although there were changes at the penitentiary during the rest of the twentieth century and two full scale riots in the 1950s there was also a depressing repetition of corruption neglect and underfunding

Murder & Mayhem in Portland, Oregon JD Chandler,2013-03-19 A shocking true chronicle of some of Portland Oregon s most infamous criminal cases from its wild roots as a frontier town to post war 20th century Here are some of the most horrifying crimes that made headlines and shook Portland Oregon The brutal Ardenwald axe murders The retribution killings by Chinatown tongs The fiendish acts of the Dark Strangler In this

compelling account author JD Chandler chronicles the coverups false confessions miscarriages of justice and the investigative twists of Portland's sordid past From the untimely end of the Black Mackintosh Bandit to the convoluted hunt for the Milwaukie Monster Murder Mayhem in Portland Oregon is a true crime account that acknowledges the officers who sought justice and remembers the victims whose lives were claimed by violence all while providing important historical context

Making the White Man's West Jason E. Pierce, 2016-01-15 The West especially the Intermountain states ranks among the whitest places in America but this fact obscures the more complicated history of racial diversity in the region In *Making the White Man's West* author Jason E. Pierce argues that since the time of the Louisiana Purchase the American West has been a racially contested space Using a nuanced theory of historical whiteness he examines why and how Anglo Americans dominated the region for a 120 year period In the early nineteenth century critics like Zebulon Pike and Washington Irving viewed the West as a dumping ground for free blacks and Native Americans a place where they could be segregated from the white communities east of the Mississippi River But as immigrant populations and industrialization took hold in the East white Americans began to view the West as a refuge for real whites The West had the most diverse population in the nation with substantial numbers of American Indians Hispanics and Asians but Anglo Americans could control these mostly disenfranchised peoples and enjoy the privileges of power while celebrating their presence as providing a unique regional character From this came the belief in a White Man's West a place ideally suited for real Americans in the face of changing world The first comprehensive study to examine the construction of white racial identity in the West *Making the White Man's West* shows how these two visions of the West as a racially diverse holding cell and a white refuge shaped the history of the region and influenced a variety of contemporary social issues in the West today

Illuminative Moments in Pacific Northwest Prose Richard W. Etulain, 2024-03-12 Richard W. Etulain examines the emergence of Pacific Northwest prose beginning in the early nineteenth century up to the present The book provides an introductory overview to a vast subject through illuminative moments that illustrate major shifts in the literary history of the region The book's focus is on novels histories and other nonfiction works that trace Pacific Northwest prose in chronological order through three periods the frontier regional and post regional eras Etulain provides extensive coverage of the writings of notable authors including novelists Frederic Homer Balch and Mary

Hallock Foote offering an understanding of frontier romantic and Local Color Writers He also explores the works of H G Merriam and novelist H L Davis illustrating regional prose writings Finally Etulain includes a panoply of writers who exemplify an emphasis on gender race and ethnicity and environmental texts from the post WWII period Illuminative Moments in Pacific Northwest Prose delivers a first time overview of the region s literary contributions that will interest both scholars and general readers alike Power and Place in the North American West Richard White, John M.

Findlay, 2012-09-01 Western historians continue to seek new ways of understanding the particular mixture of physical territory human actions outside influences and unique expectations that has made the North American West what it is today This collection of twelve essays tackles the subject of power and place from several angles Indians and non Indians race and gender environment and economy to gain insight into major forces at work during two centuries of western history The essays related to one another by their concern with how power is exercised in over and by western places cover a wide range of times and topics from 18th century Spanish New Mexico to 19th century British Columbia to 20th century Sun Valley and Los Angeles They encompass analyses of the concept and rhetoric of race theoretical speculations on gender and powerlessness and insights on the causes of current environmental crises *One Dies, Get Another* Matthew J.

Mancini, 2022-10-19 A chronicle one of the harshest most exploitative labor systems in American history In his seminal study of convict leasing in the post Civil War South Matthew J Mancini chronicles one of the harshest most exploitative labor systems in American history Devastated by war bewildered by peace and unprepared to confront the problems of prison management Southern states sought to alleviate the need for cheap labor a perceived rise in criminal behavior and the bankruptcy of their state treasuries Mancini describes the policy of leasing prisoners to individuals and corporations as one that in addition to reducing prison populations and generating revenues offered a means of racial subordination and labor discipline He identifies commonalities that despite the seemingly uneven enforcement of convict leasing across state lines bound the South together for more than half a century in reliance on an institution of almost unrelieved brutality He describes the prisoners daily existence profiles the individuals who leased convicts and reveals both the inhumanity of the leasing laws and the centrality of race relations in the establishment and perpetuation of convict leasing In considering the longevity of the practice Mancini takes issue with the widespread notion that convict leasing was an aberration in a generally progressive history of criminal justice In explaining its dramatic demise Mancini contends that moral opposition was a distinctly minor force in the abolition of the practice and that only a combination of rising lease prices and years of economic decline forced an end to convict leasing in the South **Saving the Oregon Trail** Dennis M. Larsen, 2021-06-22 Ezra

Meeker lived ninety eight highly productive years At times endearing and captivating he could also be exasperating and irrational Once he committed to a cause he was an unabashed promoter Meeker devoted his final three decades to commemorating the Oregon Trail A part of his story no one has previously told this volume begins in 1901 and completes an

epic biography One of Washington Territory's earliest pioneers Meeker first came west on the overland trail in 1852 He became a Puyallup community builder agricultural tycoon and world traveler before hop lice and the Panic of 1893 devoured his fortune He dallied in mining and joined the Klondike gold rush spending four years as a Yukon store proprietor At age 75 he trekked east over the Oregon Trail with oxen and a covered wagon setting markers along the way and became a national celebrity He visited New York Washington DC and the White House and managed to convince regular citizens the rich and famous governors legislators and even three U S presidents to support his trail preservation schemes Never one to shy away from adventure his other exploits included publishing books lecture tours additional Oregon Trail expeditions one in a bi plane attending the Alaska Yukon Pacific Exposition experimenting with motion pictures founding societies cruising in what may have been the first motorized RV performing in a Wild West show and roaming the country selling commemorative coins In the end Meeker's extraordinary efforts were crucial to saving the trail **Public Humanities** Molly Todd, Jason E

Cohen, 2025-12-01 Engaged public scholarship is transforming the humanities Divided into four parts this provocative volume examines historical and contemporary sites of education and pedagogy challenges dominant narratives about certain symbolic sites in the United States and across the Americas highlights the struggle of marginalized communities as they wrestle to rewrite individual and collective memories of violence and trauma and features public humanities projects that address themes relating to place and environment Each chapter is concerned with the importance of personal relationships in educational settings power relations in public humanities projects and the nurturing of new civic spaces and places This volume makes an important contribution to timely debates about public facing and publicly engaged scholarship especially in the humanities Treaties with American Indians Donald L. Fixico, 2007-12-12 This invaluable reference reveals the long
