Passions Rapture:

The Passions Robert C. Solomon, 1993-01-01 An abridged reprint of the Doubleday edition of 1976 with new preface and conclusion by the author *Passion's Rapture* Penelope Neri, 1984-09-01 **Songs of Passion and Pain** Joseph Fitzgerald Molloy, 2024-04-26 Reprint of the original first published in 1881 **Freudian Passions** Jan Campbell, 2018-05-08 Freud's thinking about the unconscious has always been seen to be more about representations than affects When it came to the passions of the transference and the demands of his hysterical patients Freud was always more interested wanted to move the focus away from the transference and onto dreams Hidden wishes more than manifest ones were what captured his imagination and style This book returns to the repressed theory of passions in Freud's own thinking arguing that the repression fixation and rhythmic movement of affects make up the roots and branches of psychoanalytic thinking We can think of Freud's unconscious affects as a tree with the most passionate and primitive affects that make up the core of our psychic life moving and branching out into more elaborated emotions and representations So what moves this tree the house of our first passions How we move the tree of our affects or leave it is integral to Freud's understanding of sexuality and the Oedipal Complex As Good as It Gets Stephen M. Clark, 2010-12-14 Of all the famous books ever written *The Song of Songs* has been designated as the finest ever produced or ever to be read on the subject of finding love developing relationships and experiencing life Its title *The Song of Songs* is a superlative an almost exaggerated expression of praise which insists that this book is the best of the best Designed to be read over fifty days *As Good as It Gets* takes the reader through this greatest of love songs delighting in its beauty and exploring its passion while discovering its insights into aspects of love and life such as praise intimacy affirmation identity insecurity community friendship transformation disruption resolution restlessness rapture confidence dignity disclosure and freedom In the end the reader will discover much more than a manual on relationships or even what it takes to live a passionate and purposeful life While remaining entirely honest about the realities of life love and relationships *The Song* retains the remarkable ability to bring us into a life that is filled with joy and grace beauty and poetry **Passion Before Me, My Fate Behind** Th. Emil Homerin, 2011-12-01 Umar Ibn al-Farabi 1181-1235 author of two classic works *The Wine Ode* and *The Poem of the Sufi Way* is considered the greatest Sufi poet to write in Arabic In this study these and other poems by Ibn al-Farabi are considered within the context of Islamic mysticism Arabic literature and Sufi poetry Th. Emil Homerin uncovers the literary and religious intent of these poems and their aesthetic and mystical content showing them to be a type of meditative poetry Indeed Ibn al-Farabi often alludes to the Sufi practice of recollection or meditation on God to evoke a view of existence in which the seeker may be transformed by an epiphany of love revealing an intimate relationship to the divine beloved Homerin provides elegant translations and close readings of Ibn al-Farabi's poetry highlighting the beauty of his verse its moods meanings and significance within Islamic mysticism and Arabic poetry where Ibn al-Farabi is still known as the Sultan of the Lovers

Literary Milieux David Womersley, Richard Anthony McCabe, 2008 The essays range from Shakespeare and early modern literature to Wordsworth They evince scrupulous care over the handling of evidence an interdisciplinary impulse yoked always to a prizing of the literary particularly the poetic a willingness to embrace an ambitious argument where it can be supported a humaneness of temper particularly in polemic Latent within them all is a wrestling with the central problem of text and context **BOOK JACKET**

The Way of Passion Andrew Harvey, 2013-07-23 A modern mystic and religious scholar presents a stunning collection of Rumi poems and reveals how the Sufi poet's words can guide us through spiritual and ecological crisis The minds of two mystics intermingle in a work of inspired vision and clarity Jalalud Din Rumi enlightened spiritualist poet of Sufism has been venerated by Moslems everywhere since his death in 1273 No other poet in history not even Shakespeare or Dante has made so exalted and comprehensive an impact on his own civilization In the latter part of the 20th century he has become for people of every race and creed the poet of the new mystical Renaissance that is slowly but surely coming to its flowering No one has done more than Andrew Harvey to spread popular awareness of Rumi's message Himself a charismatic mystic he has spent the last 20 years of his life in search of the essential truths that could transform the spiritual barrenness at the heart of modern Western civilization In his books *Love's Fire* and *Speaking Flame* he has re-created Rumi's poems with a brilliance that speaks eloquently to us today *The Way of Passion* draws on the poems to present a guide to the contemporary spiritual and ecological crisis Each chapter Harvey tells us is a dance a dance of mirrors in which essential spiritual themes return to be reflected in different constellations and harmonies a dance around Rumi and that mystery of Love he lived and expressed so completely Inspired by Rumi's voice and by his own startling ability to see into the innermost heart of life Harvey urges us to change to have faith and to act through Love to transform this time of Apocalypse into the time of Resurrection The passion of his words shines from the pages with an intensity that can embrace and inspire us all
